—Mrs. T. B. Cobb arrived home last evening from an extended tour through the eastern cities. Misses Kate Cobb and Maude Davis are expected home to-day.

—Ed. Gillespie, who is tilling the soil on his father's farm near Union City, Pa., was home on a visit last week returning on Monday last. Ed. was looking as though Crawford county air agreed with him.

—The store of Messrs. Robinson & Bonner now presents a very handsome appearance, with its high ceiling, large glass front and fresh paint. It should be seen to be appreciated, so call around and take a view.

—Mr. Lawrence, of across the creek, raised a new barn on his farm last Saturday. About forty men were present and the frame went up "aboopin'." J. W. Tyrrel, one of our boss carpenters, is the architect.

—The Democrats held their primaries last Saturday and their convention yesterday. There was no opposition for any of the offices and the following ticket was placed in the field: Treasurer, T. P. Flynn; Surveyor, Cyrus F. Hunt; Coroner, Wm. Hood.

—Postmaster Arner is now comfortably settled in his new office, which is without doubt one of the neatest in the state for its size. The room is amply large, and the finish of the new boxes is elegant, and altogether things look very tasty about the place.

—Mr. Samuel Bonner of St. Louis, and Mr. R. Bonner of Armstrong county, paid Tionesta friends a visit during the past week, as the guest of Mr. Robinson's family. The former gentleman is the father of S. W. Bonner, so favorably known to our young folks.

—Everybody has got back into the traces from their Fourth of July hilarities, and to take their own word for it, all have had a glorious time. In Tionesta the day passed off very quietly, the dance in the evening being the only attraction, and that was a very pleasant success all round.

—The cows must go; at least they must go into the coop after nine o'clock in the evening after the first day of August next. The council passed an ordinance to that effect on Monday evening last, which the same can be seen in this issue. The next thing now on the program is to get a good lively Poundmaster, who will diligently watch matters pertaining to the "night-blooming bovine," and who will treat all with fairness and impartiality. Let every body take care of their stock at night and there will be little cause for complaint.

—Mr. M. Einstein, of Sheffield, is taking a jaunt through this section, looking pleasant and happy as usual. He will stay with Tionesta friends a few days. Morris reports business lively at Sheffield. —The 14th annual reunion of the 83d. Regiment Veteran Association, will be held at Tionesta, Forest County, on the 18th of Sept., 1883. By order of Ex. Committee. D. W. Clark, Chairman. Papers of North Western Pa., please copy. —Mr. Chas. Clark, son Sheriff Clark, is paying his parents and old friends in this section a visit, being accompanied by his wife and little boy baby. Charlie is looking natural, and his former associates here are glad to see him once more. He has a position in a large edged tool factory in the suburbs of Philadelphia. —On the 3d inst., while endeavoring to get some hay put up before it rained, Mr. Jas. G. Bromley, of Stewarts Run, received quite a severe stroke, from the effects of which he was confined to the house for several days. He is now better, but will hardly be able to do much harvesting this summer. —Wm. J. Spence, well known to many of our older citizens, especially those of Barnett township, died at his residence near Scotch Hill, Clarion county, on July 2d, 1883. He was born on the day of Perry's victory on Lake Erie, Sept. 10, 1812, and was consequently nearly 71 years of age at the time of his death. He was highly esteemed by his neighbors. —The committee appointed to make arrangements for the reunion of the 83d Regiment, met here the fore part of last week and decided on Tuesday, the 18th day of September as the most suitable time. It will now be in order for our citizens to begin looking after the preliminary arrangements, as it is going to be no small task to take care of the boys properly on that day, and Tionesta must not be behind in the matter. —Miss Kate Guenther, teacher of Church Hill School makes the following report for the month ending July 3: Number enrolled 16; average attendance 12; percentage of attendance 82. Those who were present every day during the month are, Earle Albaugh and Albert Shaffer. Those who were absent but one day are, Kate Andrews, Laura Church, Nellie, Jessie, Warren and Wilbirt Brace. Hammy Foreman was absent two days. —Dr. Jas. B. Siggins is home from Ann Arbor, Mich., and is receiving the congratulations of his large circle of friends. We are gratified to state that Mr. Siggins graduated from that eminent institution with high honors and is now a full-fledged M. D. We have not yet learned where he expects to locate, but feel safe in predicting for him a successful practice from the start; being a true gentleman he will win the confidence and esteem of the people wherever he goes. —Jim H. Hulings returned on Monday from Louisville, where he has been for the past three months looking after lumber for Tionesta parties. He reports the weather down there as somewhat warm, the thermometer ranging from 100 to 105 degrees in the shade for the past two weeks, yet strange to say, the papers report not a single case of sunstroke, although there were ten deaths from that cause in one day. Louisville is going to have a big exhibition soon, and they don't propose to scare the crowd away, don't you see. —Argument Court was held here Monday. The only matter of importance to our citizens was the hearing of the petition for the removal of the present town council. At a previous term the Court granted the petitioners a rule to show cause. Quite a number of depositions were taken and the evidence read in Court Monday, but his honor Judge Brown dismissed the petition at the cost of the petitioners, and filed an opinion the effect that the present board of borough dads was on the right track, with proper authority to proceed, &c. Thus ended the first chapter.

