

REPUBLICAN STATE TICKET

FOR STATE TREASURER, GEN. SILAS M. BAILY, of Fayette County.
REPUBLICAN COUNTY TICKET.
For Prothonotary, &c., JUSTIS SHAWKEY.
For Sheriff, Capt. C. W. CLARK.
For Commissioners, H. W. LEDEBUR, J. S. HENDERSON.
For Auditors, G. W. WARDEN, J. A. SCOTT.
For Jury Commissioner, R. J. HILLARD.

VOTE FOR BAILY, SHAWKEY, CLARK, LEDEBUR, HENDERSON, SCOTT, WARDEN, and HILLARD.

DON'T be induced to split your ticket, Republicans, as by this means our enemies expect to defeat us. They can't do it any other way and they know it. Stick straight to the ticket.

FROM every corner of the county we hear the most encouraging reports for the Republican ticket. The Republicans are all astir and are bound to do themselves proud on next Tuesday.

VOTE FOR GENERAL SILAS M. BAILY for State Treasurer; the man of spotless character, against whom even the slanderous tongue of his political enemies cannot say aught.

VOTE FOR JUSTIS SHAWKEY for Prothonotary; he has been Prothonotary for three years, and has a record as an officer that stands before the people without a flaw. His character as a man is too well known to need mention.

VOTE FOR CAPTAIN C. W. CLARK, for Sheriff; the battle-scarred veteran of the war, who did glorious service for his country. A man of the strictest integrity, and spotless character as a citizen, and who will bring honor and credit to the office.

VOTE FOR H. W. LEDEBUR and J. S. HENDERSON, for Commissioners; both men of excellent business qualifications and sound judgment, who will take care of the county's affairs in a superior manner as they do their own.

VOTE FOR GEO. W. WARDEN and JAS. A. SCOTT for County Auditors; Men of honor and peculiarly fitted for the responsible position. Mr. Warden's acquaintances, regardless of party, will vouch for his fitness for the position, and his character as a man. Mr. Scott is too well and favorably known to the people to need recommending. Honorable and upright in all his dealings, and a man of more than ordinary ability.

VOTE FOR R. J. HILLARD for Jury Commissioner, and elect a straightforward, industrious christian gentleman. The office is by no means an insignificant one, and should be filled by a good man, and Mr. Hillard fills the bill.

LOOK OUT for campaign lies. They will be plenty from now till election day. Take no stock in them. It is an easy matter to set false rumors afloat just on the eve of election. The Republican candidates have been before the people for five months and if there is one iota against them the opposition have had abundant time to bring it out. This is evidence enough that there is nothing to bring out. Don't believe electioneering lies.

THE Wolfe men admit there is no earthly chance for the election of their self constituted candidate but that they will burst up the Republican party in Pennsylvania and elect Noble. This is a grand specimen of independent Republicanism.—Oil City Derrick.

A LIE NAILED.

A Report That is a Falseness on its Face Nipped in the Bud.

At the last Argument Court, October 28th, one of our attorneys made objection to certain business which had been done in the Prothonotary's office by the Deputy, Curtis M. Shawkey. The objection was that said Deputy was a minor and not a legal deputy, &c. The Court told the Attorney when the case was called up that there was nothing in it. Judge Brown did not make a formal decision of the matter and held it over for decision until next court. This is what Shawkey's enemies wanted. They started the report that there was a case in Judge Brown's hands that would set aside Shawkey's Prothonotary's business for the last three years. Now we denounce this as a base falseness; as a lie; a report that has a foundation of political lies. The people of this county know that Curtis M. Shawkey is a good and efficient Deputy, and we say to you that he is also a legal deputy, and the business he does as his father's deputy is legal. Judge Brown writes to Mr. Shawkey in this way: WARREN, Oct. 31, 1881.

Dear Sir:—The fact that your son, who is your deputy in the Prothonotary's office, is under the age of twenty-one years, cannot impair or in anywise affect the business of the office, and it is too absurd for any person to claim that it can. Yours Truly, Wm. D. Brown.

William D. Brown is our President Judge; he is the man who will decide that terrible case. Yes, that case that amounts to nothing; that is nothing, and means nothing but a political scheme. Now you see how this is. Vote for Shawkey; he is the officer that will take care of your interests.

