LOCAL AND MISCELLANEOUS.

—Free Methodist preaching in the
Universalist Church next Sunday
evening.
M. E. Sunday School at 10 o'clock
a. m., and Presbyterian Sunday School
at 2 o'clock p. m.
—Oil 91tc.
—St. Patrick's day in the morning,
lay aside you spare eggs.
—Easter one week from Sunday;
lay aside you spare eggs.
—Mrs. Johnson, of Bradford, sister
of Mrs. Dingman, is at present visiting
Mr. Dingman's family.
—The pay car passed up the road
yesterday, doubtless making glad the
hearts of the employees.
—Mr. John Hart has rented the
house formerly occupied by Hon. J. B.
Agnew, and will shortly move into the
same.

—The pigeons have about all left
the roost on Little Coon. Where they
have "appeared to" we have not yet
learned.
—Mr. J. N. Teitworth departed for
Bradford on Friday last, where he will
remain for some time, and pursue his
wested vocation.
—The trout fishing opens April 1—
two weeks from to-morrow—and closes
August 1. The bass season comes in
again with June 1st.
—Moving day—April first—draws
uncomfortably near, to those who con-
template making changes, of which we
understand there are quite a number.
—Geo. Carr, the butcher, is erecting
a building on Elm street, between M.
W. Tate's office and Samuel Clark's
residence, to be used as a meat market.

—Messrs. J. T. Dale, and W. W.
Grove, returned home from Bradford
Saturday evening, looking unusually
well, and report things as brisk as
ever.
—Mr. John Shoup, of McKeesport,
Allegheny Co., accompanied by three
of his children, spent a few days in
town this week visiting friends, and
looking after his lumber interests in
this county.
—Prof. Peck organized a singing
class at Tidouite numbering upward
of seventy-five scholars, on Wednesday
last. He expects when once thor-
oughly under way to have about
sixty. The class in this place is pro-
gressing very nicely.

—Mr. Z. T. Carson, met with what
might have been a serious accident the
other day, while dropping a raft of
logs from Forge Island to the other
side of the river. As it is "Kil" only
sustained a severe bruising which has
been the cause of his limping around
for a few days with a cane.
—We are requested to state Messrs.
Geo. and John Osgood of Star P. O.,
are ready to settle all accounts against
the estate of the late Hiram Osgood.
Parties knowing themselves indebted
to said estate, or having claims against
the same will please make a note of this.

—Messrs. N. Lattin and R. W. Bac-
on have been stopping at Robt. Gui-
ton for some time buying pigeons.
From the numerous bags they have
carted to this place it would seem they
are making it pay, but you can't tell
much about it, as they have very little
to say.
—The Clarion Republican made its
appearance last week "tugged out" in
a handsome new suit from head to
foot. The Republican is now one of
the newest, spiciest and prettiest ex-
changes that come to this office. May
it continue to prosper and do noble
work for the party in Clarion county.

—Leetia R., daughter of S. C. and
Elizabeth Johnston, of Hunters Run,
aged 7 months and 3 days, died of
congestion of the brain, on Thursday,
March 11, 1880, after an illness of
eleven days. She was a twin baby,
and had always been a delicate child.
The parents have the sympathy of all
their neighbors and friends.

—The entertainment at the Law-
rence House last evening, by the Tid-
oute company was a pleasant surprise
to all who attended, and was far
beyond the expectations of the audi-
ence, and whatever it may have been
financially, it was a complete success
otherwise. The show abounded in
laughable and side-splitting sayings
and doings from beginning to end,
and the audience was kept in an
uproar of laughter all evening, and
when any local hits were made, of
which there were an abundance, the
house fairly shook with applause. We
should like to mention some of the best
jokes that were cracked—in fact, take
the programme and go through it,
making such comments as we feel it
deserves—but our time this morning
is too much limited. Suffice to say,
every performer did first class—much
better than was expected. We were
sorry the house was not more crowded,
but we believe the boys came out
whole, and that's all they cared for
this time, besides they have left a good
impression, and will draw a full house
should they conclude to repeat the
drama at some future time. One thing
we must not forget to mention, and
that is, the boys labored under great
disadvantage from lack of proper
stage room, curtains, etc. We bespeak
for them a crowded house should they
ever come back.

