OUR COUNTY TICKET.

At this time, two weeks before election, a few remarks upon our County Ticket will not be out of place. Of our candidate for Congress, ALEXANDER C. WHITE, we have had frequent occasion to speak, and we can only reiterate what we have always maintained, that if our people want a man to represent them in Congress who is possessed of brains and ability, along with the strictest honor and integrity, they will cast their ballots for Mr. White.

PETER BERRY, The Republican candidate for Assembly, is a gentleman eminently qualified for the position both in point of ability and experience as to the peculiar wants of Forest county, having been a resident of the county for upwards of 15 years, during which he has expended much of his means and energies to the advancement and improvement of the same.

LEWIS ARNER, Is the Republican candidate for Associate Judge. For nearly fifty years Mr. Arner has been one of the hard-working men of our community. Scarcely a day passes over his head but that his hands find something at which to busy themselves. He is one of Forest county's steady-going, industrious citizens, and by always attending strictly to his own business has gained the esteem of all.

CURTIS M. SHAWKEY, Is the candidate for Prothonotary, Register, &c. Does Curt. need any introduction to the people of Forest county? We think not. Born and raised in her borders, he has shown to

the people what perseverance honor and integrity will do for a young man. Search the State over and we doubt whether a more competent or fit man could be found for the important position to which he aspires. The people of Forest county need not to be told that it is to their interest to have a man in the Prothonotary's office who is careful, painstaking and, above all, strictly accurate in keeping the records straight. Mr. Shawkey's eminent abilities to do this are known to every man who has ever had business to transact there; search where you may, you will not find a better or more artistically-kept set of records than those in the Prothonotary's office of Forest county. Curtis M. Shawkey is the man for the place, and we confidently believe the people will say so on the 4th day of November.

LEONARD AGNEW, Our candidate for Sheriff, is a gentleman well and favorably known to the citizens of Forest county. He enjoys the confidence and esteem of all good citizens, and none will say that he will not make the county an official in whom they will feel a just pride. He is clever and gentlemanly to all with whom he comes in contact; this all know who are acquainted with him. He is one of the boys who shouldered the musket and gave our year's gallant service in defense of his country. The boys who went through those trying times are fast dropping off, and it becomes them to stand together when a fellow comrade needs their help. Mr. Agnew's ability to fill the position honorably and to the entire satisfaction of the people will not for one moment be questioned, and all will acknowledge that he will make a faithful and efficient officer. A vote for Leonard Agnew will be a vote to place in office a man who will take pride in honorably conducting the same; one who will be a credit to both the county and himself.

FOR COUNTY COMMISSIONERS Our candidates are Messrs. J. R. Chadwick and George W. Osgood, both square, honest, reputable gentlemen. Mr. Chadwick is a man aged about 54 years, has had a world of experience in public matters, and is possessed of clear, keen and sound judgment; straightforward in all his dealings, and altogether a gentleman whom it is a pleasure to meet. Approach him on any subject and he can talk to you intelligently. A shrewd observer; a man who figures economically, and will make a first-class official. Mr. Osgood is a man in his 33d year; born and reared in our county, and having its every interest at heart he will exert every energy to promote its welfare; rest assured of that. Blessed with sound sense and a good heart he will prove himself a faithful servant of the people. His honor and integrity have never for a moment been questioned, and he to-day bears the esteem of all his neighbors and acquaintances, and he is in every way deserving of the hearty support of his party. With these gentlemen in the Commissioners' office the interests of the people of Forest county will be looked after carefully, faithfully and intelligently.

COUNTY AUDITORS. Quintain Jamieson and James A. Scott are the Republican nominees for Auditors. Mr. Jamieson is a young man of ability and clear judgment, well calculated for the position in every way. Mr. Scott has had three years experience in the office which will be turned to good account in the future. Nobody doubts his fitness for the place, as his past record has shown him to be.

FOR JURY COMMISSIONER Our candidate is Henry O. Davis. He has served a term in the position to the credit of himself and county. He will be re-elected and it is pleasant to know that we will have so good a man in that office.

This completes the County Ticket. In reviewing we have been careful to give facts, and we are perfectly confident our readers—those acquainted with the gentlemen mentioned—will bear us out in what we have said. The ticket is a good one and we are pleased to learn that it is receiving a hearty and earnest support throughout the entire county, and we confidently expect to record its triumphant election on the fourth day of November. Let us all lend a helping hand to that end.

