LOCAL AND MISCELLANEOUS.

Condensed Time Table Tionesta Station.

Table with columns for NORTH and SOUTH, listing train numbers and times.

—Preaching in the Presbyterian Church next Sunday morning and evening, by Rev. Hickling. —Preaching in the M. E. Church next Sunday evening by F. M. Small.

—The trout parties have met with very adverse luck so far this season. —Mr. Jacob Wagner, of this township, lost a valuable breeding mare last week.

—F. W. Lamey closed a successful term of school in the Haddleson district, this township, last week. —Chas. Peterson, who lives across the river, near Hunter's grist mill, got a new boy at his house Sunday.

—Now is the time to catch the trailing arbutus, the earliest and sweetest of all flowers in this latitude. —Mrs. Huddleson, of Tionesta township, is lying very low at her home. She is about 80 years of age.

—Dr. W. L. Chrisman, of Eldred, Pa., was here looking after his Forest county interests Monday and Tuesday. —Mrs. W. C. Bromley, of Stewarts Run, has our best thanks for a jar of most delicious home-made maple syrup.

—Mr. W. J. Roberts of our town was called to Westfield, N. Y., last week to attend the funeral of his aged father. —With few exceptions, all kind of root crops buried in pits last fall, have been rendered totally useless, by the severe freezing of the past winter.

—By reference to the proper corner it will be observed that Hon. John A. Proper is announced as a candidate for Associate Judge, subject to Republican usages. —Mrs. Geo. Holeman received the sad intelligence by wire Monday of the death of her father, of Richmond Centre, Ohio. He had been sick about six months.

—Ed. Gillespie departed for his Crawford county farm on Monday, taking with him his spanking team, the combined weight of which is 3,300. Luck to you, Ed. —Shade Tipton, a prominent and highly respected citizen of Tidouste, died in that place last Friday morning, after a long and tedious illness. The place loses a valuable man.

—Supt. Hillard reports that in five of the Spring Examinations already held there have been 50 teachers examined. This is perhaps the largest percentage ever shown in this county. —Mr. A. B. Hoyt who has moved to town within the past week and occupies part of the Forest House, was delighted by the arrival of a nice girl baby at his domicile Sunday evening last.

—Mrs. T. B. Cobb is away visiting her daughter, Mrs. T. D. Dunn, at West Chester, Pa. She will also meet her little grand-daughter that arrived at the Doctors's domicile a few days ago. —The "peep frogs" have thawed out sufficiently to make themselves heard. But according to the old tradition they must thaw out three times before spring comes, which will require two more freezes.

—Among the ice piled out on West Hickory flats by the recent gorge was one cake which measured a trifle over seven feet in thickness. This was a "specimen brick" of the open winter now drawing to a close. —Ex-Co. Commissioner Ledeber has given up the flooring mill at Nebraska and moved to his farm on Dutch Hill, where he will till the soil and live the independent life of an honest farmer the balance of his days.

—Charlie Clark, wife and two children, arrived from Edge Hill, near Philadelphia, last week. Chas. will help his father on the farm this summer, and will no doubt make this his future abode. Glad to welcome him back to his old home.

Lost—A shepherd dog, white neck, shoulders and feet; black on the back; about one year old, and answers to name of "Carlo." Any one bringing said dog to Mrs. H. S. Thomas, Tionesta, Pa., will be suitably rewarded.

—Argument Court was held here Monday. The matter of granting a new trial to L. C. Conroe came up and was elaborately argued by counsel on both sides. The Court withheld his decision in the case, but may give it some time within a week.

—Chas. Bonner's little boy baby, just beginning to walk, was quite severely scalded by upsetting upon him a pitcher of boiling water last Saturday morning. The right arm received the severest burn, but the little sufferer is getting along quite well.

—Mr. Joseph Carson, a highly respected and well-known citizen of Neilltown, this county, died on the 11th inst. His funeral was attended by a large concourse of friends on the following Monday. His loss will be keenly felt in the community in which he moved.

—The balmy weather of the past few days melted the snow and ice in the big woods sufficiently to give our lumbermen a splendid flood both in the creek and river, and a large quantity of lumber—in fact we might say all of it—has been run to the mouth of the creek. Most of it will pull out for the lower markets to-day.

—Artist Greaves, of Warren, has several orders for portraits from parties in Kansas City, Mo., and leaves for there this week to do the work. He expects to be absent about six weeks, during which time his elegant studio will be open to accommodate any who may call for frames, artist materials, &c., a large and elegant stock of which he always keeps on hand.

—We never did boast much of Forest county's sheep raising qualities, but here is a little item that we think is not going to be beaten in many counties of the State: Geo. W. King, on his farm at the lower end of West Hickory flats, has fifty-two ewes, the same yielding eighty-five lambs this spring, all living and doing finely. The cake belongs to Mr. King, we think.

—Mrs. Jared P. Huling, who has been totally blind from cataract for about three years, is now in a fair way to have her eye-sight at least partially restored. Dr. J. L. Proper, of Titusville, operated upon her eyes one day last week, and under his treatment she is now able to see and distinguish small objects at quite a distance. It is devoutly wished that her improvement may continue and be permanent.

—William S. Baldwin, formerly general passenger agent of the Buffalo, New York & Philadelphia, but now holding the same position with the Louisville, New Albany & Chicago road, has been honored with the election as president of the Chicago railroad association (passenger department).—Blizzard. We congratulate Mr. B. on the mark of esteem shown him by his brother railroaders, and know his many friends in this section will hear of it with much pleasure.

—Mrs. J. C. Partridge, who has embarked in the millinery business, had her "opening days" yesterday and to-day, and many of our ladies took advantage of the occasion to look over her elegant stock, no doubt the finest ever shown in this section. An inspection of her goods will readily convince any one that there is no further use of sending away for anything in line of head-wear. Mrs. Partridge is certain that she can please every one, and at prices within the reach of all. Give her a call.

—Hon. Lewis Arner, of Salmon Creek, one of our Associate Judges, had an apoplectic stroke on Sunday evening last, since which time he has been confined to his bed. Drs. Morrow of this place, and Davis of Oil City were up to see him Monday evening and report him in a critical condition, but feel assured, if he should not get another attack, he will recover. The Judge has never been confined to his bed, and his friends say it is a hard matter to keep him there now. His illness, just at this time is especially unfortunate, as he has on hands the running of all the Salmon Creek lumber. We hope to be able to report him much improved in our next issue.

—It is with sincere sorrow that we announce the death of Mary, wife of our worthy friend Matthew Elliott, of Newtown Mills. She had been afflicted for nearly a year, during which time, especially in the latter weeks, she was a great sufferer. She came to Forest county with her husband from Glasgow, Scotland, in 1870, having been married there in 1865. She was a kind and affectionate woman, highly esteemed by all who knew her, and will be greatly missed by her neighbors and friends. To the sorrowing husband, who is thus bereft of a loving life partner, we extend sincere condolence, and assure him of the sympathy of the community in his affliction. The funeral services were conducted in the Presbyterian Church of this place on Monday, Rev. Hickling officiating, and the remains were laid to rest in Riverside Cemetery.

Drowning Accident.

Two weeks ago to-day, Eddie, an eight-year-old son of Mr. J. E. Berkeimer, was drowned in Tionesta Creek at what is known as Lower Sheffield. It appears the young lad was playing with three other children near the creek bank and by some mishap slid into the water, his companions being unable to rescue him. At the time he was wearing a pair of large rubber boots, which with his hat were found some rods below, but the body had not been recovered at last accounts. The heart-broken parents request the citizens along the creek to keep a watch for and assist them in finding the body.
