

The Forest Republican.

J. E. WENK, EDITOR.

WEDNESDAY MORNING, NOV. 17, 1880.

GARFIELD'S official majority in Indiana is 6,540.

NOTWITHSTANDING the rumors that there are frauds in New York all good Democrats have come to the conclusion that Garfield will be the next occupant of the White House.—Venango Spectator.

THE official vote of the November election in Ohio was canvassed yesterday and showed the following result: Garfield, 375,048; Hancock, 340,871; Weaver, 5,456; Dow, 2,616. Garfield's plurality, 34,177; Garfield over all, 26,105.

FROM all parts of the country comes the cheering intelligence that since the late election business of all kinds is having a boom, and more especially is this observable in the iron trade. Orders are pouring into the furnaces and iron mills in large numbers in all sections.

THE following is going around as an item of the recent elections: Forest county was carried by the Republicans for the first time in its history.

This is not true. Forest county enrolled herself in the Republican column in 1868, and has since steadfastly maintained her position, with but one or two exceptions, and these were on "off years."

THE official vote of Pennsylvania has been received at the state department. It is as follows: President—Garfield, 444,704; Hancock, 407,428; Weaver, 20,668; Dow, 1,939; Phelps, 44. Auditor-General—Lemon, 442,335; Decker, 405,736; Roberts, 19,226; Turner, 1,898. Judge of supreme court, Green, 444,934; Jenks, 406,904; Calvin, 12,653. Garfield's majority over Hancock 37,276, over all 16,625. The vote shows a Republican increase over 1878 of 125,137; Democratic increase 110,448; Greenback loss 61,090.

The U. S. Senatorship.

The Venango Citizen speaking on the above subject, has the following: "The name of Lieutenant Governor Chas. W. Stone, of Warren, has also been frequently mentioned in connection with the Senatorship and his nomination and election would be hailed with joy by the Republicans of Northwestern Pennsylvania, and be especially satisfactory to the oil producing interests, whose cause he has always championed and who have implicit confidence in his integrity and ability to fill the position with credit to the State and honor to himself. He has had the experience which especially fits him for the Senatorship. As member of the General Assembly, State Senator and Lieutenant Governor he has shown great ability and adaptation in the performance of the duties which he would be called upon to perform if elected a member of the Senate. To this experience would be added scholarly attainments, fine ability as a lawyer and a thorough knowledge of men and the affairs of government, which he possesses to a remarkable degree. The Republicans of Northwestern Pennsylvania, always loyal in their devotion to the principles and candidates of the party, have never presented a candidate for the high position of U. S. Senator, know that they have in Lieutenant Governor Stone the man for the place and will, doubtless, urge his claims upon the Legislature at the coming session. We will have more to say upon this subject at another time."

We can heartily endorse the above nomination, believing that it would give eminent satisfaction to the Republicans of this section, and particularly those of Forest county, many of whom are personally acquainted with Lieut. Governor Stone, and know him to be eminently fitted for the exalted position of U. S. Senator. As the Citizen intimates, Northwestern Pennsylvania is squarely entitled to the office, having never presented a candidate, and there is no man that we know of who stands out so prominently as the man as does Gov. Stone, and it would be a big "boost" for this section to be represented in the United States Senate by one so closely connected with the interests of Northwestern Pennsylvania. We shall speak further on this subject hereafter.

Now that it has been judicially ascertained and decided that the Morey letter was a "vile forgery" and that its genuineness was sought to be established through perjury, we are anxious to know whether those editors who endorsed and circulated it will acknowledge their error. Judge Davis has "connected" Hewitt, Barnum, Randall and other members of the Democratic Committee with this infamous business, and condemns Hewitt more severely for his conduct than he censures Hart, the editor who first gave it publicity. Mr. Hewitt writes under the scathing denunciation of the court, but there is no escape for him. After the decision of Judge Davis, showing the dishonorable part taken in this matter by the "leading Democrats" above named, the censure of the *Com. Gazette* will be found not only justified by the facts, but warranted by the law as well as the morals of the case.—Pittsburgh *Com. Gazette*.

The Democrats hoped that the infamous Chinese letter would be dropped after the elections were over, but they were fooled, as the Republicans only began the work then and have succeeded in not only bringing the forger, Philp, to justice, but have shown such prominent and leading lights in the Democratic party as Abram S. Hewitt, Speaker Randall, Chairman Barnum and others to be deeply implicated in the iniquitous business. Our neighbors of the *Democrat* and *Commonwealth* both snapped at the bait and published the vile forgery just on the eve of election, and when they as well as all others who had given it any attention, knew it to be a base forgery. They did it in the hope of taking a few votes from General Garfield. Now that the whole matter has been proven to be such an infamous and villainous attempt to slander and belie President elect Garfield, we ask with the *Gazette*, will these editors who endorsed and circulated it acknowledge their error? We hope, for the sake of fairness and common decency among newspapers, they will.

THE NATIONAL CAPITAL.

