

REPUBLICAN STATE TICKET

FOR STATE TREASURER, HON. SAMUEL BUTLER, of Chester County.

REPUBLICAN COUNTY TICKET.

FOR ASSOCIATE JUDGE, LEWIS ARNER. FOR DISTRICT ATTORNEY, S. D. IRWIN, ESQ. FOR COUNTY SURVEYOR, JACOB COOK. FOR CORONER, JOHN HUNTER.

Republican Pyramid. OHIO. IOWA. MAINE. COLORADO. CALIFORNIA.

CAUTION.

It has been circulated through different portions of the County, by old and new enemies of the Republican party, that an arrangement is being consummated between Democrats and Republicans to unite on the Judgeship.

Remember Maine and Ohio! E. L. DAVIS, Chairman Rep. Co. Com.

WHERE is the Ohio "rag baby" now? Of course it isn't dead but where in thunder is it? We can't learn head or tail of it from any source.

THE greenback vote in Ohio, according to the best estimates we can obtain, will not be over 10,000 and this is palming it big. Last year it was 38,000. What unprecedented strides they are making—backward.

Two weeks from yesterday elections will be held in Arizona, Dakota, Kansas, Maryland, Massachusetts, Minnesota, Mississippi, Nebraska, New Jersey, New Mexico, New York, Pennsylvania, Virginia, Wisconsin and Wyoming. Of these Dakota, Maryland, Massachusetts, Minnesota, New York, Wisconsin and Wyoming territory elect governors and other State officers.

FOSTER'S majority in Ohio is 20,000. The legislature is Republican by a majority of 31 on joint ballot, and the entire Republican State ticket is elected by large majorities. In Iowa, Gear, Republican candidate for Governor, is elected by over 25,000 majority over all opposition. The greenbackers expected to point with pride at the large gains in that State, but, alas! the gains were terribly against them. In Ohio it is impossible to ascertain, at this writing, whether any greenback votes were polled or not.

THE greenback organs everywhere are predicting that the business boom will only last until after the elections are over. That is certainly the smallest and shabbiest plan of getting votes yet originated. Take it right at our own doors: Why is it that the rolling mill at Kittanning is being repaired as rapidly as possible for active work? and why is it that two immense new blast furnaces at the same place are being pushed forward with all the vigor and force that can be employed? Does this look as though the boom was only to last till after election? We should think not. The greenback papers and demagogues are sharp enough to see that the present revival of business throughout the country is knocking the life out of their party, and in consequence are trying to make things look as dark as possible. But it's no go. The times are improving, and will continue to improve long after the November elections; and don't you forget it.

WHAT a grand, glorious, and complete victory that was which the Republicans achieved in Ohio and Iowa on Tuesday of last week. It means an endorsement of the Republican party and policy, and places the seal of condemnation upon the political heresies and fallacies propagated by

the Democracy during the campaign. A majority of 20,000 of the voters of Ohio have declared in thunder tones that this is a Nation, and not a mere Confederacy, held together at the will or caprice of the States. They have declared that the policy of the Republican party, in resuming specie payments and adhering to hard money, is the only safe and honest financial policy. They have declared against inflation as fraught with danger to the business interests of the country, and as tending to financial ruin and national repudiation. They have placed the seal of condemnation on the course of the Democratic majority in Congress, in asserting the insidious doctrines of States rights, and in its attempts to force the Executive to sign laws which he did not approve, under the threats of starving the Government. Now let Pennsylvania Republicans follow the example of Ohio, and give their best efforts to keep the tidal wave of victory "booming." Let every Republican voter in Forest county manifest his devotion to the principles he professes by industriously working to poll every vote on the 4th day of November. Vote the straight Republican ticket and Ohio's verdict will be reiterated by us.

Our Washington Letter.

Special to the REPUBLICAN.

WASHINGTON, D. C., Oct. 16, '79.

