MAINE! MAINE!!

"THAT SAME OLD COON."

Democratic and Greenback Fusion Knocked Higher than Gilroy's Kite.

Republican Majority from 8,000 to 10,000.

The first gun of the season was fired in Maine on Monday. The victory is complete. According to the latest reports the Republicans have carried the State against Greenback Fusion, and Democratic Deception, by majorities ranging from 8,000 to 10,000.

THE Free Trade League of New York has given \$500 toward the election of Pattison as a campaign starter, and \$15,000 additional has been promised.

THE Republican Congressional Conference of this (25th) district met in Clarion Wednesday and nominated the only Republican in the district that knows enough to be a candidate for Congress--Harry White.

HARRY WHITE was formally nominated for Congress on Thursday by the Republicans of the Twenty-fifth district. General White did not vote for the river and harbor bill at the last session, because he was not a member of Congress.

DURING the past month the public debt was reduced over sixteen million dollars. These monthly statements of large reductions in the public burden have become monotonous, and are not properly appreciated, being looked upon as a matter of course rather than as the result of a grand system of finance that has caused the financiers of the old world to look with astonishment, and wonder how such grand results can be achieved, the work of wiping out the national debt going on silently but swiftly at a stupendous pace.

THE Franklin Independent Press speaks of Gen. White's nomination as follows: "Gen. Harry White was nominated as the Republican candidate for Congress from the Twenty-fifth district, in the conference which met at Clarion on Wednesday. The proceedings were transacted in open convention, and the nomination was unanimous. Gen. White was brought in and made an excellent speech, summarizing the issues of the day, which was vigorously cheered. His opponent will be J. D. Patton, nominated by a fusion of Democrats and Greenbackers. He will find himself 'mightily in the grass' before the harvest is gathered in."

ONE of Aleck McClure's recent enterprises discloses the dire distress of the Democratic cause in this State, of which he is the head champion, prophet and whooper-up. Some time ago he publicly announced that certain "Irish traders" had arranged to sell the support of the Land League and labor vote to the regular Republican ticket. This insulting roback call for an indignant denial from several prominent members of the League, and a demand for the facts. McClure promised that he would expose the scheme in ninety days. He will ask an "extension" when that time is up. The recent Labor Convention at Philadelphia knew what they were doing when they passed resolutions denouncing McClure as a liar and a coward for publishing these false statements about the workingmen. His reflection upon them, in which thirty thousand laboring men are branded by implication as a lot of purchasable cattle, only shows to what extremes of effrontery and slander a man may be driven in a bad cause.

STRONG FACTS!

A great many people are asking what particular troubles BROWN'S IRON BITTERS is good for.

Its wonderful curative power is simply because it purifies and enriches the blood, thus beginning at the foundation, and by building up the system, drives out all disease.

A Lady Cured of Rheumatism.

Baltimore, Md., May 7, 1882. My health was much shattered by Rheumatism when I commenced taking Brown's Iron Bitters, and I scarcely had strength enough to attend to my daily household duties. I am now using the third bottle and I am regaining strength daily, and I cheerfully recommend it to all.

Kidney Disease Cured.

Christiansburg, Va., 1882. Suffering from kidney disease, from which I could get no relief, I tried Brown's Iron Bitters, which cured me completely. A child of mine, recovering from scarlet fever, had no appetite and did not seem to be able to eat at all. I gave him Iron Bitters with the happiest results.

Heart Disease.

Vine St., Harrisburg, Pa. Dec. 2, 1882. After trying different physicians and many remedies for palpitation of the heart without receiving any benefit, I was advised to try Brown's Iron Bitters. I have used two bottles and never found anything that gave me so much relief.

For the peculiar troubles to which ladies are subject, BROWN'S IRON BITTERS is invaluable. Try it.

Be sure and get the Genuine.
