-Rev. Hicks will occupy the pulpit of the M. E. Church next Sunday evening.

-Presbyterian Sabbath School at 3 p. m.; M. E. Sabbath School at 10 a. m.

-To-day is a legal holiday.

-Washington's birthday and the first day of Lent.

-Mr. Guy Hecker, of Oil City, was in town yesterday.

-The County Commissioners will sell some valuable tracts of land next Tuesday.

-Miss Anna Haslett, of Irvineton, who has been the guest of Misses Marie and Anna Jackson during the past week, returned home yesterday. -If the groundhog which saw its

shadow on the 2d inst, does not begin his six weeks of winter soon he won't have time to get it through this season.

-The Y. P. L. S. will meet at the residence of Mr. T. J. VanGiesen. At the last meeting Mr. R. D. Hosk ins was elected Secretary for the ensuing term.

-Will Wanzor is the first to bring in a string of suckers this season. He caught 25 out of the back channel one night last week. Billy claims that suckers are more readily caught after night.

-The regular February term of court convenes next Monday, and although the trial list is small the greater part of the week will doubtless be taken up in going through it. Only one criminal case on the list.

-The creek and river are both on another terrible "high." Quite a number of rafts were run out of the creek yesterday forenoon, but in the afternoon the stream had swollen too

-The second quarterly meeting for FOREST COUNTY INDUSTRIES. 1882, Tionesta Circuit, M. E. Church, will be held at Nebraska; services to commence in evening of the 25th Feb., at 7:30, and the following morning, (Sabbath) at 10 o'clock. Rev. J. Peace, P. E., will conduct the services. All are cordially invited to attend.

-Chas. Raisig, Tionesta's boss wagou maker, has just received a lot of the Sarven patent buggy wheels, all grades, from \$7 to \$12 per set. This is as cheap as they can be bought from the regular dealers. When in need of anything in his line don't forget that you will always find him at his post.

-Mr. Orrin Sweet, who has for several years occupied the position of head sawyer on Russell's mill, at Bear creek, this county, has moved his family to Findlay's Lake, Chautauqua Co., N. Y., where they will live on a farm. Mr. S, we believe, will remain in his present position for some months yot, as Mr. Russell thinks he can't dispense with such an excellent sawyer.

-Mr. George Haslet, well known through out the three counties adjoining this, was here for a couple of days this week. Mr. Haslet has made Tionesta his home for several years, and is thoroughly indentified with all its interests. He is a very pleasant old gentlemen and full of historical anecdotes well worth listening to. He has been looking up some of his valuable property in Venango and Crawford counties .- Townville News.

-The Odd Fellows' fraternity of this place recently purchased the plot of ground immediately south of the upper cemetery, and will shortly lay it out in lots to be sold to all who wish to avail themselves of the opportunity of securing a family burial place. The Lodge is deserving of praise in this step, and the act will be more appreciated by the citizens generally as the years roll by, and the present burying ground becomes too small to contain the dead. The lot its population ; saw mills and other will be inclosed with a suitable fence, graded and otherwise beautified.

-We have received from the publishing house of I. K. Funk & Co., a large saw mill in operation at Cun-N. Y., a copy of their "Cyclopedia of ningham roads, as have W. Byron & Practical Quotations." This most ex- Co. The latter firm have the ground cellent and complete work has been cleared for the erection of a planing compiled by J. K. A Derrick reporter took a jaunt up through eastern Forest and picked' up the following very important items of news 1

streams, it is true, where rafting was run out on streams. But along the summit there is much timber land almost untouched .- Bonner & Co., are erecting a steam saw mill and tannery near the county line in Clarion county, not more than ten miles from Williams & Co. Mr. Bonner is a well known capitalist of Stoneboro. and intends making his works large and complete. He will employ fifty or more men on his traci .---- Campbell & Curl, of Clarion, are putting up a mill on their large timber tract in Forest county, where they have many millions of feet of pine to cut, and a large amount of hemlock, maple, oak and cherry. The Pittsburgh, Bradford & Buffalo road will begin the work of extending a branch for the convenience of this company shortly. -At Marienville several cars of lumber are shipped daily, and a guan-

tity of other freight. A large new station is being erected by the railroad company at this point, and a regular passenger train will run between there and junction, connecting with trains between Clarion and Foxburg in the near future. A daily mail, a greatly desired blessing of Marienville will then be established .---- A tannery will be built near Marienville in the spring, which will add materially to industrial works will also be located in the vicinity so the place bids fair to have a boom .---- Frost & Co. have

Spring Elections.

