Billy is a life resident of our county having been born and raised right among us, and he is fairly entitled to all he asks at the hands of the people and his party. Give him your support, and our word for it, you will never have the slightest cause to regret it.

Is our nominee for Corener. The honor of the nomination was unsought by the doctor, but the party recognizing his peculiar fitness for the position placed him upon the ticket, and it therefore becomes the daty of Republicans to stand by and assist in his election. The office of Coroner wants a man who is careful and critical, who when called upon to perform the duties of his office or hold an inquest, will sift every grain of evidence carefully, and probe every point to the bottom. SPECIAL ANNOUNCEMENT.

We take pleasure in announcing that we have perfected arrangements with the publishers of the American Farmer that enable us to club that magazine with the FOREST REPUBLI-CAN at the low price of \$1.75 per year, A trifle over the price of the REFUELI-CAN alone. This is beyond question the first time that a reliable agricultural paper has been offered at so cheap a price, and we trust all our subscribers will avail themselves of this unusual opportunity of securing a first class agricultural magazine. The American Farmer is beyond doubt worth Dr. Morrows strong traits of charac- three times the price, at which we place it. Try it. It is a monthly publication.