—The Republican Primaries on the 30th ult., passed off to the satisfaction of all, and although there was a small turnout, yet it was fully as large, if not larger, than we anticipated under the circumstances, there being no contest to bring out the vote. Six townships out of the nine were represented, which, for an off year was very good indeed. The ticket nominated is one which cannot help but be satisfactory to the party, and we feel assured it will be heartily supported by every true Republican in November. We will not particularize at present, but shall take occasion to speak of it individually as the campaign progresses. —On Saturday, June 30th, Jacob Wolf and daughter, Clara, who reside at Minister, a short distance above Kellettsville, on Tionesta creek, met with what came near being a fatal accident. They were driving in a buggy to Tionesta and when coming down the hill road leading into Ross Run from Whig Hill, their horse became frightened and ran away, demolishing the buggy badly and throwing the occupants out. Mr. Wolf sustained some very severe bruises about the right side, and for a time it was feared he might be seriously injured internally, but at last accounts he was getting along well. His daughter was also badly bruised about the head and face, but is now recovering rapidly. They were taken to the house of Mr. C. F. Gillespie and cared for until able to be taken home. The horse belongs to James Welsh of Balltown, and is rather a high-lived animal. He ran nearly half a mile, and the young lady was not thrown out until within a few yards of where the horse stopped.

Republican County Convention. TIONESTA, July 3, 1883. The Return Judges of the Republican Primary Elections from the several districts of Forest County met at the Arbitration Room of the Court House at 3 p. m. After organization by election of G. W. Osgeed as President, and P. M. Clark as Secretary, the votes of the various precincts were counted, and from the result it appeared the following persons were duly nominated, and declared by the Convention to be the nominees of the Republican party of Forest County: For County Treasurer, William Smeatman. For County Surveyor, H. C. Whittekin. For Coroner, Dr. J. W. Morrow. For Representative Delegate, N. P. Wheeler. Samuel D. Irwin Esq., was elected as Chairman of the Republican County Committee for the ensuing year. On motion it was resolved that this County instruct for B. W. Green Esq., of Emporium, Cameron County, for Senatorial Delegate. Adjourned. P. M. CLARK, Secretary.

