It is tolerably clear that Samuel J. Tilden's clothes won't fit Gov. Cleve-

AND now there is trouble in the A. Pryor's office.

ALL is not lost. Private Dalzell and Sergeant Bates refuse to flock with Carl Schurz. Carl must be getting pretty far down.

HARMONY! That is the word. If you don't know what it means, read a Democratic newspaper or an interview with John Kelly.

Some people are unkind enough to say that George William Curtis opposes Blaine in order to keep his job with the Harpers .- Blizzard.

THE Congressional Coference of this 25th, district has been postponed one week, and will take place on Tuesday next, July 8th, at Brookville.

"All is harmony," telegraphs John Kally to Sunset Cox and then he goes out behind the barn and sharpens his tomahawk .- Detroit Evening Journal.

As the summer days go by the Democrats of Indiana are making the pathway of Republican success so plain that we can almost count the

terms with Schurz.

Too BAD. The London Telegraph regards Mr. Blaine "as the foe of Great Britain." What a pity the Republicans did not nominate an enemy of the United States and a friend of Great Britain as their candidate.

THE New York Sun and the New York Star both say that Cleveland cannot carry the State. Most of the other Democratic papers, together with the disgruntled Republican contingent say that he can get more votes in the phia Times, Independent Democrat; State than any other they can nomi- the Chicago Times, a paper with nate. BEECHER cannot support Blaine. Would it not have been well for Beecher to have kept quiet and not have subjected himself to a comparison with the man he cannot support. There cannot be too much obscurity for a man with the smudgy reputation of the Brooklyn preacher.

THE Democrats! Will they skulk or will they declare for free trade? If they skulk, will the Independent freetraders support their candidate; or if odds? they declare their true sentiments, will Randall and the protection Democrats support the ticket? You may take either horn of that dilemma and be thrown.

THE New York Star notifies the Times that the Democratic party "does not propose to permit a handful of disaffected Republicans to dictate its Presidential nomination." > THE Democrats, in their various conventions, are just now very busy preparing tariff planks for their National platform. There are enough of them who dodge the question entirely as in New York, or declare against "for revenue only," or try to balance on both sides, to drive Watterson, Carlisle, Hurd, Morrison & Co. stark raving crazy. But since it has long been distinctly understood that a Democratic platform is only meant to catch gudgeons, and never to carry out in practice, what's the

A SOLITARY Mugwump was wailing his Lonesome Lot at being so Severely let Alone, when he was approached by a Liripoop, who said: "What seems to be the matter with you, my friend?" "Alas," said the Mugwump, 'I am a Republican with Democratic proclivities, and I can't beat my ideas into the heads of those who do not think as I do. Frinstance, I'm opposed to Blaine-" "Stop right there," said the Liripoop," "I am a Democrat with no principles whatever. I, too, am opposed to Blaine." "Shake!" cried the Mugwump and Liripoop in chorus, "Two of a kind!"

THE Democrats are just now rejoicing in the attempt to destroy one of the most honorably brilliant public men the country has ever produced, by presenting him as the "tattooed man." There was another kind of tattooing done when the cou- try was in peril, when brave and patriotic men stepped to its notes to confront the enemies of their country and conquered from serried treason, peace, union and freedom. The men who tattoo Blaine had no stomach for those tattoos; they preferred the midical certificate of disability, or a residence in Canada, and Biaine can stand their slushing of the slums if they can.

A Dangerous Counterfeit.

There are dangerous counterfeits in circulation purporting to be "Walnut Leaf Hair Restorer." The strongest evidence of its great value is the fact that parties knowing its great efficacy try to imitate it. Each bottle of the genuine has a fac simile of a walnut leaf -blown in the glass; and a Green Leaf on the outside wrapper. The "Restorer" is as harmless as water, while it possesses all the properties necessary to restore life vigor, growth and color to the hair. Purchase only from responsible parties. Ask your druggist for it. Each bottle warranted. JOHNSTON, HOLLOWAY & Co., Philadelphia, and HALL & RUCKEL, New York, wholesale agents.
