soft as chalk and is used for building records, inquisitions examinations and other remembrances, to do those things purposes, as they can shape them with an ax or hatchet. I would say to those emigrating to this country to unhealthy, and nearly every person that comes in the spring or summer has a spell of sickness. There has been no snow here this winter since Thanksgiving, and then it snowed just enough to cover the ground, and left the same day it fell. The weather here at present is as warm as summer; the dust is flying in the streets and there is no frost in the ground at all. Warrant Acres

 $\left| k \right|$

This country sports some of the finest horses and mules we have over seen. There are no water works here, and all the water is got by digging wells, and rain water is caught in the cisterns, but it gets hard as soon as it gets in the cisterns, which are mostly holes dug in the ground and plastered 5197 27 E Best with cement. We have but one fire engine in this place. Well, I guess we have written enough for the present. Will write you again soon. From your old-time friends and tramps.
