-A double wedding took place up splendid profit, by country merchants, ina Cook. F. M. Church of this place, has at Nebraska, on Saturday last. The if they would only let the public know assigned to New Wilmington, high contracting parties were Mr. they keep them. By an doing a great nce county, Pa. The church Aaron B. Root, Jr., to Miss Lydia deal of money would be kept in town ave an earnest worker in Rev. Haslet of Green township; and Mr. instead of being sent away to Erich. Chas Dunham of Brookville, to Miss Butterick, Ridley, Adolph and others, Tennie Root of Green township. The -Ex.

ceremony was performed by H. W. Ledebur, Esq. The young couples, after a few days' absence, laid in stores and will immediately go to housekeeping like sensible folks. May they

enjoy the full blessings of trotting down life's rugged pathway in double harness.

-Dr. W. H. Grimm, and Mr. D. R. Wilkinson, of Beaver Falls, Pa, have been here for a week past, on a deer hunting expedition. They have had poor success thus far but have the grit to stick to it until they get a deer. The Doctor, on Monday, slayed a a most brilliant shot. It is we believe, known as the "short haired" species, bushy, more closely resembles that of a rat. It is, to say the least,

Doctor will have it seut to some emiwent taxidermist and have it "set up," or, if he don't feel inclined to do that we'll let him off if he will "set 'em up" to the boys before leaving. P. S .-Upon closer examination the animal

is thought, by experts to be closely John Galloway, the Stump Creek deallied to the cauine race. LATER .-Since the above was put in type these covery of a large producing field. es a good deal of nerve to bring gentlemen have returned home, having killed a fine buck fawn. They made too far from civilization to have any ustified in starving a wife, and many friends while here who will effect on the stocks at present. It is warmly welcome them back at any in the heart of a wilderness, eight miles

taking out timber on Fork Run, father's residence about two miles be so great as to bankrupt the owner Nednesday, which, if his upper from Tylersburg. The older brother of a fitty barrel well on ninety cent went to the "crossing," while the oil. In time it may be developed, but younger followed the trail to drive the so long as more promising fields of il coil. A limb fell about 30 deer in. Either the deer had crossed before the one brother arrived at the "crossing," or else he did not see it, for when his brother came along on bare. He is recovering all right the trail he slipped and fell, and the older brother mistaking him for the deer fired away, sending the ball nearly through his right thigh. Dr. McCormick, of Tylersburg was summoned ; also Dr. Blaine. The ball was found on the under side of the leg Operators soon find means of transit. and extracted by the doctors, who also found that the bone was uninjured as the fluid is there. Next week we will well as the blood vessels, so the man's probably be able to give a more defideliverance from such a close call was nite report.

The Fox Well.

The Derrick of Monday has an extended report of the new well on Blue Jay, at Fox's, but nothing definite has yet come to light as to the probable results of the new strike. It is thought this well has no connection with the Stoneham district, on account of the difference in the color of the oil, but is said to resemble that of Balltown very closely. It has not been torpedoed yet, but preparations are being made and it will undoubtedly be "shot" this week. Considerable interest seems to peculiar specimen of red fox, making be felt in the final results of the new venture, and this interest is not merely local but extends to the more promiat least the hair are quite short, and neut operators aud producers. The the tail instead of being long and Derrick's article concludes as follows "Opinions concerning the productiveness of the well differ greatly among a queer specimen, and we hope the leading operators. One gentleman who visited it on Wednesday, and has been in the oil business since the creek excitement, said it never would be a five barrel producer. A well known Brad ford operator was very cautious in his opinion, but was not sanguine, while tective, has a strong belief in the dis-

"But whatever the well may be it is fiom the first point of transportation, -Last Friday two brothers named with no roads or inhabitants. The Sim. Cogan met with an accident Shott went bunting for deer near their cost of operating in this field would five or ten barrel well swait the producer, he will not seek a fortune in the wilds of Forest county."

> Should the "Blue Jay" prove to be a good well we have no fear of a lack of operations. Where there is oil in paying quanities it is never allowed to languish in the bowels of the earth because the territory happins to be a little out of the way of transportation. What they want to know is whether