SAMUEL TILDEN has written another letter, but it is just as obscure and ambiguous as his last one. Mr. Tilden should enclose a key with his next epistle.

Ohio's Majorities.

From the display of poultry in many of the Democratic papers over the result in Ohio it would seem that they have deserted Cleveland and mean to boom Blaine, else why crow so lustily over such a crushing defeat. They try to extract a grain of comfort out of the fact that West Virginia gave a Democratic majority of scarcely 4,000. We actually believe they will have the hardihood to come out and crow over Cleveland's defeat after the 4th of November. Why shouldn't they when they can bring out their roosters in the face of such magnificent Republican majorities as the following: James S. Robinson, secretary of state, 11,321; W. W. Johnson, supreme court judge, 15,450; C. A. Flickinger, board of public works, 17,476. The Republican majority on the vote cast for Congressmen is 18,418, which gives perhaps the best expression of the feelings of the people. This shows a gain for the Republicans over last year's vote of over 30,000 and of the year previous of more than 37,000. The most sanguine Republicans did not look for such magnificent results, and the Democrats are entirely welcome to every atom of comfort they can possibly extract from the situation. Grover Cleveland ought to withdraw; his cake is dough.

WE think Grover Cleveland ought to take to the woods.

CARL SCHURZ's influence over the German vote is like William II English's contribution to the campaign fund—it is nothing to nobody.

THE firing of one hundred guns in Albany over the Republican victory in Ohio must have been pleasant music for Cleveland.

CARL SCHURZ claims that he received no compensation for his speeches. Judging from the result in Ohio one would not naturally suppose he would have the cheek to accept anything.—Blizard.

POSSON JAMES FREEMAN CLARKE, of Boston, announces that he will continue to sit up with the Democratic corpse until the day of burial. Brother Clarke, it will be observed, is not afraid of ghosts.

CARL SCHURZ can't find words, either English or German, to express his feeling over the result in Ohio. We are advised that, after a dispassionate survey of the field, Mr. Schurz has reached the appalling conclusion that the country is heading straight to everlasting smash.

D. LANGELL'S ASTHMA AND CATARRH REMEDY.

Having struggled 20 years between life and death with Asthma or Phthisis, treated by the best physicians, and receiving no benefit, I was compelled during the last five years of my illness to sit on my chair day and night gasping for breath; my suffering was beyond description. In despair I experimented on myself by compounding roots and herbs and inhaling the same, and thus obtained relief. I fortunately discovered this Wonderful Cure for Asthma and Catarrh, warranted to relieve the most stubborn case of Asthma in five minutes, so that the patient can lie down to rest and sleep comfortably. Please read the following condensed extracts: Mrs. W. T. Brown, Monroe, Texas, writes: "I suffered with Asthma 20 years. Your great remedy has completely cured me. Publish this for the benefit of the afflicted."

C. S. Clark, Wakarusa, O., writes: "I certainly believe your remedy to be the best Asthma and Catarrh cure in the world. I have tried everything else, and all failed but yours. I wish your world's success."

C. A. Hall, Boshaw, Wis., writes: "I received your trial package and find invaluable, doing just what you claim for it. It is truly a God-send to humanity. No one can afford to be without it, who is suffering with Asthma or Catarrh."

Such are the expressions of praise and gratitude received daily, and in addition, I will still continue my former proposition. Send me your name and address and I will forward you a trial package by return mail. Free of charge. Full size box by mail, \$1.00. Sold by all druggists. Address, D. One person for Sheriff of Forest county. Three persons for County Commissioners for only two persons.

Three persons for County Auditor of Forest county, (each elector to vote for only two persons).

Two persons for Jury Commissioner of Forest county, (each elector to vote for only one person).

The act of Assembly entitled 'an act relating to the elections of this Commonwealth,' passed July 2, 1819, provides as follows, viz:

"In case the person who shall have received the second highest number of votes for inspector shall not attend on the day of election, though the person who shall have received the second highest number of votes for Judge at the next preceding election shall act as inspector in his place. And in case the person who shall have received the highest number of votes for inspector shall not attend, the person elector shall attend, and in case the person elected Judge shall not attend, then the inspector who received the highest number of votes shall appoint a Judge in his place; and if any vacancy shall continue in the board for the space of one hour after the time fixed by law for the opening of the election, the qualified voters of the township, ward or district for which such officer shall have been elected, present at the place of election shall elect one of their number to fill such vacancy."

