

IN LINE AGAIN!

'THAT SAME OLD COON!'

THE DEMOCRATIC HOPE FOR 1884 ENTIRELY WIPED OUT!

The Goddess of Liberty Points with Pride to the Glorious Record!

The Country Once More Treated to a Glorious Bath of Revivifying Republican Sunshine.

The Eagle Once More Screams Over the Glorious Victory!

And the Little Democratic Rooster Rejoices Over Mississippi!

Another year has gone by and the people have just finished another battle of ballots. The victory for the Republican party seems at this writing to be complete, and the tidal wave that swept over the country last year, has turned about face and is now sweeping and rolling back over the course and as it passes the Republican majorities bob up serenely. Pennsylvania, Massachusetts, Connecticut, Minnesota and New York are all Republican by handsome majorities, while Virginia, New Jersey, Maryland and Mississippi, have gone Democratic as usual, but with greatly reduced majorities. Nebraska, also, remains with the Republican by a large majority. Pennsylvania's majority will be from 12,000 to 15,000. Thus it is the

Democratic bulk could only hold together one short year, and the question now is what will reformer Bob, do with his extra session? Col. A. K. McClure, editor of the Philadelphia Times, estimates the Republican majority in the State at 15,000 to 20,000. The Times says editorially: "Pennsylvania voted Republican yesterday, not because the people of the State have changed their convictions of purposes within the last twelve months, but because they are sickened with the abuse of so-called Democratic power at Harrisburg. That milestone has not only crushed out the Democratic party whose people honestly and earnestly desire honest administration, but it has crushed the reform power of this city and defeated Controller Page, after one of the most gallant fights ever made in Philadelphia. Pennsylvania has been literally torn from Democratic supremacy by suicidal Democratic hands, and the time is past when Democratic leaders can close their eyes and remain silent. Had Democratic power been faithful to the trust given it in generous confidence, Pennsylvania would have voted Democratic yesterday as surely as the setting of the sun, and the electoral votes or the State would have been settled in favor of a conservative and patriotic Democratic nominee, but madness or imbecility ruled the faction that gained accidental Democratic power, and the Democrats must now start their battle anew for 1884, broken in prestige and weighted with the pronounced failure of Democratic reform in the debatable and usually controlling State of the Union."

Forest county elects the entire Republican ticket by majorities ranging from 19 to 95, while the Republicans have greatly increased their vote and that, too, in an off year. Billy Smearbaugh is elected Treasurer by 19 of a majority. It was close, but considering what he had to contend with it is very satisfactory. One thing he may feel proud of and that is the vote he got at home where he was best known, and where his opponents were the bitterest. No candidate for as important a position has ever received a handsome majority in the borough. Billy feels duly thankful to those friends who stuck to him here as well as in the other portions of the county. They did nobly for him, and we can assure them he fully appreciates their efforts in his behalf. We can well and truly say, "well done." Now let all breathe easier.

Peruna. This medicine was introduced to the profession and to the public at large by S. B. Hartman M. D., in 1877 after he had prescribed it over 400,000 patients in almost every disease to which flesh is heir. It is wholly composed of numerous vegetable ingredients each one of which is acknowledged by the medical profession to be the most potent of all the herbal remedies known to medical science. But its great virtue is mainly attributable to the new and peculiar proportions in which the harmonious ingredients are combined and to the extreme care exercised in its manufacture using only the pure active principles, and excluding all that is crude or irritating. No one should go without Peruna.

A Miracle in Oil City. Doctors dumfounded—Druggists and the people wild with excitement. (From the Oil City Derrick, July 21st, 1881.) Miss Maggie Martin, of this city, has been ill and confined to the house for several years. Our best physicians failed to give her relief. She took Peruna and, to the astonishment of all who knew her, she is now up and about again. Mr. Simmons, the druggist, sold 184 bottles last week. He buys in gross lots. Mr. Cawell, too, sells it. Ask your druggist for Dr. Hartman's book—"Vital Life", gratis, or address Dr. H., at Osborn, O., for one.
