

THE NATIONAL BATTLE

GARFIELD WINS IT.

The Presidential election is over and, praise the Lord, the country is saved. The Republicans have swept every northern State from Maine to California by overwhelming majorities; even Delaware looks as though she would slip over and help swell the ranks. The Republicans are confident that they have carried the following States: Colorado, Connecticut, Illinois, Indiana, Iowa, Kansas, Maine, Massachusetts, Michigan, Missouri, Nebraska, New Hampshire, New Jersey, New York, Ohio, Pennsylvania, Rhode Island, Vermont, Wisconsin. Up to this writing there are no returns from Nevada, California and Oregon to indicate the result. The electoral vote for Garfield in the conceded States foots up 205 which is 20 more than is necessary to elect. There is little doubt but that California and Oregon will go Republican. Let every Republican rejoice and be exceeding glad. Three cheers for Gen. James A. Garfield, our next President.

LATER.—Reports this (Thursday) morning confirm the above news, and General Garfield will have a very large majority of electoral votes.

THE PRESIDENT JUDGE.

Wm. D. Brown Elected.

A dispatch from Warren last night states that the entire county ticket is elected by majorities ranging from 500 to 1,100, and that Wm. D. Brown, Republican, is elected President Judge in the district by a majority of 175. Good for Warren county.

CONGRESS.

Up to the hour of going to press we could get no news from this Congressional district that would indicate who was elected. The result is very close and may take the official vote to decide.

LATER.—A dispatch from a reliable source announces the defeat of Gen. White by from 300 to 500 majority.

THANKSGIVING DAY.

Bad for Turkey.

WASHINGTON, D. C., November 1.—The following was issued to-day by the President of the United States of America.

Proclamation.

At no period in their history since the United States became a nation, has this people had so abundant and so universal reasons for joy and gratitude at the favor of Almighty God, or been subjected to so profound an obligation to give thanks for His loving kindness and humbly to implore His continued care and protection. Health, wealth and prosperity throughout all our borders, peace, honor and friendship with all the world and faithful adherence by the great body of our population to the principles of liberty and justice, which have made our greatness as a nation, and to the wise institutions and strong frame of government and society, which will perpetuate it. For all these let the thanks of a happy and united people, as with one voice ascend in devout homage to the giver of all good. I therefore recommend that on Tuesday, the twelfth day of November next, the people meet in their respective places of worship, to make their acknowledgments to Almighty God for his bounties and His protection and to offer to Him prayer for their continuance.

In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the city of Washington this first day of November in the year of our Lord one thousand eight hundred and eighty, and of the Independence of the United States the one hundred and fifth. By the President, R. B. HAYES. Wm. M. EVARTS, Secretary of State.

"DIDN'T I TOLD YOU SO."

All honor to little Forest! She has redeemed herself, and has once more elected the Republican ticket with the exception of one man, our old friend Amza Purdy, for Associate Judge. Mosgrove's majority was whittled down to a little over half of what he should have had on a strict party vote. The same can be said of Judge R. Brown. We have carried the county for Garfield by 55 majority over Hancock, and 89 over Weaver; elected E. L. Davis to the Legislature; N. S. Foreman County Treasurer; F. F. Whittekin County Surveyor, and Henry Church Corouer, all good and true men, in whom we are well pleased. Everybody worked hard and did themselves proud, Greenbackers and Democrats, as well as Republicans. We hope that among the individual voters, the several candidates and their friends, there have been no ill feelings or animosities stirred up but what will be speedily and effectually healed. So far as we are concerned we have endeavored to conduct the canvass with fairness and good feeling, and we think our readers will bear us out when we say we have succeeded. It pleased the Democrat to vent its spleen on some of the opposite candidates, yet its course failed to help its own candidates or injure the others, and its labor went for naught.

Of the defeated candidates we can speak only in terms of praise, knowing them all to be square gentlemen. We are very sorry for the defeat of Mr. Purdy, as he is a worthy old gentleman, and the honor and emoluments of the office would have done him good in his old age. Mr. Hill's personal popularity made up-hill work for the supporters of Mr. Purdy, and from the start his (Mr. Hill's) election seemed like a foregone conclusion, and he has the satisfaction of knowing that he has defeated one of the best men in Forest County.

A flood in the Clarion river took out of Barnett twp., between 60 and 70 voters, about 40 of whom were Republicans who didn't get back in time to vote; had it not been for this Mr. Davis' majority would have been over 50. Another fact should be taken into consideration, the opposite parties made the Assembly the fight, while the Republicans worked for all the ticket, and for all the efforts that were put in against him by the opposite parties, Mr. Davis made an excellent run, and would have run ahead of his ticket had it not been for these facts.

Mr. Quintain Jamieson, Chairman of the Republican County Committee, will please accept the thanks of the Republican party for the zealous efforts put forth in the campaign. And on behalf of the party we return thanks to the individual members for the noble work which they performed. May you be rewarded in the future.

WORTH ITS WEIGHT IN GOLD

What they say of it! A few facts for the people.—There are few preparations of medicine which have withstood the impartial judgment of the people for any great length of time. One of these is Dr. Thomas' Electric Oil. Read the following and be convinced:—"I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas' Electric Oil, and since then have had no attack of it. I would recommend it to all." A. Maybee, Merchant, Warkworth, writes, "I have used some hundreds of bottles of Electric Oil, and it is pronounced by the public 'one of the best medicines they have ever used'; it has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greatest confidence." Joseph Lusan, Township Forey, writes, "I was persuaded to try 'Thomas' Electric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit." A. M. Hamilton, Warkworth, writes, "For weeks I was troubled with a swollen ankle, which annoyed me very much. Mr. Maybee of this place induced me to try Electric Oil, and before one bottle was used I was cured. It is a most remarkable medicine. Sold by all medicine dealers. Price, 25 and 50 cents, and \$1.00. Prepared only by POSTER, MILLBURN, & CO., Buffalo, N. Y. Successors to S. N. THOMAS, Phelps, N. Y. For sale by G. W. Bovard, Tionesta, Pa. 53 c. o. w.
