Harrisburg on the main practical...

Discomfort.

Last week sees fit to criticize Repre-

Resolutions. The following preamble and resolutions were unanimously adopted by Prof. S. G. Smith's vocal class, after the Concert Tuesday evening of last week:

WHEREAS, We the members of the Tionesta music class, realizing the beauties and pleasures of song, the beneficial and elevating influence music has upon society and the high culture attained from a correct study and practice of it, and

WHEREAS, We have been during the last three weeks under the tutorage of Prof. S. G. Smith, of Girty, Armstrong Co., Pa., as our teacher in this great science of music and the art of its practice; therefore

Resolved, That our thanks are extended to the members of the Presbyterian congregation for the use of their church to hold our singings.

Resolved, That our thanks are also extended to the Commissioners of Harrisburg Co. for the privilege of holding our concert in the Court House.

Resolved, That a copy of these resolutions be presented to Prof. S. G. Smith, and that a copy also be handed to the editors of each of the county papers for publication.

Personally appeared before me Roy HARRINGTON, being duly sworn according to law, and deposes and says: That he is a resident of Miller Farm Station, Venango Co., Pa. That last spring he had a severe attack of Rheumatism in his limbs, and that he was entirely relieved by taking four doses of Wilson's Lightning Remedy for Rheumatism, and that he has not experienced any trouble from the disease since. He also states that he gave the remedy to a friend in the country who was very much disabled from the same disease, so much so that he was totally unable to work, and was bed-fast for a number of weeks, and that in his friend's case the medicine made a perfect cure in three days.

R. HARRINGTON. Sworn and subscribed to before me this 17th day of July, A. D. 1880. J. R. LUCK, Justice of the Peace.

adjournment of the House from 11 o'clock a. m., to 1 o'clock p. m., each day until further ordered. If any satisfaction can be given to the readers of that paper I will say that Mr. Davis voted "no," but failed to bear a single Democratic voice in union with his own. But the people need not fear, for as soon as the Committee report...

There is some feeling on the part of the members from the Northern tier counties—from Wayne to Erie, two counties deep—that the Speaker had overlooked them in not placing any of their number upon the Legislative Apportionment Committee, except Noble of Erie, who is a Democrat. For the purpose of rectifying the error Mr. Davis, of your county, offered a resolution to empower the Speaker to appoint two more members upon the Committee, explaining in a short speech the injustice done the sixteen counties, (which are Republican strong holds) by the omission; but it was defeated by a small majority, almost every Democrat voted against it, as well as the Republicans who were holding positions upon the committee.

Resolved, That our thanks are extended to the members of the Presbyterian congregation for the use of their church to hold our singings.

Resolved, That our thanks are also extended to the Commissioners of Harrisburg Co. for the privilege of holding our concert in the Court House.

The celebrated author, in this admirable Essay, clearly demonstrates, from a thirty years' successful practice, that the alarming consequence of self-abuse may be radically cured; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.