—The Hill Farm well is down over
800 feet and no third sand. Opera-
tions have been suspended for the
present, but will be resumed as soon
as Mr. Kepler can get his matters with
the company properly arranged, which
will not be longer than a week or two.
It appears that two members of the
company got frightened at the seem-
ingly slim prospect of a strike, and
hadn't the nerve to go on and give the
well a proper test, whereupon Mr.
Kepler bought out their interests, and
will go on with developments, just
as though nothing of the kind had
happened. Parties from whom he has
leased territory need give themselves
no concern, as Mr. K. has the "spon-
dulicks" and pluck to stick to it until
he strikes oil, or knows the reason why.
We feel confident that his pluck will be
rewarded by a good strike.

—It is reported that clouds of pi-
geons fly daily over Warren, but
whence they come and whither they
go is not exactly known; the supposi-
tion is, however, they come from the
beach woods in Old Forest, where they
have been feeding during the winter.
Thousands still flock at the approach
of twilight into the now well known
roost on Little Coon creek, this county,
and the distant, all-night peal of mus-
ketry winding warfare against the in-
nocent birds resembles the continued
crackling of a mighty electric current
as it springs from one conductor to
another.

—Most of the lumbermen have re-
turned from down the river, and bring
with them glad tidings of good prices.
Pine timber sells readily from twelve
to eighteen cents per foot, while boards
are in great demand at prices bid,
varying from fourteen to sixteen dol-
lars per thousand. Lumbermen are
somewhat reticent about selling at
these figures, and I think that in con-
sequence of the short run this season,
prices will be advanced to at least
eighteen dollars for good pine boards.

—W. W. Gaither, conductor on the
F. S. St. P. & C. R. R., who was shot
some time ago, by a drunken pedlar,
named John Clancy, in attempting to
put him from the train, died on Friday
last at his home, in Foxburg, Clarion
Co. Mr. Gaither ran the first train
over the new road, and was a man
highly esteemed for his accommo-
dating traits and kind ways. Clancy's
trial will come off at the next April
term of court at Clarion.

—A new grocery store has been
opened in the Acomb building, by
Messrs. Wm. Smearbaugh & Co. The
new firm will make it a business to
keep a complete supply of the very
best and choicest groceries, which will
be sold at a small margin. Their "ad." will
appear next week, and in the
meantime they invite their friends to
call and look over their stock, having
got fairly under way and being ready
to wait on all who desire anything in
their line.

—It is acknowledged by multitudes
who have been cured of liver com-
plaint, gravel, backache, headache,
palpitation of heart, &c., that Barosma
is the best remedy known. Prepared

Whig Hill Pebbles.
Rev. A. O. Stone is conducting a
series of revival meetings at this place.
Six are seeking their souls salvation,
and numbers have risen for the prayers
of the church. May the good begun
work go on until many shall be con-
verted.
Farmers are beginning to waken up
as the sun approaches the vernal equi-
nox, and the frost begins to leave the
ground. Messrs. C. F. Gillespie, and
George Klinefester, will stump the
greater part of their respective farms.
Mr. Barnes sold his timber to
Messrs. Root & Watson, for, I believe,
9 cents per foot. Mr. Eli Berlin sold
his to Mr. Dusenbury.
The educational association will
meet at this place next Saturday. A
good attendance is anticipated and the
programme as prepared will be carried
out to the letter.
Mr. R. Z. Gillespie will teach the
Newtown school next term. Newtown-
ers, we congratulate you in securing
Mr. Gillespie services in teaching.

Stewart's Run Bubbles.
Business on the Run is beginning to
assume more activity. The farmers
have stopped ploughing since the
ground has been frozen, but all ready
to commence as soon as there is a
thaw. For the last two years the far-
mers have made nothing, but with
increased acreage, better crops and
prices they hope to prosper.
There are many now complaining of
colds; indeed, those that our not
afflicted are the exception.
J. A. Dawson has been quite sick,
but is around again.
Mrs. Lyman Handy is quite feeble.
Quite a number are moving this
spring.
We have Mr. Joe. Hudleston for a
citizen of Forest again.
Prof. DeMunn moves to Neiltown.
Joe. Steimetz goes East of the
Mountains.
Rofe Copeland has moved to Craw-
ford Co.
Mrs. Metcalf and her mother have
moved back to the old homestead.
We welcome them again as neighbors.
Mr. Wm. Young is moving on the
farm of Mrs. Allender.
Mrs. Flora Wachter and Mrs. Julia
Ferry, of St. Petersburg, are here on a
visit among their old friends. We
are glad to see them again.
Mrs. J. I. Range will visit her
daughter in Kansas this month.
Jim McInture rejoices over a new
daughter. He calls it—well no matter,
he'll name it.
Our school closes this week. Miss
Kerr has given good satisfaction both
to parents and children.
We are to have Quarterly Meeting
at the Wesleyan church on next Sab-
bath. All are invited.
We hear it intimated that Harmony
will present some candidates for office
this fall; but time will tell.

