THE Greenback vote in Lebigh dropped from 267 to 4. Gains! Gains!! Gains !!!

THE Greenback vote in Butler county dropped from 2,216 for Mason last year to 252 for Sutton this year.

THE official vote of New York gives Lewis, greenbacker for Governor, 19,706 votes. Coburn says it is about 40,000. But, then, he is licensed to

BARKESDALE, the murderer of Dixon has been elected Sheriff of Yazoo county, Mississippi. His first duty to law and humanity should be to hang himself .- Meadville Republican.

LATE returns from Australia indicate that a small town in the southern portion of the Island show slight greenback gains. Returns from Yokohoma are not all in yet. National please copy.

Ar the November election in the States of New York, Pennsylvania and Iowa the Greenbackers lost 120,000 votes from last year. At the same ratio they won't have much to lose next year.

BIXLER, editor of the Clearfield Citizen turns his back upon what is left of the greenback party, and goes over, body and breeches, to the democracy. He assigns as his reasons for his rash act that there is not enough left to support him as a greenbacker, and that there is no hope for the party anyway. There will be hundreds just like him before another year. They will hang on as long as there is a bite left, and their creditors can stand it, and then "go by the board."

A Poor Show .- Peter-not "that Rock" spoken of in Revelation-but Peter Sutton, Greenback candidate for State Treasurer, received in Philadelphia 299 votes, and in the State 27,000 votes. The rag baby was bigger at its birth than when it had attained its teens. Poor thing! Its Sutton death will be mourned in this State by Frank Hughes and Henry Carey Baird with honest grief. It was taking it to the Supreme Court to have no ordinary obsequies .- Clearfield Republican, Dem.

It is a hard job, and probably he never studied half so hard to learn what little he knows about peddling pills.

STATE CAPITAL NEWS.

The board of Pardons met on Tuesday last to consider the Tracy case. The prisoner was represented by S. R. Mason of Mercer, and A. B. Richmond of Meadville. The board was asked to commute the death sentence to imprisonment for life, on the grounds of the alleged abnormal *condition of Tracy's mind. District Attorney Smith, of McKean County, opposed the application, notwithstanding the letters for a commutation by Judge Williams, who tried the case, and petitions from citizens which were also signed by the murdered girl's parents. The friends of the prisoner made a strong effort, but, as I predicted they would be, were unsuccessful. The Board had adjourned on account of the sudden illness of Sec'y of the Commonwealth Quay, who recovered enough, however, to attend another meeting in the evening, when it was unanimously resolved to allow the law to take its course. Consequently he will be hanged on Thursday, the 4th day of December.

They have been having quite a time in court over a ticket scalping case, which ended in the conviction of the prisoner on one of four different counts. I believe the prisoner's counsel intend no ordinary humbug, and it should contest the constitutionality of the