The Glorious Fourth was celebrated at Whig Hill by a splendid Sunday School picnic. The people assembled at 10 a. m. A procession was formed near the M. E. Church and headed by the band from Albaugh Hill, which furnished excellent music for the day. The procession was ably marshaled by Mr. Geo. Hindman and marched to the residence of Mr. E. Berlia, where it was joined by the Newtown Sunday School and a large number of friends from many parts of the county. The procession now marched to the grove and the organized by electing Mr. J. Shunk President, and a number of Vice Presidents. Prayer was offered Rev. J. P. Hicks. The Declaration of Independence was read by Mr. R. Z. Gillespie, and addresses were delivered by Rev. J. P. Hicks and Mr. R. Z. Gillespie. The procession re-formed and marched to the tables, which were well supplied with choice provisions. The children's table was made a specialty under charge of Mr. C. F. Gillespie. Kind hands and loving hearts did all they could to make the little folks happy. The entire picnic was carried out in fine order and good feeling, and reflects much credit upon the people of Whig Hill. J. P. HICKS.

A Most Remarkable Case. Dying—yet living. Dr. Miller, of 129 South Fourth Street, Philadelphia, Pa., says: "I am personally acquainted with a middle-aged lady in Philadelphia, who had been given up to die by a consultation of many physicians. She was confined to her bed for months, and was momentarily expected to die. In this condition she took Marzani, and to the surprise and disappointment of all she recovered her health perfectly. Her case is reported in Dr. Hartman's Book on the 'Gift of Life,' 31st page. Ask your druggist for one, or address Dr. Hartman, Osborn, G.

OIL NOTES. After weeks of patient labor the tools have been taken out of the Tubbs Run well, and drilling commenced again. At last accounts there was still a piece of iron in the hole, but this will not hinder the drilling much, as it was expected about one day's bouncing would pulverize it. We may now look for the well to be completed in less than two weeks, provided they encounter no further bad luck. What the well will be no one has as yet given a guess. Very little of interest in the oil trade is occurring in the field, says the Derrick, and nothing is expected that will have any permanent effect on prices. This field dullness must continue so long as operations are confined to defined territory as they are now. Neither in Balltown nor on the Cooper tract, are any efforts being made to extend the developed territory. On the Cooper there does not appear to be any visible outlet for the pool beyond the cordon of dusters which has been drawn around it. Within the limits all the work is being done by three companies and one individual. At Balltown the Grandins, who own all the land where the pool can be extended, are contenting themselves with drilling inside the lines. On 5,236 they have one rig up and two locations between No. 9 and No. 3. One of the firm say they will not drill outside the wells which define the pool for several months. To the northeast the Gartlan well, on 3,195, will be of some importance if it should be a producing well, although its location is more promising for a dry hole. Dutch Oil Co.'s No. 2 is making ten barrels. Balltown Oil Company's No. 7, on 4, 821, and the same Company's No. 4 and 5, on 4,792, may be opened this week if the owners see fit to do so. No. 7 would have been opened Saturday, but Mr. Berry, on going to the well, found the engine stripped of all the brass fittings. It was supposed they were stolen but to-day it was found that a careful driller had removed them for safe keeping. There is no telling what the Balltown company will do, but any or all of these three wells might be opened this week. No. 7 is forty rods east of Welsh No. 2. Nos 4 and 5 are on 4,821, and surrounded on the south and east by producing wells. None of them will open new or extend the old territory. The latest from Balltown is that No. 7 was drilled three feet into the sand yesterday, and is flowing by heads making between two or three hundred barrels. Balltown Oil Co.'s No. 5 was expected in yesterday, and the owners intended to open it. They met with an accident, however, which prevented this. The cable broke, letting the tools drop into the hole. They fell a distance of 1,100 feet, and it is probable the hole is effectually plugged for some time.

SPECIAL ANNOUNCEMENT. We take pleasure in announcing that we have perfected arrangements with the publishers of the American Farmer that enable us to club that magazine with the FOREST REPUBLICAN at the low price of \$1.75 per year, a trifle over the price of the REPUBLICAN alone. This is beyond question the first time that a reliable agricultural paper has been offered at so cheap a price, and we trust all our subscribers will avail themselves of this unusual opportunity of securing a first class agricultural magazine. The American Farmer is beyond doubt worth three times the price, at which we place it. Try it. It is a monthly publication.
