—United Presbyterian services will be held in the Presbyterian church next Sabbath morning and evening by Rev. J. M. Witherspoon. All cordially invited to attend.

—H. J. Hopkins & Co., New Goods.
—Pay your State and County tax. Quick!

—Yesterday was cold and wet and dreary.

—Pay your taxes if you want a vote.

—The sear and yellow leaf season is here in all its pristine beauty.

—Capt. Stow Post, G. A. R., will hold its regular monthly meeting to-night.

—Oil Market closed last night at \$1.13 1/4. Opened this morning at \$1.14 1/4.

—Frank Taylor of the Derrick was a guest of Tionesta a few hours yesterday afternoon.

—D. W. Clark left for the Macksburg, Ohio, oil field Monday, to be gone several weeks.

—Republicans have you paid your State and County tax? Remember this is the last week.

—Miss Kate Cobb was quite serious ill on Monday, but is considerably better at this writing.

—Mr. Samuel Clark is able to be around again after a serious attack of sickness of two weeks.

—Mr. Orion Siggins of West Hickory, is on a three weeks' trip to Kansas and other western states.

—Mrs. Suie Sharpe, of Tionesta, is the guest of her cousin, Mrs. W. J. Bleakley.—Franklin News.

—Cider making is now attracting the attention of those who are fortunate enough to have the apples.

—Judge and Mrs. J. G. Dale took their departure yesterday for Cambridge, Crawford county, where they will visit a couple of weeks with friends and relatives.

—Mr. R. L. Haslet, of the energetic firm of S. H. Haslet & Sons, is the happy father of a bouncing boy which arrived at his domicile last Friday evening.

—The Erie M. E. Conference convenes at Sharon to-day. Rev. Hicks, who preached his farewell sermon in this place last Sabbath evening, is in attendance.

—Patrick Toomey, a farmer living near Black's Corners, Clarion county, dropped dead while preparing for his noon-time meal, on Tuesday of last week. Cause supposed to be heart disease.

—Mr. C. D. Baker spent a few days of the past week with Tionesta friends very pleasantly. Chat is always a welcome visitor here and we hope the attractions of our place will be sufficient to draw him hither often.

—Mr. H. J. Hopkins has been in the eastern cities for the past two weeks, and every body knows what that means. Look out for the fall opening of goods at the mammoth establishment of Hopkins & Co.

—Ab. Grove wants to rent a dairy to furnish lactical fluid for the Alderly calf he recently purchased from Robinson. What with the care of that calf, and watching the oil market, Ab. is becoming prematurely aged.

—A slight change in the time of trains on the river division of the B. N. Y. & P. Ry. took effect Monday. The freight and accommodation down in the forenoon, the afternoon passenger up, and the night passenger down are the only trains affected by the change, and they are only from one to ten minutes later. We will doubtless get the new time table soon enough to make the change next week.

—The Brookville Fair takes place this week. Quite a number of Forest's citizens will attend as usual, and will doubtless be well repaid for their time and expense, as we hear these fairs spoken of highly by those who have attended them.

—Two-cent letter postage is the go now. The new deal will doubtless have the effect to materially lessen the postal card business, as it costs but one cent more to send a sealed letter that cannot be read by Tom, Dick and Harry as it passes through the mail.

—The composers on the Derrick struck for an advance of 5 cents per 1000 ems on Monday. Since the new dress was hung onto the paper, it requires about three men to earn enough to keep one family, and it was either starve or quit, and the boys called it quits.

—Another match hunt is being arranged for next Saturday by our sports. Deer and pheasants will be on the list this time, which will doubtless add to the interest of the occasion. This will probably be the last hunt of the season and those who want to take it in should make it known.

—Mr. E. E. Clapp, of President is making preparations to sink several wells within about two miles of that place. He has carefully watched the developments in his section, and it is to be presumed has a moderately sure thing. There will be no royalety nor divys in that oil field, when it comes to the front.

—Deputy Prothonotary C. M. Shawkey departed Monday for a three weeks' trip to northern Kansas. During his absence P. M. Clark Esq. will wield the quill in the Prothonotary's office, and parties having any transactions there can rest assured that business will be carried on with customary promptness.

—Next Saturday, October 6th, is the last day on which State and county tax can be paid in order to secure a vote at the election in November. Republicans stop a moment and think? Have you paid your tax? If not, then go to the collector at once and pay up and take his receipt. Don't put it off another hour.

—The mill on Tubbs Run has been running for the past week and will doubtless steam up for steady work in a few days. Charles Whiteman and John Charlson have taken the contract of stocking the mill, and the former will move his family down, we understand, as soon as suitable buildings can be erected there.

—By bills posted in conspicuous places about town we see that a two days encampment will be held at Oil Creek Lake, October 4th and 5th. The bills state that the Grand Army Posts of Meadville, Titusville, Erie, Corry, Union City, Warren, Tidioute and Oil City have been invited, but do not include Tionesta. Whether the slight is intentional or otherwise dependent saith not.

—Mr. L. W. Hotchkiss died in Meadville, Pa., Sept. 26, 1883. Mr. Hotchkiss was a resident of Forest county for many years, his home being in the Gorman Settlement, near Neilltown. He was 52 years of age, and leaves a wife and two children, besides a large number of friends to mourn his loss. He had gone to Meadville some weeks previous for medical treatment and died while there, and was buried with Masonic honors, he being a member of that fraternity.

—By reference to our marriage notices it will be observed that our worthy townsman, Mr. Gus Carson, has taken unto himself a wife in the person of Miss Ettie Newkirk, one of Sandy Lake's popular young ladies. It is with pleasure we note this event, and with the same degree of pleasure we extend congratulations and best wishes to the happy pair in their new relation. May the sun of prosperity and joy every shed his rays brightly upon them, and may their days be many and pleasant.

