A Nut for Democrats.

It will be seen by the following Philadelphia dispatch that in trying so hard to make political capital out of the almshouse frauds recently unearthed in that city the Democrats have stirred up a hornets nest that promises to make things lively for them right along:

PHILADELPHIA, September 16.—The Democrats are greatly stirred up over the statement published to-day declaring Controller Pattison, their gubernatorial candidate responsible for the enormous thefts of the city cash, recently committed by Superintendent Phipps, of the Philadelphia almshouse. Chairman Henzel has planned to boss the big part of Pattison's claims to election on his record as city controller. Now, however, it is claimed that he has been violating the law openly for the last two years and it was altogether through this violation that Phipps and his confederates were enabled to make their wholesale robbery. The law requires that the controller shall countersign almshouse warrants only for contractors in person. Instead of doing that he has been countersigning them for any one who presented them. Phipps and his confederates kept presenting warrants, getting them countersigned and drawing the money without anybody questioning them. Now that Phipps has disappeared a number of almshouse contractors have rushed forward to get their warrants, only to find that through Pattison's violation of the law Phipps has drawn them and taken the money with him. It is also openly asserted that the head clerk in the Controller's office was found hand in glove with Phipps. A number of the prominent members of the bar have been interviewed and declare that not only can Controller Pattison's bondsmen be held responsible for whatever less the city may sustain in four suits which have already been entered against it by the defrauded almshouse contractors for his violation of the law and his oath of office, but he can be impeached and expelled from the controllership by the Councils. The Democrats are endeavoring to hush the matter up, but there will probably be a lively time over it before many days.

WHEN a professed Republican tells you that he supports the Independents to beat General Beaver this fall, it is high time to doubt the sincerity of his Republicanism. The defeat of General Beaver cannot possibly advance Independent reform, because if the Democrats were in power all the Independent reformers in the State could not persuade one Democrat to become a true reformer. Democrats are not that kind.

M'CLURE, of the Philadelphia Times, failed to intimidate the Irish voters by his charges that there had been an attempt to purchase them. The Irish strike back at M'Clure by asking him for the proofs. M'Clure made as great a failure in producing the proofs as he did in his attempt to intimidate them. M'Clure need not concern himself about the Irish vote. Irishmen in this country have the intelligence and courage to take care of themselves and vote as they please, and they will do it regardless of M'Clure or any other busybody.

THE Philadelphia almshouse thieves appear to have taken the exact measure of Pattison, the Democratic candidate for Governor. They kept right on swindling the city out of thousands of dollars, and Pattison certified to their accounts as Comptroller without a question. They could not have stolen a dollar from the treasury without Pattison's signature. Why did he not hold it and more carefully scrutinize the accounts? That was his sworn duty as Comptroller. He may be honest, but if he is he is not competent. A competent Comptroller would have detected Phipps' villainy long ago. Pattison let it pass until the Committee of One Hundred unearthed it. Phipps was smarter than Pattison. He can steal him blind, or rather Pattison was blind to Phipps' stealing.

ALEX. McCLURE must have an extraordinary stomach if he can digest the lies that have been crammed down his throat by the indignant Delaney and Condon. It is a pity to see a man like McCleure, in his old age, resort to meanness and lying to win his fight. The slander on the Land League, will act like a boomerang, and the party which it was intended to hit will go unhurt.—Greensburg Press.

THE Greenback State Convention of California last week nominated a woman, Mrs. Marion Todd, for Attorney General. Greenbackers must be getting scarce out there. Dennis Kearney announces himself as a Democrat this year.—Meadville Republican.

Pay Your Taxes.

We wish to call the attention of Republicans, especially, to the fact that not many days remain in which to pay State and County taxes, in order to secure their vote at the November elections. And in this connection we publish below, for the convenience of all, a list of the Tax Collectors in each Township, and would urge upon the Republicans to make it their business to see the collectors and learn if there are any delinquents on his book, and if so, to see that such delinquent pays before the 7th of October, as that is the last day. Don't neglect it. Following is the list:

- Barnett—Philo Williams. Kingsley—David Sutton. Howe—Hickory—Samuel Mervin. Harmony—C. E. Landers. Jenks—A. Brockway. Green—Wm. Blume. Tionesta—S. C. Johnson. Tionesta B'o—John Muenzenberger.

COUNTY COMMITTEE.

We also publish below a list of the Republican County Committee furnished us by Chairman Brockway, and would urge the members in particular to see that the matter of paying taxes is attended to in time, in their respective precincts. Don't neglect this important matter:

- Barnett—W. R. Coon. Green—Lyman Cook. Upper Howe—J. B. White. Lower Howe and Upper Kingsley—Jas. Welch. Upper Hickory—Wm. Brace. Lower Hickory—L. Koister. Upper Harmony—Chas. Griffin. Lower Harmony—John Thompson. Jenks—E. A. Yetter. Kingsley—John Osgood. Tionesta—Nick Thompson. Boro—J. E. Wenk.

PLAIN TRUTHS

The blood is the foundation of life, it circulates through every part of the body, and unless it is pure and rich, good health is impossible. If disease has entered the system the only sure and quick way to drive it out is to purify and enrich the blood.

These simple facts are well known, and the highest medical authorities agree that nothing but iron will restore the blood to its natural condition; and also that all the iron preparations hitherto made blacken the teeth, cause headache, and are otherwise injurious.

BROWN'S IRON BITTERS will thoroughly and quickly assimilate with the blood, purifying and strengthening it, and thus drive disease from any part of the system, and it will not blacken the teeth, cause headache or constipation, and is positively not injurious.

Saved his Child.

17 N. Eutaw St., Baltimore, Md. Gents:—Upon the recommendation of a friend I tried Brown's Iron Bitters as a tonic and restorative for my daughter, whom I was thoroughly convinced was wasting away with Consumption. Having lost three children by the terrible disease, under the care of eminent physicians, I was loath to believe that anything could arrest the progress of the disease, but, to my great surprise, before my daughter had taken one bottle of Brown's Iron Bitters, she began to mend and now is quite restored to former health. A fifth daughter began to show signs of Consumption, and when the physician was consulted he quickly said "Tonics were required," and when informed that the father was taking Brown's Iron Bitters, responded "that is a good tonic, take it."

ADORAM PHILIPS.

BROWN'S IRON BITTERS effectually cures Dyspepsia, Indigestion and Weakness, and renders the greatest relief and benefit to persons suffering from such wasting diseases as Consumption, Kidney Complaints, etc.