This a bad year for Democrats, except the active bulldozers in the South. The grand Republican victories of Tuesday in Ohio and Iowa are the theme of all conversation. Everybody outside of the inborn Bourbon circles admits that it is a tidal wave, bound to sweep the Confederate party from power and reinstate the party of the nation. Foster's majority is unexpectedly large. No one dared to set it in advance above five or six thousand. And the more gratifying point is the recovery of the Legislature from Democratic hands, which means the shelving of Thurman, both as Senator and as Presidential aspirant. I think most people here perhaps expect to see Gen. Garfield to succeed him, and a good succession it will be. Thurman is one of the ablest and therefore one of the most dangerous of the Bourbon leaders, and his defeat is worth all the effort expended in Ohio. But beyond this the possession of the legislature will give the Republicans the power to correct the great wrong by which the democrats redistributed the State in such a way as to give them a majority of members of Congress, even when the Republicans have a majority of the popular vote. This outrage is what gave the Democrats their majority in the present national House of Representatives, and the Republicans will look out that it does not occur again.

Everybody expected Iowa to do her duty but nobody expected her to overdo herself as she has apparently done. Ashamed of having allowed the Greenbackers to get two Congressional districts last year, it seems as though the Republicans had done extraordinary work to reverse the ugly record, and they have done it most handsomely. Senator Allison is here credited with a large share of honor for the result. In August he went to Maine to help Blaine there, and now Blaine has helped him in return. Senator Allison is a favorite here, in his party and out of it, and there are many who whisper that among the hospitalities for future promotion, he is not remote. He is a sturdy Republican and a good legislator, and it is due to him chiefly that the mischievous Greenbackers are squeezed out of Iowa.

Secretary Sherman and Commissioner Raum returned yesterday from the campaign in Ohio, and were congratulated by hosts of Republicans. The Secretary received at his house last evening, when many Cabinet officers, heads of Bureaus and other officials were present. Comr. Raum said that the thing which had most effect in Ohio was the extra session and the infamous democratic methods in the South. He found many democrats who were not willing to go any further in the direction of State rights, seeing the danger ahead if the ex-Confederates were allowed to lead.

All loyal eyes are now turned with expectancy upon New York, where a solid victory is bound to follow, and Massachusetts, where Butlerism and Bourbonism are bound to go down together. We shall gain another Senator in New York as the result in part of the election there, as the State Senate elected this year holds over and

helps elect the U. S. Senator who will take his seat in 1881. This will dismiss Kennan, another pestiferous Bourbon. We are also sure to gain one U. S. Senator each in Connecticut in place of Eaton, Pennsylvania, in place of Wallace, and New Jersey in place of Randolph. Furthermore, we are on the way to regain Indiana, and electing a U. S. Senator in place of McDonald. This will be a gain of six, and against it we shall lose Bruce in Mississippi, where Jeff Davis is expected to succeed him. This would make the Senate a tie, 33 members on each side, counting David Davis a democrat. With the House Republican as it will certainly be, this is a good enough showing.

Senator Ingalls, in an interview here says the Republican Presidential candidates in the order of preference are Grant, Blaine and Sherman.

PROCLAMATION OF GENERAL ELECTION.

Whereas, in and by an act of the General Assembly of the Commonwealth of Pennsylvania, entitled "An Act to regulate the Elections of the Commonwealth," passed the 24th day of July, A. D., 1869, it is made the duty of the Sheriff of every county within this Commonwealth to give public notice of the General Elections, and in such to enumerate: 1st. The officers to be elected. 2d. Designate the place at which the election is to be held. 3d. C. A. Randall, High Sheriff of the county of Forest, do hereby make known and give public notice to the electors of the county of Forest, that a General Election will be held in said county, on

TUESDAY, NOVEMBER 4TH, 1879,

between the hours of 7 a. m. and 7 p. m. at the several Election Districts. In Barnett township at Jacob Maze's Carpenter shop. In Green township at the house of L. Arner. In Iowa township at Brookston, in Brookston School House. In Jenks township at the court house in Marien. In Harmony township at Allender school house. In Hickory township at Hickory House. In Kingsley township at Newtown School House. In Tionesta township at Court House in Tionesta borough. In Tionesta borough at Court House in said borough.

