WEDNESDAY MORNING, DEC. 3, 1879.

THE Gazette, the organ of Greenbackism in Armstrong county, has died a natural death.

MESSRS. W. W. Henry, Ex-Sheriff of Cattaraugus county, and Persons, late of the Bradford Era, have purchased the Olean Record newspaper, Greenback, and will henceforth make it a Democratic sheet.

THE Greenback party is booming. It is stronger now than ever, and is hourly growing stronger .- National.

Decomposition set in since the 4th of November. Enough to make anything "strong."

Two Greenback organs went out of existence in Cattaraugus county, last week. One of them changed hands and put up the Democratic colors, acknowledging that there was no party left-only a delusion-no leaders and no voters.

AT the recent election in Luzerne and Lackawanna counties the democrats had majorities in two of the eight legislative districts, which altogether elect nine members. The greenbackers did not have a majority in a single district. The present legislative delegation consists of five Re-Democrat. That's the way they have gained in that strongly greenback sec-

And no doubt these astute politicians will take care to choose a candidate who will be ready to run this campaign with plenty of hard money. The believers in "flat money" believe in it-for other people. In view of the recent elections this call reads like a very extensive political or greenback joke.
