REPUBLICAN STATE TICKET

FOR STATE TREASURER, HON. SAMUEL BUTLER, of Chester County.

REPUBLICAN COUNTY TICKET.

FOR ASSOCIATE JUDGE. LEWIS ARNER. FORDISTRICT ATTORNEY, S. D. IRWIN, ESQ. FOR COUNTY SURVEYOR, JACOB COOK, FOR CORONER JOHN HUNTER.

As will be seen by the public debt statement for September, published in this paper, the debt was reduced \$2,563,752 during the month, and but for the large amount of pension arrears paid out, it would have been reduced ten millions. So much for Sherman's policy, eh!

THE National wants the Government to buy its own bonds and destroy them, which every sensible person knows would place a large premium on them. Is it possible that this is part of the greenback doctrine? Do the greenbackers want the Government to pay a premium for the privilege of destroying its own paper? We hope not.

WENDELL PHILLIPS declines to run for Lieutenant Governor of Massachusetts on the Greenback ticket. His heart is in the cause, but the balance of his automy over-rules that impulsive organ. It is conjectured that this action of Mr. Philips will snuff out the Greenback party. What has it left to live for when its most violent defender turns his back upon it.

No report for study has been - made out this month, this will be done hereafter in the monthly reports.

It will be seen that the average at-31,215,000 tendance and percentage are both 149,207,886 below what they should have been,

Pupils, parents, friends of our schools, let our future reports show an improvement.

No school can do good work when its percentage is below 90.

Let us see that these whose names have been enrolled as pupils are in school every hour they can be spared

A word about excuses: 17 your children are absent from school, when they return, please send an excuse for their absence; if it is necessary to call them away during the day also trict, is by law incapable of holding or exsend an excuse.

During the session the teachers will make school teaching their business; so also let pupils make school-going and parents school-sending. Let us make our schools a success-not an average or a middling-but a success -one that can speak for itself. We can; Let us try.
