Dr. Burkett Withdraws.

To the Voters of Forest County:—Some time ago I announced my name in the FOREST REPUBLICAN as a candidate for Assembly, subject to the usages of the Republican Primaries. By reason of sickness in my family, an extensive and pressing medical practice, and for the general welfare of the Republican party, I have concluded at this time to withdraw my name as a candidate. I also take this opportunity to thank my many friends for the interest manifested by them in my behalf and their generous promises of support, which I hope to merit and receive at their hands in the future. DR. J. M. BURKETT.

Turn Out to the Primaries.

Once more we wish to remind all Republicans of the necessity of turning out to the Primary Elections next Saturday. This is important for the reason that all should have a voice in the selection of the ticket to be supported in the fall, and for the other good reason that a good vote prepares for certain success then. As before, we invite all those former Republicans who are opposed to and disgusted with the scheme set up by the ring leaders and wire-pullers of the other parties, to come back to their first love and vote with the party which allows all to express a choice in the selection of candidates. A hearty welcome will be extended to all such. Let us have a full vote out. Turn out and name your choice.

BEN BUTLER was nominated for President by the Greenback convention at Indianapolis last week. Ben has now got both eyes cocked for the Democratic nomination, but Slippery Sam of Cipher Alley, has about a dead sure thing on that.

Last Gasp of the Fusionists.

Just what the fellows at the helm of the two fusion sheets would give to get out of the controversy that has proven so damaging to the scheme they have laid out, is hard to tell, but that they are resorting to every means whereby they may be able to slink out of a fair discussion of the issue is evidenced by their pitiful yelps in last week's issue. The Democrat says simply nothing on the question at issue, and as our time is too much occupied for the present to give any attention to the tools and suckers that hang around Jake Kepler and do his dirty work for a pittance, we shall have to pass by the hogwash contained in that sheet last week. The editor of this paper has no desire to put himself way down on a level with such trash. And just bear it might be well to state that the "trapper" of the Commonwealth has laid a trap wherein to catch the honest voters of Forest county, and what do you think he's using for bait? Why the editor-in-chief of the Democrat! and whew, what bait!

We see by their papers last week that they have both come up to the scratch in one thing: they have been driven into publishing their party rules, a thing they never would have thought of doing only for the drubbing received at the hands of the REPUBLICAN. Now we want every voter who has read this controversy to read those rules carefully and compare them with the statements published in both those sheets immediately after the meeting of the "six smart alecks," where they say that "candidates for office cannot have their announcements published" &c.; then look at the rules where they say "candidates shall have their names announced," &c. Judge for yourselves who has been misrepresenting facts; we think the most skeptical will be convinced. Then they have the cheek to ask the conscientious voters of their respective parties to turn out and nominate candidates "in accordance with the rules, &c.," at the same time prohibiting candidates from letting the voters know that they are candidates. They should have invited the voters to turn out and nominate in accordance with the programme laid out by the "ring," for be it known the ticket is made; let no man be deluded on that point, and all the "joint convention," which they speak of, can do is to meet and ratify the thing as it is "set-up" by the bosses. Don't lose sight of this fact. It is safe to say to all aspirants to office on the fusion ticket, that, unless they happen to be solid with the bosses and have their smiling approbation, they had better save their time, as without the consent of the ring no one can be put on the ticket.

Let the wily fusion trapper of the Commonwealth give himself no concern about the manner of conducting Republican primaries; if you will only give the voters of your party as fair a chance in the coming contest to express their will and choice of candidates as do the Republicans there'll be no cause to growl. Your point blank refusal to publish announcements is a greater step toward trickery and bossism than any party organ ever took before. There is no telling what you'll attempt next.

Don't stay away from the Primaries next Saturday afternoon, Republicans. We want a full vote out. Every man has a right to vote for his choice direct, and that's the true way of nominating a ticket.

A STRAW vote was taken last night on a train coming to the city on the A. V. R. R. Walter Johnston, of Gill & Brothers, Liberty street, and Mr. Kepler, of the Forest National Democrat, were selected as tellers. Twenty-seven votes were cast, twenty-five for Blaine and Lincoln and two for Tilden. Kepler, the Tionesta journalist, and a colored gentleman declared themselves for Tilden.—Pittsburg Com. Gazette.

Here is another case of fusion for the Commonwealth. We suppose that sheet will see in the above instance another justification of its course in fusing with Kepler in Forest county.

It is important that all Republicans should turn out to the Primaries next Saturday.

D. LANCELL'S ASTHMA AND CATARRH REMEDY. Having struggled 29 years between life and death with Asthma or Phthisis, treated by eminent physicians, and receiving no benefit, I was compelled during the last five years of my illness to sit on my chair day and night gasping for breath; my suffering was beyond description. In despair I experimented on myself by compounding roots and herbs and inhaling the medicine thus obtained. I fortunately discovered this Wonderful Cure for Asthma and Catarrh, warranted to relieve the most stubborn case of Asthma in five minutes, so that the patient can lie down to rest and sleep comfortably. Please read the following condensed extracts: Mrs. W. T. Brown, Monroe, Texas, writes: "I suffered with Asthma 50 years. Your great remedy has completely cured me. Publish this for the benefit of the afflicted." C. S. Clark, Wakeeman, O., writes: "I certainly believe your remedy to be the best Asthma and Catarrh cure in the world. I have tried everything else, and all failed but yours. I wish your worlds success." C. A. Hall, Bashaw, Wis., writes: "I received your trial package and find invaluable, doing just what you claim for it. It is truly a God-send to humanity. No one can afford to do without it, who is suffering with Asthma or Catarrh." Such are the expressions of praise and gratitude received daily, and in addition, I will still continue my former proposition. Send me your name and address and I will forward you a trial package with return mail, free of charge. Full size box by mail, \$1.00. Sold by all druggists, Address, D.
