Memorial Day in Tionesta.

Tionesta was the centre of interest for the County on Decoration Day. The principal houses and business places of the town were tastefully adorned with flags. Early in the May 30, 1885. morning the people began to gather, and by the time appointed a goodly

number were present. The procession was formed at the Hall of the Grand Army Post, by Capt. Daniel S. Knox, who was Marshal of the Day. At the Central House the Sunday School children and citizens generally fell into line, and marched in regular order to the Cemetery. There the beautiful and touching ceremony prescribed by the

Grand Army Ritual, was observed. Hon. J. B. Agnew, Commander of the Post, made the opening remarks in a few well chosen and eloquent words. The Tionesta Quartette rendered the singing in its usual elegant style, and the Post Band discoursed excellent music. Chaplain Rhodes then delivered a beautiful address and touching tribute to the memory of the honored dead.

The weather was delightfol; and the Day in Tionesta was observed throughout with respectful and quiet reverence for the memory of the dead soldiers of the Republic.

Nebraska Notes.

The familiar sound of the lumber wagon on the plank road is heard once more, and "rafting in" the newmade boards has begun, Tom. Flynn, jobber. We would venture to say there is more business done here this summer than in any other town in

the county, considering its size. The third barge will be ready for market in a few days. These barges are quite an interesting piece of work ; their average length, 100 feet, width 25 feet, heighth 71 feet, contain about 34,000 feet of lumber, and one ton of iron. It requires a little over a week to build one; they are intended for coal.

Mr. Rogers has moved his family to Lacy's Mills recently; the vacated house will soon be occupied by a gen-
