House bill to apportion the Congressional districts suits better than the one offered in late. It places Forest in the sixth district, as follows: Venango, Forest, Warren, McKean, Potomac, Bradford and Sullivan.

MURPHY.—A number of abominably blue temperance of Pittsburgh are fighting is Murphy because he doesn't stick in and tie to the disreputable John and his political friends. Why is it that all reform movements invariably get hung up as sharp?—Tidiot's News.

BEECHER is reported to have in his sermon last Sunday, "Of deadly instruments there is none carries so deadly a poison as the lie." Mr. Beecher ought to know; here is no man who flung about leadenly poison of a lying tongue so carelessly as he within a year. His Nemesis overtaken him, and remorse prey upon him so mercifully as to wring from him this cry, the wail of a lost soul? Either this is the explanation or Mr. Beecher exhibiting an instance of the most astounding hypocrisy on record.

The free trade Democrats have on their ground and hence forward, they act looking to the protection of industries to maintain the wages labor is to be called monopoly, exact looking to the revival of our shipping is to be called corrupt subsidies. Our commerce is to be extended foreign countries in our own ships cheapening our own workmen and ours of living labor to that our competitors and every attempt do it otherwise is to be denounced corruption. They expect to carry a country to free trade and its logical consequences, as they carried the residency; by determined, deliberate, malignantly systematic lying.

EMORY SPEAR is a loyal Georgian but refused to do the behests of the fourbons of his party when he was appointed United States District Attorney, and instead of shielding a lot of scoundrels charged with violating the election laws, proceeded to prosecute them, and convicted seven of them, five of whom afterward confessed their guilt. The Democrats have never owned him as a Democrat since, and apparently will never, no, never, forgive him. On Monday of last week the President sent his name to the Senate for confirmation as a United States District Judge for Georgia, and the Democrats fought the nomination bitterly. Whether they can beat him does not yet appear.

SENATOR VEST, of Missouri, has been considerably boomed by the Democracy of late as the coming great man of the United States Senate. His language in debate the other day while pleading the cause of his friends, the Oklahoma boomers, in which he looked fierce and said in effect, that if the Government did not cease its interference with them it would have war on its hands, is a fair measure of his probable greatness when tested. Mr. Vest should have noted the fact long ago, that the American people do not scare worth a cent at threats of war. A little experience of that same which his party had some twenty-five years ago, and its results, ought to have taught him better sense than to talk that way. We fear Senator Vest is being measured, and the conclusion reached that he is not large.

FOREST COUNTY, SS: We the undersigned Auditors of Forest County, do hereby certify that we met at the Commissioners' Office, in said County, according to law, and did audit and adjust the several accounts of the Treasurer, Sheriff, Prothonotary, and County Commissioners, for the year ending January 6, 1885, and find them as set forth in the foregoing report. We find the Commissioners erred in paying the bills of about (25) twenty-five witnesses, who with the same Plaintiff, received pay for the same time in from two to five separate suits, but the Auditors exonerated them, as they were not at fault. In testimony, whereof, we have hereunto set our hands and seals this 23rd day of January, 1885.