I also give official notice to the electors of Forest county, that by an act entitled 'An Act further supplemental to the act relative to the election of this Commonwealth,' approved Jan. 30, 1874:

Sec. 9. All the elections by the citizens shall be by ballot; every ballot voted shall be numbered in the order in which it shall be received, and the number recorded by the clerks on the list of voters opposite the name of the elector from whom received.

And any voter voting two or more tickets the several tickets so voted shall each be numbered with the number corresponding with the number to the name of the voter. Any elector may write his name upon his ticket, or cause the same to be written thereon, and attested by a citizen of the district. In addition to the oath now prescribed by law to be taken and subscribed by election officers, they shall severally be sworn or affirmed not to disclose how any elector shall have voted, unless required to do so as witnesses in a judicial proceeding. All judges, inspectors, clerks and overseers of every election held under this act, shall, before entering upon their duties, be duly sworn or affirmed in the presence of each other. The judge shall be sworn by the majority inspector, if there shall be such minority inspector, if not then by a justice of the peace or alderman, and the inspectors and clerk shall be sworn by the judge. Certificates of such swearing or affirming shall be duly made out and signed by the officers so sworn, and attested by the officer who administered the oath. If any judge or minority inspector refuses or fails to swear the officers of election in the manner required by this act, or if any officer of election shall act without being duly sworn, or if any officer of election shall certify that any officer was sworn when he was not, it shall be deemed a misdemeanor, and upon conviction, the officer or officers so offending shall be fined not exceeding one thousand dollars, or imprisoned not exceeding one year, or both, in the discretion of the court.

Sec. 11. It shall be lawful for any qualified citizen of the district, notwithstanding the name of the proposed voter is omitted on the list of resident taxpayers, to challenge the vote of such person, whereupon the proof of the right of suffrage as is now required by law shall be publicly made and acted upon by the election board and the vote admitted or rejected, according to the decision. Every person claiming to be a naturalized citizen shall be required to produce his naturalization certificate at the election before voting, except where he has been for five years consecutively a voter in the district in which he offers to vote; and on the vote of such person being received, it shall be the duty of the election officers to write on the certificate the word 'voted,' with the day, month and year; and if any election officer or officers shall receive a second vote on the same day, by virtue of some certificate, except where same are entitled to vote because of the naturalization of their names, they and the persons who shall offer such second vote, shall be guilty of a misdemeanor, and on conviction thereof, shall be fined or imprisoned, or both, at the discretion of the court; but the fine shall not exceed five hundred dollars in each case, nor the imprisonment one year. The fine imposed shall be inflicted on conviction on the officers of election who shall neglect or refuse to make or cause to be made the endorsement required aforesaid on said naturalization certificate.

Sec. 12. If any election officer shall refuse or neglect to require such proof of the right of suffrage as is prescribed by this law, or laws to which this is a supplement, from any person offering to vote whose name is not on this list of assessed voters, or whose right to vote without requiring such proof, every person so offending shall, upon conviction, be guilty of a misdemeanor, and shall be sentenced for every such offense, to pay a fine not exceeding five hundred dollars, or to undergo an imprisonment of not more than one year, or both, at the discretion of the court.

I also make known the following provisions of the new Constitution of Pennsylvania:

ARTICLE VIII. SUFFRAGE AND VIOLENCE. SEC. 1. Every male citizen twenty-one years of age, possessing the following qualifications, shall be entitled to vote at all elections:

First.—He shall have been a citizen of the United States at least one month.

Second.—He shall have resided in the State one year, (or, if having previously been a qualified elector or native born citizen of the State he shall have removed therefrom and returned, then six months,) immediately preceding the election.

Third.—He shall have resided in the election district where he offers to vote at least two months immediately preceding the election.

Fourth.—If twenty-two years of age or upwards, he shall have paid within two years a State or county tax which shall have been assessed at least two months and paid at least one month before election.

Sec. 2. The General election shall be held annually on the Tuesday next following the first Monday of November, but the General Assembly may, by law, fix a different day, two-thirds of all the members of each House concurring thereto.

I also give official notice of the following provisions of an act approved the 10th of March, 1881, entitled 'An act relating to the mode of voting at all the elections of this Commonwealth.'