The elections in this borough yestorday were quietly disposed of, there being very little contest, as but one regular ticket was in the field. The citizens-Republicans, Democrats and

Greenbackers-met at the Court House Monday evening and placed a citizens ticket in the field, selecting men of all

The northeastern part of Clarion political complexions to fill the sevcounty and the middle and eastern eral places. This ticket was, o sections of Forest county are practi- course, considerably scratched before cally undeveloped districts, heavily it went into the ballot box, but on the timbered in most parts with valuable whole there was very little impression woods of commerce. Along the made upon it, and it went through with but slight chauge. The tickets practicable, a vast amount of the were printed with the names of two lumber has been cut and the product inspectors, intending that one should be "scratched" before voting. This a great many neglected to do, and in consequence the board threw out all the tickets thus voted-not merely the Inspector part of the ticket, but the entire ticket. Following is the ticket as elected :

Burgess, George Morgan ; Town Conneil, south ward, G. W. Bobinson, A. H. Partridge, O. W. Proper, north ward, T. B. Cobb, Patrick Joyce, Albert Grove; High Constable, John Muenzenberger; Constable, James Swailes; Judge of Elections, H. O Davis; Inspectors of Elections, P. M. Clark, H. A. Adams; School Directors, J. H. Dingman 3 yrs, D. S. Knox 3 yrs, Joseph Grove 1 yr ; Assessor, D. W. Clark ; Assist. Assessors, Chas. Bonner, D. S. Knox ; Auitor, F. R. Lanson; Overseers of Poor, J. H. Derickson, Eli Holeman.

Oil News.

Shriver & Wolcott will commence well on West Hickory for Dr. Shamburg this week, after which they will commence the Beaver Valley well, which will be about Monday next. It will probably not take over two weeks to complete the venture, and then look out for a good strike.

Clarion Democrat, Feb. 16: Dr Towler's well at Marieoville, Forest county, is down 1,300 feet. They expect to reach the oil rock at about 1,900 feet. ---- The Clarington well, at Clarington on the Clarion river, has filled up 200 feet with oil .- -- The well on the Strattan lands, in Millereek township, is making slow progress, but Monthly Magazine is out, and conthe indications are good for oil.

SHEFFIELD DISTRICT. Oil City Derrick, Feb. 20 : Clark & Armor's No. 4 will be completed this also many illustrated articles of great month. On Thursday they were drill- interest to the general render. Telegraphy ; besides the lanes already existing between Wheeler's Mills, Bowman's store, the station and Mr. Siggius' house, there is being put up another line, for which I have been told twelve instruments have been ordered. This has connects the houses of private families, and many are the young Indies whose dreams are disturbed by dots and dashes and dashes and dots as the hieroglyphical aipha-

bet runs through their brains. There has been a meeting announced for the evening of the 4th of March, at. Bowman's Hall, for all members of the Library Association and these wishing to become members. There will be an election of officers, and I trust many will choose to pay a dollar and thus become a member of this valuable association. The Library consists of about 70 volumes, including Chamber's Cyclopaedia, and judiciously selected works of fact and fietion, and more books will be added as funds permit. A lady in Portville, N. Y., speaking of their Circulating Library, said, "It has been worth a gold mine to us," and so I hope the Library will prove here, a mine from which is obtained not grosser metals. but pure thoughts, lofty aims and noble ambition.

But your patience will fail if I scribble much longer so lifting my pen from the paper I say, Good-morn-"NEPENTHE." ing. Feb. 20, '82.

Honor Roll.

Report of Primary department of East Hickory school for the month ending Feb. 17, 1882: Number enrolled 40; Names of those who were not absent during the month are : Boys-Irvine Allison, Alfred Anderson, Frank Henderson, Selden Kiffer, Glennie Bowman, Bertie Hillard, Hobert Hillard, Darrel Green, Herbert Green, Eddie Witheral. Girls-Lucy Anderson, Leotia Green, Delva Kiffer, Lydia Conelly, Myrtia Hall, Leona Bowman, Marilla Ball. Missed bot one day: Ella Siggios, Minnie Nurss, Plummer Siggins, Lester Bowman, Jimmie Stockion, Alonzo Arnold. ALWILDA ADAMS, Teachar.

-The March number of Ballou's tains a liberal installment of that very origeal and thrilling story called "The Clenched Hand :" and \$1.50 per annum, postpaid.

East Hickory Exhibit.

DEAR REPUBLICAN :--

Procrastination and vaccination have combined to hinder my account of the excellent lecture delivered here over a week ago, by Rev. L. M. Gilleland, of Tidioute. He talked to us of "Lonand we insist that, as an editor, we will find the link between monkey and don," that great metropolis of the world. We surveyed with him the wonders of the British Museum, the grandeur of St. Pauls; stood with him -Professor Tice, the discinguished ler's well, at Marienville, has resumed among the monuments of Westminis-Meteorologist and Weather Prophet drilling again, and will probably reach ter Abbey, visited the Palace and the of St. Louis, has issued his Annual the sand in three or four weeks, with Tower, and strolled along Picadilly, National Weather Forecasts for 1882, fair luck. When this well is finished Cheapside and many other streets with in which, besides foretelling the it is more than probable it will simply the names of which we have become weather for every day in the year, and rank with the numerous wildcat ven- familiar through Dickens' writings as well as through historical associations. which his predictions are based, he by ving considerable gas, a little oit in Mr. Gilleland speaks easily and withgives much other information con- a deep sand and a large quantity of out any of the stilted style often met cerning atmospheric phenomenon- salt water .---- By and by the touch of with in lecturers. He tells his friends the whole designed not only to give the railroad's iron fingers will be felt in a conversational manner the things the facts as to the weather, but to by all and the old landmarks, like the which impressed him in his travels, teach the masses the facts determining timber will fade away, and the forest and has the faculty of entertaining old will give place to farms and villages. and young alike.