—We heartily congratulate our friend P. M. Clark upon his admission to the Bar, during the last term of Court in this county. He acquitted himself before the Board of Examiners with great credit, and we have no doubt of his success in the active pursuit of his chosen profession. Mr. Clark is a young man of fine intellect and good habits; and whether he stays among us, or seeks other fields of conquest, we will always expect to hear of his continued prosperity as a lawyer. Mr. Clark was student in the office of Miles W. Tate Esq.

—It is desirable that somebody invite Sam Clark out to dinner on Thanksgiving day, as otherwise he may have to stob along on common grub. Sam had a turkey in training for that occasion, but the fowl has climbed the golden stair, flew up the flume, as it were. One does not mourn a turkey when it dies by violence, and is properly served up, but the premature taking off of a turkey by disease, occasions deep sorrow in a household. The voice of Samuel's lamentations is like unto that of Rachel weeping for her children, and he ceaseth not to mourn for the turkey which is not.

—The following officers of Tionesta Lodge, No. 369, I. O. O. F., for the ensuing term were installed on Tuesday evening:

- N. G.—R. Z. Gillespie.
V. G.—J. P. Huling.
Treas.—A. B. Kelly.
Sec.—G. W. Sawyer.
Ass't Sec.—R. L. Haslet.
R. S. N. G.—C. A. Randall.
D. S. N. G.—J. D. Dawson.
W.—W. Y. Siggins.
Con.—T. F. Ritchey.
I. G.—A. H. Dale.
O. G.—J. H. Fones.
R. S. S.—S. H. Haslet.
L. S. S.—Frank Gillespie.
R. S. V. G.—S. C. Johnston.
Representative to Grand Lodge—J. D. Dawson.

—The Buffalo, New York & Philadelphia Railroad Company will, on Oct. 10th, 1883, run an excursion from Eagle Rock, and other points on the River Division, to Niagara Falls, in order to give residents along the line of its road an opportunity of witnessing the second trip of the "Maid-of-the-Mist" through the famous Whirlpool Rapids. The first passage of this historic boat was so successful, and the public evinced so much interest in it (over 30,000 being present) that it has been deemed advisable by the management to send it through a second time. Adequate accommodations will be provided and every arrangement will be made for the comfort of the excursionists, and those who attend may depend on having a most delightful and profitable time at a very moderate cost. Don't forget the date.

OIL NOTES.

Quite a number of new wells came in during the past week in the Balltown district.

The largest well that has been struck in that section for some time is Howe No. 5, which put 2,200 barrels in the tank in 24 hours.

Howe 10 which is due this week, is located north of Howe No. 7, and also further north than Porky 10. It is likely to be a good well.

Howe No. 7 is also a large producer which was completed during the week.

The Hunter well near the depot at this place, has not yet resumed drilling, but will as soon as the tools, which are away undergoing repairs, get back, which will be some time this week.

Whig Hill Facts.

G. S. Hindman brought home a fine yoke of cattle the other morning.

J. E. Berlin brought his wife home on Tuesday last, and in the evening the Whig Hill Bell and Lung band came out in full force, and reminded him that his friends were pleased to have the opportunity to perform that part of the ceremony which generally comes to a newly wedded pair upon returning home; i. e., a good, lively serenade. Best wishes to you and your estimable wife. Hope you may conclude to settle permanently in our midst.

Mrs. A. B. Root and daughter, Mrs. Robert Russell, were the guests of Mrs. C. F. Gillespie one day last week.

John Watson was compelled to leave his buggy in Ross Run; 'cause a tree obstructed the public thoroughfare.

Squirrels are plenty; look out for a match hunt in the near future, but not with the Star boys, for they are too good shots for us. There can be no harm in acknowledging the truth, as past squier seasons have proven it to be so; so we succumb.

Dr. Smith was returned from his visit to friends in Ohio. By his appearance we judge a change of pasture has done wonders in the way of recuperating his health, for he returns to us with his cheeks aglow with the hue of youth. Long may he live to enjoy the beauties of nature and the bounties that are so good to strengthen

bodily appetites; such as are raised from our soil on Whig Hill.

Jesse Shrefler has rebuilt his house at Drone Hollow, and by so doing has added wonders to its appearance. Jesse has a taste for such things, as his well-kept yards, finely finished houses, &c., amply attest.

The village blacksmith is digging his potatoes; they have attained a "fungus growth."

Mrs. Faichney returned Saturday last after a protracted visit with friends and relatives in Warren, Pa.

Gellespie's sons and L. H. Barnes start for Union city, to-morrow.

Fred. Shrefler went to President to-day.

Joe Wuerzka dug over 150 bushels of potatoes, and husked 110 bushels of good corn. He is the only farmer on the hill who has ripe corn.

D. J. Beck has moved to this place from Balltown, and will occupy his residence on the Hickory road.

The people are gathering their apples. We will have a much larger yield than was at first expected.

C. F. Grove is working at Panther Rock.
Oct. 2d, 1883.

On motion of Miles W. Tate, Esq., S. D. Irvin, T. J. VanGiesen and J. B. Agnew, Esqs., were appointed a committee to examine the qualifications of P. M. Clark, a student at law, with reference to his admission to the bar. The committee having made examination of the applicant, reported favorably, and the report being filed, Mr. Clark was duly admitted and sworn.

Courts adjourned at 9 a. m., Sept. 29, until Nov. 1, 1883, at 2 p. m.