At each time and place the qualified electors will elect by ballot: One person for the office of Treasurer of the Commonwealth of Pennsylvania. One person for the office of Associate Judge of Forest County. One person for the office of District Attorney of Forest County. One person for the office of County Surveyor. One person for the office of Coroner.

The act of Assembly entitled "An act relating to the elections of this Commonwealth," passed July 2, 1879, provides as follows: "That the inspectors and judges shall meet at the respective places appointed for holding the election in the district which they respectively belong before 8 o'clock in the morning of the 1st Tuesday of November, and each said inspector shall appoint one clerk, who shall be a qualified voter of such district. "In case the person who shall have received the second highest number of votes for inspector shall not attend on the day of any election, then the person who shall have received the second highest number of votes for Judge at the next preceding election shall act as inspector in his place. And in case the person who shall have received the highest number of votes for inspector shall not attend, the person elected Judge shall appoint an inspector in his place, and in case the person elected Judge shall not attend, then the person who received the highest number of votes shall appoint a Judge in his place; and if any vacancy shall continue in the board for the space of one hour after the time fixed by law for the opening of the election, the clerk of the township, ward or district, for which the officer who has been elected, present at the place of election shall elect one of their number to fill such vacancy.

I also give official notice to the electors of Forest county, that by an act entitled "An act further supplemental to the act relative to the elections of this Commonwealth," approved Jan. 20, 1874: "Sec. 9. All the elections by the citizens shall be by ballot; every ballot voted shall be numbered in the order in which it shall be received, and the number recorded by the clerk on the list of voters opposite the name of the elector from whom received. And any voter voting two or more tickets the several tickets so voted shall each be numbered with the number corresponding with the number to the name of the voter. Any elector may write his name upon his ticket, or cause the same to be written thereon, and attested by a citizen of the district. In addition to the oath now prescribed by law to be taken and subscribed by election officers, they shall severally be sworn or affirmed not to disclose the name of any elector who has voted, unless required to do so as witnesses in a judicial proceeding. All judges, inspectors, clerks and overseers of every election held under this act, shall, before entering upon their duties, be duly sworn or affirmed in the presence of each other. The judge shall be sworn by the minority inspector. If there shall be such minority inspector, if not, then by a justice of the peace or alderman, and the inspectors and clerk shall be sworn by the judge. Certificates of such swearing or affirming shall be duly made out and signed by the officers so sworn, and attested by the officer who administered the oath. If any judge or minority inspector refuses or fails to swear the officers of election in the manner required by this act, or if any officer of election shall act without being duly sworn, or if any officer of election shall certify that any officer was sworn when he was not, it shall be deemed a misdemeanor, and upon conviction, the officer or officers so offending shall be fined not exceeding one thousand dollars, or imprisoned not exceeding one year, or both, in the discretion of the court.

