The members of the Republican County Committee are requested to meet at my office on Monday evening, May 19, 1879. A full attendance is requested.

The Citizens Endorse our Representative Hon. N. P. Wheeler.

The following was ready for publication some time ago, but owing to our limited space it has been unavoidably crowded out until now :

TIONESTA, April 18, 1879. We the undersigned citizens of Forest County desire to make this public acknowledgment of our recognition of the sterling virtues and business abilities of our Representative, N. P. Wheeler, recognizing in him the qualities that make a true representative of the people; and we desire to give him this assurance that the course, he has taken in the "Pittsburgh Riot Bill" has met the views and desires of his constituents, and believe he will favor such measures as are for the best interests of the greatest number of the people of this Commonwealth, and cannot be influenced by those influences of corporations which have caused so many of our Legislators in the past to fall; and having this full confidence in our Representative, N. P. Wheeler, we wish to make known to him our views by publishing this article in the FOREST REPUBLICAN, and sending him a published copy of the same.

They choked off debate and passed it under the previous question gag. The Senate will take time to discuss it, however, and the Republicans will tell the rebels some truths about their disloyal intrigues. I observe that the Democrats have renewed their confidence in the President's intention to sign some bill of the sort, but what reason is there for this confidence? This bill is just as opon to objections expressed in the President's message as the other, and unless he has changed his mind, he cannot accept it. The Republicans solidly oppose it, and I believe the Democratic claim of confidence is simply to keep up the courage of their adherents. It is impossible to believe that the President will sign this 'bill, since the Democrata refuse to admit any amendment looking in the least to the preservation of national authority to keep the peace. Hon. Wm. E. Chandler has been elected Secretary of the Republican Congressional Committee. This is an admirable choice, and Mr. Chandler will lead us to victory. By the way, there is a general expression of a desire to see Mr. Chandler elected U. S. Senator from New Hampshire.

MEREDIAN LINES.

ED. REPUBLICAN:-

In reading County Surveyor Brockway's report to the Sec'y of Internal Affairs, I see that there has never been established anything of the nature of a "meredian line" or standard "chain measure" in Forest County. It is very much to 63 cents, to pay actual postage and be hoped that, at the May term of packing charges.
