Condensed Time Table Tionesta Station.

NOBTH. BOUTTE. Train 15..... 0:35 am Train 18..... 10:57 am Train 9 North, and Train 16 South carry the muil.

-Quarterly meeting will be held at the Free Methodist Church, commencing to-morrow (Thursday evening,) and lasting over Sunday.

-Rev. Hicks will occupy the pulpit of the M, E. Church next Sunday evening.

-Presbyterian Sabbath School at 3 p. m.; M. E. Sabbath School at 10 a. m., F. M. Sabbath School at 11 and withal is a most complete work. a. m.

- Only one week from next Tuesday till election day. Republicans, be up and doing.

-Mr. Robinson, of Greenville, Pa., brother of Mrs. G. S. Allen, is paying Townville News. (Grawford Co.,) has Tionesta a visit.

-Miss June Liggins of West Hickory, is visiting her young lady friends in Tionesta this week.

cipal of the Tidioute schools, spent the the general excellence of the paper. Sabbath in Tionesta with her sister, Mr. Rohr is capable of getting up a Miss Sue.

of our advertisers who find their "ads." omitted this week. The emissions are will not be his. You have our best unavoidable at this time, but the thing wishes, J. Lloyd. will not occur soor again.

-Mr. and Mrs. D. W. Agnew, who have been living at Oil Creek Lake bereafter be known as the Salmon this summer, returned to Tionesta on Saturday last, and expect to take up | This company expect to build in the their abode once more with us. Wel. neighborhood of 100 tenement houses come home.

-Mr. Amza Purdy of Green twp., was in town on Monday. He informs us that he beat Judge Proper a little on raising oats this year, having harvested 416 bushels from 12 acres. That beats the Judge 16 bushels.

-Smearbaugh & Co., have moved into their handsome new store room, and are ready to welcome their customors in fine style. The new room is a commedious one, and everything looks fresh and neat. Call and see them.

-Indiana Progress: Two scound cals. are now traveling collecting a tax on a patant gate, which is used to a considerbble extent by farmers. We advise our farmer friends to look out for them, and when they call and prefer their demands "bounce" them in n manner that will cause them to think lightning had struck in their vicinity. Give it to them rough ; they are professional dead beats.

-Baldwin's Railway Guide for October is on hand prompt and plump as usual. It contains, as one of its new features, correct and comprehensive time tables of all the new narrowguage roads in the Bradford region, Its editorials and selections are crisp and spicy, making it the most useful as well as enjoyable publications of its kind extant. Buy a copy-only 10 cents.

-J. Loyd Rohr's new paper the reached us, and for a starter it is good. It is a large eight-page sheet, with lots of reading matter, and sells for the paltry sum of one dollar a -Miss Lydia Evans, assistant prin- year, which is too cheap coasidering first-class newspaper if he wants to, --We ask the indulgence of those and if he keeps right on as he has started out and don't succeed the fault

-The Salmon Creek Lumber Co., has obtained its charter and will Creek Lumber and Mining Company. at their mills during the next six months. Mr. G. M. Kepler, the Superintendent, informs us that they have already expended \$20,000 a: that place, and expect to speud \$35,000 more in putting up the Extract works, which are expected to be finished by the first or middle of January. Two 60-horse power boilers for these works were taken up from this place lust Friday.

-As will be seen by relerence to a communication in this issue some of the citizens are determined to protect the pigeons, now coming into this sec--Republicans, stand your ground tion, from indiscriminate slaughter from this on till after election. Let while in the roosting grounds. This every man do his share and a sweeping is as it should be. We don't know victory will be ours. Our ticket is A whether any shooting has as yet been No. 1 in all respects, and no man need done, but it would seem that there has have any hesitancy in working for its been, which is wrong and ought to be stopped. If parties want the birds to -Dr. Gillett, one of the oldest, and roost or stay in this section, so that most successful and widely-known they can enjoy the sport of getting a physicians of this section of the few hereafter, they should not drive country, died at his home in Fraklin, them out by going into the roosting on the 19th inst. He will be long and grounds and shooting. We have been favorably remembered by many of our requested to state that the law on the subject will be enforced to the letter. -When you wish to know what the weather is to be, says an exchange, go out and select the smallest cloud you see. Keep your eye upon it, and if it paid their respects to the game about decreases and disappears it shows a state of the air which is sure to be followed by dry weather; but, if it iniently manage and keep from spoiling, creases in size, take your great coat with you if you are going far from tlemen congregated at the Central home, for falling weather is not far House parlors last Saturday evening, off. The reason is this: when the air for the purpose of crystalizing their is becoming charged with electricity intellectual energies into the form of a you will see every cloud attracting all lesser ones towards it, until it gathers into a shower; and, on the contrary, when the fluid is passing off, or diffusing itself, then a large cloud will be P. About Pigeons.

I understand that

-The November number of Ballou's Magazine w issued, and has such a table of contents that we do not wonder the publishers are proud of their work, and that the people are eager to read it. The first article is an illustrated account of an American family's. tour through Switzerland, in which is woven a thread of romance, love, and then follows a Thanksgiving story that will meet with approval as it is different from the general run of such tales. Published by Tomes & Talbot. 23 Hawley Street, Boston, Mass., at only \$1.50 per annum, postpaid.

THIS WILL PAY YOU .- We consult the best good of our readers in recommending them to now secure the valexposures of humbugs and swindling volume begins January 1, but those subscribing now for 1882 get the rest year ; four copies \$5 (English or German edition); single copy, 16c. N. B. -Those desiring can get an extra or double specimen number post-free for 10 ets., by addressing the Publishers, Orange Judd Co., 751 Broadway, New York.

-Peterson's Magazine is on our table for November ahead of all othors, and better than ever. It leads off with a charming steel engraving, ren minister for the present confer- Meyer Von Bremen, "Half Afraid." This is followed by one of those double size, steel fashion-plates, superbly colored, only seen in this unrivaled lady's book. Then comes another engraving, "Lacy Hall," illustrating an exquisitely told love-story ; and then some fifty wood-cuts of dresses, patterns in embroidery, &c., &c. There is also a superb colored slipper-pattern, for braiding, in crimson and gold. The principle article