SPECIAL TO THE REPUBLICAN. WASHINGTON, D. C., Nov. 11, '80. The counting being over, and the gains and losses of the late election having been figured up, it is found that the Republicans have gained so largely in the Senate, that the organization after March 4th, 1881, hangs upon the votes of Senator elect Mahone of Virginia, and Senator David Davis of Illinois. It is certain there will be 37 Republicans and 37 Democrats, unless Tennessee should elect an Independent, which seems now probable. Then it would stand 35 Democrats, and three Independents. From Maine to California, the claims of the various candidates for Senatorial honors to fill the vacancies caused by expiration of the terms of one-third of the Senate after March 4th, 1881, are discussed and put forward. In Maine, as successor to the venerable Senator Hamlin, the two most prominent candidates are Hon. Wm. P. Frye, sitting, and member elect from the second district, and the Hon. Eugene Hale, ex-member from the fifth district. It is almost certain that Colonel Frye will be the man.

Connecticut has two candidates in Hon. Joseph R. Hawley, sitting member from the first district, and Ex-Postmaster General Marshall Jewell. The chances for success are evenly divided. Either gentleman will be an honor to the State.

In New York, among the numerous candidates may be mentioned Hon. Levi P. Murton, John H. Stain, and Frank Hiscock, present members of the House of Representatives, General George H. Sharp, Thomas C. Platt, and Governor Cornell. It is admitted on all hands Senator Conklings' wishes will be respected and his candidate chosen.

Hon. George M. Robeson, present and member elect from the first district of New Jersey, will probably be chosen, there being no organized opposition to him.

Ex-Speaker Galusha A. Grow, and M. S. Quay, in Pennsylvania, are the candidates between whom the choice is said to be. The latter has the Cameron influence, the former has the pledges of nearly votes, enough to nominate him. Chances about equal. Ohio has many good men who desire to sit in Senator Thurman's chair. Governor Foster, Stanley Mathews, Judge Taft, General Beady, Secretary Sherman and I know not how many others, are pressing their claims. Neither of them will have a walk

over. Either would well represent the Buckeye State.

Michigan is not wanting in good candidates. Ex-Governor Bagley, Ex-Governor Baldwin, Governor Crossley, who will be Ex-Governor after January first, 1881, and Hon. John S. Newberry, sitting member from the first district are among the names that are being canvassed. It is admitted, even by his opponents, that Governor Bagley has earned and deserves the right to ask of his State the gift it can bestow upon him. The Michigan colony in Washington manifest great interest in the election, and almost to a man favor Gov. Bagley. They were surprised and disappointed that he was not sent here a year ago to fill the vacancy caused by the death of Senator Chandler.

Hon. John C. New and Gen. Ben. Harrison are much talked of to succeed Senator McDonald of Indiana. If Gen. Harrison is called to President Garfield's Cabinet, the former will doubtless be elected. His State owes him a large debt of gratitude for the services rendered in the late campaign, which resulted in placing it among the galaxy of Republican States. PHIL.

Notice to Bond-Holders.

Washington, November 10.—The following circular was issued by the Secretary of the Treasury to-day: "Notice is hereby given to holders of U. S. six per cent. bonds issued under the act of February 8, '61, and commonly known as the sixes of 1880, that the said bonds, with accrued interest thereon, will be paid at this department, December 31st 1880, and that the interest on said bonds will cease on that day. These bonds are in denominations of \$1,000 with coupons, and \$1,000, \$5,000 and \$10,000 registered, and the inscription 'loan of 1861,' but should not be confused with the bonds known as the sixes of 1881, issued under acts of July 17 and August 5, 1861, March 3, 1863. The holders of these sixes of 1880 are advised that if the bonds are received at this department within sufficient time prior to their maturity to admit of the necessary examination, payment therefor can be made more promptly at maturity. The department will receive bonds at any time and hold them for that purpose, redeeming them in the order of their receipt. All bonds forwarded for redemption should be addressed to the 'Secretary of the Treasury, Loan Division, Washington, D. C.' and all registered bonds should be addressed to the 'Secretary of the Treasury for redemption.' Where parties desire checks in payment for the registered bonds drawn to the order of any one but the payee, they should assign them to the Secretary of the Treasury for redemption for the account of (here insert the name of the person or persons to whose order the check should be payable.) The bonds of this loan, sixes of '80, will also be purchased in the meanwhile in the usual manner, at the office of the Assistant Treasurer of the United States at New York, each Wednesday, in such amounts as the surplus revenues will permit, providing they can be procured upon satisfactory terms."

What they say of it! A few facts for the people.—There are few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of these is Dr. Thomas' Electric Oil. Read the following and be convinced:—"I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas' Electric Oil, and since then have had no attack of it. I would recommend it to all. A Member of the Warkworth, writes, 'I have sold some hundreds of bottles of Electric Oil, and it is pronounced by the public 'one of the best medicines they have ever used.' It has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the greatest confidence." Joseph Busan, Township Percy, writes, "I was persuaded to try Thomas' Electric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit." A. M. Hamilton, Warkworth, writes, "For weeks I was troubled with a swollen ankle, which annoyed me very much. Mr. Maybee of this place induced me to try Electric Oil, and before one bottle was used I was cured. It is a most remarkable medicine. Sold by all medicine dealers. Price, 25, and 50 cents, and \$1.00. Prepared only by FOSTER, MILLBURN, & CO., Buffalo, N. Y. Successors to S. N. THOMAS, Phelps, N. Y. For sale by G. W. Howard, Tionesta, Pa. 33 c. o. w.