Captain C. W. Clark, the Republican candidate for Sheriff of Forest county, is a man of the people. In military life he did his duty as a patriot, and in the long peace which has followed the bloody war that tried men's souls, like Cincinnati he has followed the plow and the peaceful pursuit of farming. Moving on to an old worn-out farm, by his industry, skill and perseverance he has made the barren fields that formerly bore the briar and the mullein stock, to change from desolation, and in the language of the inspired prophet, "has caused it to bud and blossom as the rose." He is one of the kindest neighbors and most peaceable citizens that Forest county contains—ever ready to help the needy, and assist in any cause that has for its object the welfare of the people. He has been a true and earnest Republican from the foundation of the party to the present time. Captain Clark—as well as every one of our candidates—is decidedly a working man. He has worked hard all his days and never complained of his lot. During his residence among us he has never borne, without abuse, the grand old name of "gentleman." Captain Clark, the brave soldier and model citizen will be elected by a handsome majority.

In the matter of publishing the Auditors' Report—upon which the Commonwealth still harps—a majority of the Board of Commissioners voted to pay \$50 to each paper, having thought that to be but a fair compensation for doing the work. Then they voted to publish in two papers only, those two papers to be the National Democrat and the Forest Republican. Then after this was done and the matter had been decided, one of the Commissioners presented a proposition from Mr. Dingman to do the work for \$25. These facts can be substantiated by the Board of Commissioners. If Mr. Dingman had been disposed to act square in the matter why was not his proposition handed in before any action or vote had been taken? No; he knew that \$25 was not a decent compensation for doing that work and he didn't want it for that price, but merely made that proposition thinking to subject the Commissioners to some embarrassment. This covers the whole ground and is all there is in it, notwithstanding Mr. Dingman's attempt to make political capital out of the matter, which the people understand fully.

County Commissioners.

Look out for lies and false reports about our candidates for County Commissioners. We have heard of none as yet, but understand that it is the intention to start them just before election, and we take this last opportunity to warn all honest voters against giving them any credit. Every one knows that just on the eve of election the most wholesale lies are set afloat to turn votes. Our candidates are well-known to the voters as honest, capable, straightforward business men. Mr. Ledebur, as Commissioner, has faithfully discharged every duty that has fallen to him, and has made a record which cannot be impeached. His experience in the office will be of great importance and benefit to the new Board, and the taxpayers have confidence in him, knowing that he will serve them well in the future as in the past, and the benefit will be theirs. Don't let any one persuade you that he has not been and will not continue to be a faithful and trusty servant of the people. The county entirely out of debt, and funds in the treasury, speaks more for Mr. Ledebur as one of the Board who brought this state of things about, than all this page could express.

Mr. Henderson, our other candidate, is a man whose ripe age, solid judgment and business qualifications recommend him to the taxpayers. He is one of our best farmers and business men, and comes right from the tax-paying class; has managed his own business well and can be trusted with the business of the county. But why need we speak of his fitness, when not one of his acquaintances—irrespective of party—will say other than that Mr. Henderson is a first-class man for that position. Give him and Mr. Ledebur your hearty support and rest assured that the affairs of the county will be carefully and economically managed.

For Prothonotary, &c.

Some one says Shawkey has been Prothonotary one term and that is long enough. We ask the voters of Forest county to look into this matter: Mr. Schoening is filling his third term as Prothonotary of Elk county; Mr. Reineman has been Prothonotary of Venango nine years; Mr. Waters, of Warren, nine years. Why is this? It is because the office of Prothonotary is an important one to the citizens of the county, requiring ability and practice, and familiarity with county business, and these men having shown that they possess those qualities are elected again. When a man comes to the Prothonotary's office to have business attended to he wishes it done in a way that he will know it is correct. Men who have learned the business can tell them about the matters in the office without trouble; without consulting lawyers; without having to take half a day to hunt for matters which they know nothing of and then perhaps tell them wrong. Mr. Shawkey has proved to the people of this county that he understands his business, and that everything connected with his office is in a business-like shape. Here is what a Warren county papers says about him:

A GOOD OFFICIAL.—We notice that the Tionesta REPUBLICAN, in speaking of the candidates of the Republican party in that county, speaks of the manner in which Justis Shawkey has discharged his duties as Prothonotary. We only refer to it to add our testimony to the faultless way in which the records are kept, and the kind and obliging manner of Mr. Shawkey. Among lawyers and professional men his reputation is the best, and the people of Forest county, irrespective of party lines, can do no better than to re-elect him next month.—Tidoute News.

The business men of Warren county know when the Prothonotary of Forest county does their business as it should be done and say so. Vote for Shawkey and rest assured that your business will be done correctly and that you can point with pride to the Prothonotary's office of your county as a credit to yourselves as voters, and an assurance that everything that comes through that office is according to the laws of business and of our land.

Republican Voters of Forest County.

