Important to Voters.

The next election held in Pennsylvania will be held on Tuesday, the 4th of November.

. Voters must have paid a State or County tax one month preceding the election, that is, on or before Saturday, October 4th.

Members of the County Committee should see to it that every voter of our party has complied with the law.

Failure to pay tax in season deprives the voter of the prvilege of suffrage. An elector can swear in his vote, though he be not assessed, but the neglect may cause him much trouble.

THE Chairman of the Republican State Central Committee, Hon. F. C. Hooten, has selected rooms 5 and 6 of the Continental Hotel, 9th and Chestnut Sts., Philadelphia, as headquarters for said committee during the present campaign. All communications should be addressed as above.

THE Greenback picnic at Punxsutawney last Wednesday, was a failure. The Spirit facetiously says it was because of "the very inclement weather several days previous to the occasion." All this so near the home of Consor, with Citizen St. Clair to make a speech and Judge Sutton, the farmer candidate for State Treasurer, to shake hands all around. Why, what does it mean? Our Washington Letter.

Special to the REPUBLICAN.

Washington, D. C., Sept. 4,'79. The New York Republican State Convention yesterday did its work promptly, harmoniously and well, and adjourned in the best of feeling. The candidates and platform are unexceptionable, and the success of the Republican party in New York is assured. Hon. A. B. Cornell was nominated for Governor on the first ballot and the nomination was made unanimous amidst great enthusiasm. All the other candidates on the State ticket were nominated without delay, a second ballot not being necessary in any case. The platform sets forth plainly the Republican view of the issues of the current canvass, leaving nothing to be misunderstood. The country now knows that the Republicans of New York will as one man maintain that Our Country is one nation, and oppose that nefarious doc. 12 Julius Berkiman vs. D. THE ELECTIONS!

CALIFORNIAL MAINE!

Large Republican Gains?

Carry the News to Peter Cooper, Ben Butler and Brick Pomery.

The elections in California on the 3d inst., show large Republican gains over last year. Perkins, Republican candidate for Governor, is elected by over 23,000 majority. The entire Congressional delegation is Republican by large majorities. The Workingman's candidate for Mayor of San Francisco and one or two municipal officers were elected by very small majorities. This was on account of a personal fight between the different factions. The Mayor, Kalloch, was shot into office, the same as Wade shot into office, the same as Wade States Senate by, a mule.

The election in Maine on Monday, went Republican by overwhelming majorities. Davis, Republican candidate for Governor, is elected by over 20,000 majority, and both houses of the legislature are Republican, so that should the choice of a Governor be left to the legislature, as is the case in that State when the candidate has not a majority over all the votes cast,