—Ballou's Monthly Magazine for
April.—We do not wonder that this
magazine is so popular; for no one
can look over its contents or examine
and read it without being thoroughly
impressed with the fact that there is
no magazine in this country that can
show such a varied class of contents,—
such thrilling sea-yarns, domestic
stories, nice love-tales, excellent poetry,
beautiful engravings, well-written de-
scriptions, wit and humor, wise infor-
mation, and a little of everything that
can interest the most careless or criti-
cal reader. Published by Thomas &
Talbot, 23 Hawley St. Boston, Mass.

"STATE CAPITALISMS."
HARRISBURG, PA., March 12, '80.
For the past week the Riot Bill
cases have again been engaging popu-
lar attention. Considerable surprise
has been occasioned by the principals
entering a plea of guilty, and that
judgment be pronounced. Petroff,
one of the defendants who plead not
guilty was yesterday convicted, and
will be sentenced along with the others
on the 29th of the present month. The
trials of the others, I think, will be
abandoned, as the prosecution seem
satisfied to let the small fish go now
that they have convicted the larger
ones.
Mr. John Cessna, the new chairman
of the State Central Committee, has
named Mr. Lucius Rogers, and Mr.
Samuel Barr, as his secretaries, and
Philadelphia, as his head quarters,
which he will open about the middle
of June.
Our warm springlike weather, sud-
denly changed on Sunday last, when
it became considerably colder, about
two inches of snow fell when it again
became clear and warm. Twice
during the week we have had
several inches of snow, which, however
was unable to long resist the continued
warm temperature.
Owing to the prevalence of the small
pox in neighboring cities, our mayor
has issued a proclamation, calling on
the citizens to get vaccinated to pre-
vent it taking hold here. It would not
have been a bad idea while he was in
the humor of writing to call the atten-
tion of councils to the streets, which
are covered by about three inches of
mud, which I don't think is very con-
ducive to the public health.
WARREN.

—Peterson's Magazine for April is
already on our table, ahead as usual.
Every month, almost, this popular
lad's book has some new and special
attraction. The one this month is a
series of designs in embroidery, fur-
nished by the "Philadelphia School of
Art-needlework." One is for a tea-
table cloth, printed in colors; another
for the ends of towel, also printed in
colors; another for a pillow case, full
size; another, a beautiful Flower Al-
phabet for marking handkerchiefs;
besides a score of many other designs
in crochet and embroidery of all kinds.
The principal steel plate is a charm-
ing picture of a little girl, seated on
a bank, gathering grasses and early
flowers, on one of these windy March
days. Remember the price is but two
dollars a year, with liberal deductions
to clubs. Specimens are sent gratis.
Address, Chas. J. Peterson, 306 Chest-
nut St., Philadelphia, Pa.

DIED.
THOMAS.—At Philadelphia, Pa., March
10, 1880, Joseph R. Thomas, aged about
36 years.
Capt. T., during the Rebellion, was
in the army of the Tennessee, under
that staunch veteran, Gen. Geo. H.
Thomas. He was four years in the
service of his country, and never left
the post of duty until the war was
closed. In 1868, he came to Tionesta,
and remained here visiting his father,
the late Col. P. D. Thomas, and while
here became acquainted with many of
our citizens, and was respected by all
for his virtues and excellencies. Aply
may we say:
"How sleep the brave who sink to rest,
By all their country's wishes blest!
When spring with dewy fingers cold,
Returns to deck their hallowed mould;
Sho then shall dress a sweeter sod
Than Nancy's feet have ever trod!"