As Chairman of the Republican County Committee I deem it necessary to say a few words to the Republican voters of Forest county, that we should in each and every township regard it as a duty which we owe to ourselves and the Republican party to sustain our ticket. There is no reason whatever for any honest Republican to vote against any man on the Republican ticket. The men nominated are our associates in upholding a common political faith. They are our brethren in one political family, who have stood shoulder to shoulder with honest Republicans in the battle for principle, and some of these in the fierce fight for the Union. Why, then, should any true Republican strike at any of these merely to gratify a Democrat or Greenbacker? It is on such a course that our enemies base their hopes of success. Our men, our candidates, our brethren as such in a political contest are certainly to be preferred to the candidates of any other party. They were made candidates by our consent, and therefore have a claim on us aside from the hold they have on us as a consideration of principles. We must stand by all these men, because in doing that we stand by our party, which, next to the country, is the dearest object for which a Republican can vote. Let us not, then, mistake our duty this year. The Republican party must stand by its integrity and it can only do this by being true to its candidates. H. S. BROCKWAY, Chairman.

FIGURES WON'T LIE.

Following is the official vote of the Greenback party in Pennsylvania for the years 1878 and 1880. The figures are correct and can't be disputed:

Table with columns: Counties, Mason, Gov., 1878, Weaver, Pres't., 1880. Lists 67 counties and their respective votes for 1878 and 1880.

Greenback loss in 1880 61,090. The above is strictly accurate, and copied from Smull's Hand Book, 1879, at pages 466 and 467; also from same book, edition of 1881, at pages 269 and 270. As a further exhibit showing the relative strength of the respective parties in Pennsylvania, we quote the following summary of votes cast in 1878 and 1880, from official returns of these years. See same book and same pages: 1880—Garfield, Rep.....444,704 1878—Hayes, Rep.....319,587 1880—Hancock, Dem.....407,428 1878—Dill, Dem.....397,060 1880—Weaver, Gbk.....110,308-gain 1878—Mason, Gbk.....20,938 61,090—Loss These are the conclusions, as sure as mathematics can make them, and are the unvarnished facts and figures. The only county in which there was a Greenback gain at all was Forest, it will be seen, and that was a gain of only 4 votes in 1880 over the vote of 1878. It will not do to claim that the Rep-

Again victorious at the Exposit'n at Melbourne, Aus. THE PHILADELPHIA JOURNAL OF COMMERCE says:—"At Melbourne they had an excellent opportunity of testing their powers beside those of every exhibitor in the world, and they came off conquerors over every other maker. Their highest award comes to them from a country whose reputation for this class of goods has for many years been above all others." They have been in the hands of shooters for the past sixteen years, and stood the severest test, and have won more laurels than any other gun, when brought in competition in the field or at the trap. At Coney Island this year, at the New York State Convention, the PARKER won the Pierce Diamond Badge and the Forest and Stream Badge for the best average, over nearly 200 competitors. back vote went over to the old parties on account of the Presidential election, because 61,090 of a loss to the Greenbackers will not make the difference of 125,117 Republican gain, and 119,368 Democratic gain.

THE Commonwealth of last week proceeds to "show up" the editor of this paper in, as it claims, a very unenviable light, but before proceeding in the matter it expresses its great sorrow at being called upon to do such a thing, &c., &c. It is true that we agreed to publish the report for \$50 provided it was published in the three papers, but did that agreement mean that we were to refuse it unless the Commissioners saw proper to publish in the three? we rather think not. That matter was for the Commissioners to decide, and when they decided to publish the report as it had always been done, it wasn't for us to say that we wouldn't have it. We entered into no such agreement. Now, then, who does this matter "show up" the worst,—the editor of the REPUBLICAN, who simply published the report as it was awarded to him by the commissioners, or Mr. Dingman, who wanted the commissioners to pay \$150 for a piece of work they could get done for \$100; and again; had the commissioners given Mr. Dingman the extra \$50 would he have growled about the extravagance, or would he have kept mum? "Mum" would have been the word with him, you bet.

JUDGE CHAS. J. FOLGER, of New York, has been appointed and confirmed Secretary of the Treasury, vice Mr. Windom, who resigned and has been re-elected to the U. S. Senate. Judge Folger is a man of great ability, and his appointment gives very general satisfaction throughout the country. Attorney General McVeagh has peremptorily declined to remain in his position any longer, which has subjected the President to no little embarrassment, owing to the condition in which his resignation leaves the Star Route cases. President Arthur has used his best endeavors to induce Mr. McVeagh to remain, at least until these cases were disposed of, but to no purpose, and the Attorney General's course is severely criticised by many of his warm friends.