Notice is hereby given, That any person excepting Justices of the Peace who shall hold any office or appointment of profit or trust under the United States, or this State or any city or incorporated district, whether commissioned officer or otherwise, a subordinate officer or agent who is or shall be employed under the legislature, executive or judiciary department of this State, or of any city, or of any incorporated district, and also that every member of Congress and of the State Legislature, or of the select or common council of any city, or commissioned officer of any incorporated district, is by law incapable of holding or exercising at the time, the office or appointment of judge, inspector or clerk of any election in this Commonwealth, and that no inspector, judge or other officer of such election shall be eligible to be then voted for. Also, that in the 4th section of the act of Assembly entitled "An act relating to elections and for other purposes," approved April 16th, 1869, it is enacted, that the 13th section shall not be so construed as to prevent any militia or borough officer from serving as judge, inspector or clerk at any general or special election in this Commonwealth. A further supplement to the election laws of this Commonwealth: Whereas, by an act of the Congress of the United States, entitled "An act to amend the several acts heretofore passed to provide for the enrolling and calling out of the national forces, and for other purposes," and approved March 3d, 1865, all persons who have deserted the military or naval services of the United States, and who have been discharged or relieved from the penalty or disability therein provided, are deemed and taken to have voluntarily relinquished and forfeited their right to become citizens, and are disqualified of exercising the rights of citizenship hereof: And whereas, persons not citizens of the United States, are not under the constitution and laws of Pennsylvania qualified electors of this Commonwealth: SEC. 1. Be it enacted by the Senate and House of Representatives of this Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the same and in all elections hereafter to be held in this Commonwealth; it shall be unlawful for the judges or inspectors of any such election to receive any ballot or ballots from any persons embraced in the provisions, and subject to the disabilities imposed by said act of Congress, approved March 3d, 1865. And it shall be unlawful for any such person to offer to vote any such ballot or ballots. SEC. 2. That if any such judge or inspector of election, or any of them shall receive or consent to receive any such unlawful ballot or ballots from any such disqualified person, he or they so offending shall be guilty of a misdemeanor, and upon conviction thereof in any Court of Quarter Sessions of this Commonwealth, he shall for each offence be sentenced to pay a fine of not less than one hundred dollars, and to undergo imprisonment in the jail of the proper county for not less than sixty days. SEC. 3. That if any person deprived of citizenship, and disqualified as aforesaid shall at any election hereafter to be held in this Commonwealth vote or tender to the officers thereof, and offer to vote a ballot or ballots in this Commonwealth, or shall persuade or advise any such officer to receive any ballot or ballots from any person deprived of citizenship and disqualified as aforesaid, such persons so offending shall be guilty of a misdemeanor, and upon conviction thereof in any Court of Quarter Sessions of this Commonwealth, he shall for each offence be sentenced to pay a fine of not less than one hundred dollars, and to undergo imprisonment in the jail of the proper county for not less than sixty days. SEC. 4. That if any person shall hereafter persuade or advise any person or persons deprived of citizenship and disqualified as aforesaid, to offer any ballot or ballots to the officers of any election hereafter to be held in this Commonwealth, or shall persuade or advise any such officer to receive any ballot or ballots from any person deprived of citizenship and disqualified as aforesaid, such persons so offending shall be guilty of a misdemeanor, and upon conviction thereof in any Court of Quarter Sessions of this Commonwealth, he shall be punished in a like manner as provided in the preceding section of this act, in the case of officers of election receiving such unlawful ballot or ballots. I also give official notice of the following provisions of an act approved the 30th of March, 1869, entitled "An act to regulate the mode of voting at all the elections of this Commonwealth." SEC. 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That the qualified voters of the several counties of this Commonwealth, at all general, township, borough and special elections are hereby authorized and required to vote by tickets printed or written, or partly printed and partly written, severally entitled as follows: One ticket shall embrace the names of all judges of courts voted for and shall be labeled "Judiciary;" one ticket shall embrace the names of all the State officers voted for and be labeled "State;" one ticket shall embrace the names of all the township officers voted for, including the names of all the borough officers voted for, and be labeled "Borough;" and each class shall be deposited in separate ballot boxes. The Judges of the aforesaid districts shall representatively take charge of the certificates of return of the election of their respective districts, and produce them at the Prothonotary's office in the Borough of Tionesta, as follows: "All judges living within twelve miles of the prothonotary's office, or within twenty-four miles if their residence be in a town, village or city upon the line of a railroad leading to the county of Forest, before twelve o'clock, p. m., on WEDNESDAY, NOVEMBER FIFTH, 1879, and all other judges shall before twelve o'clock, m., on THURSDAY NOVEMBER SIXTH, 1879, deliver said returns, together with the return sheets, to the prothonotary of the court of common pleas of Forest county, which said return shall be filed, and the day and hour of filing marked thereon, and shall be preserved by the prothonotary for public inspection." Given under my hand at my office in Tionesta, this 20th day of September, in the year of our Lord one thousand eight hundred and seventy-nine, and in the one hundred and fourth year of the Independence of the United States.
