—Preaching in the M. E. Church next Sunday evening by F. M. Small. —Presbyterian Sabbath School at 9:45 a. m.; M. E. Sabbath School at 10 a. m.

—United Presbyterian services will be held in the Presbyterian church next Sabbath, morning and evening. All are cordially invited to attend. Rev. M. M. Pollock, will officiate.

—Mrs. Anna Hays, nee Miss Anna Mason, is a guest at the residence of Hon. E. L. Davis.

—The Eminton Critic now appears semi-weekly, and a first rate, sprightly appearance it makes, too.

—The new Catholic Church building is under roof and doubtless before another month services will be held there.

—Supt. Hillard expects to hold the coming Teachers' Institute a week later than usual, commencing on the first Monday of the new year.

—Any live, active man out of employment can get a lucrative position as Agent, by applying at once to the Hunter Sifter Mfg. Co., Cincinnati, O.

—Many of our exchanges are warning the people to beware of small-pox, which is liable to give this country a scourge during the winter. It might be well to commence vaccinating in time.

—The store of Leeper, Arnold & Co., at Leeper, Clarion county, was entered by burglars on Sunday night, 1st inst., and about \$25 in money, a double barrel shot gun and some clothing stolen.

—From one who has been there we learn that Mr. Frank Gillespie, at his flourishing store at Whig Hill, has as fine a stock of boots and shoes as can be found in the county, and is selling them off like hot cakes, at very reasonable prices.

—Hon. Alexander C. White, our Congressman, paid Tionesta a visit last week, being called hither on account of Argument Court. Mr. White shook hands with a great many of his constituents who seemed delighted to meet him. He leaves for Washington the latter part of this month.

—Mr. G. W. Robinson was summoned to Beaver county last Wednesday by the sad intelligence of the death of the wife of his brother David Robinson. We are without particulars, but can assure our old friend that he has the heartfelt sympathy of his many friends in this community in his great affliction.

—The advance copies of the "Geology of Natural Gas in Pennsylvania and New York" and the "Product and Exhaustion of the Oil Regions," by Charles A. Ashburne, M. S., have been received at this office. They are full of useful information on these two great natural products, and are the result of great labor and research.

—The defeat at the recent election of William L. Corbett for President Judge in the strongly Democratic district of Clarion and Jefferson was a wonderful surprise to everybody. The majority of Hon. Theo. S. Wilson will be about 400. Corbett got only 118 majority in Clarion while Wilson carried Jefferson by 500 majority. The Republicans naturally feel very much elated.

—Things on Jamieson Run and Hunter Run are assuming a decidedly lively and business-like air. Mr. Rowland Cobb has secured about all the pine, hemlock, oak and other timber along these streams and has two mills in flourishing operation, manufacturing staves, railroad ties and lumber of all kinds, and is just about making "Rome howl," so to speak. No man in this section is better adapted to drive an enterprise of this nature and we are sure Mr. Cobb will make a success of his layout. He has plenty to do for all the teams and teamsters that are disposed to apply for work, paying good wages and cash every two weeks.

—An exchange says: "What we can recommend as a sure remedy for sleeplessness is the following: When going to bed, take a piece of old muslin about twelve or fifteen inches square, and after wetting it in cold water and wringing it out so that the water will not drip, double it once and

place it on the stomach, and then cover it with a dry towel. Sleep will result in from five to ten minutes. In extreme cases it will be necessary to wet the cloth twice, but we have never known the second wetting to fail and but seldom have known it to be required.

—Mr. Walter Byrom, of Byrom's Station, Jenks twp., met with a painful and serious accident on Tuesday of last week. While the "dinky" engine which operates on the switch leading from the main track of the P. & W. Ry. to Byrom's mills, was backing down the switch some object was struck throwing Mr. B., who was on the rear of the engine, off and in such a manner as to catch one of his legs below the knee, causing a severe fracture. Mr. Byrom's age is somewhat against his speedy recovery, but we trust he will soon be able to look after his extensive business again in person.

MARRIED—At the residence of the bride's parents, Raton, New Mexico, Sunday evening, November 1st, 1885, Mr. B. F. Caldwell to Miss Mollie Gardner, all of Raton, Rev. J. W. Sionock officiating.

The wedding was a very quiet affair, only the intimate relatives and friends of the contracting parties being present. At the close of the evening, congratulations were extended and the company present were invited to a sumptuous spread prepared by Mrs. Gardner. A very pleasant evening was passed by a thoroughly happy party. A number of elegant and useful presents were given, a list of which we are unable to give. On Monday evening the A. T. & S. F. Band called and treated Mr. and Mrs. Caldwell to a delightful serenade. Ben made the boys a pleasant little speech, thanking them for their kindness and friendship. Excellent refreshments were served and a jolly time enjoyed. The Comet unites with numerous friends in wishing Mr. and Mrs. Caldwell a long life of continued happiness.—Raton Comet.

We, too, join your large circle of friends here in extending the best kind of good wishes to you and yours, Benjamin.

The New Revenue Law.

The new revenue law passed by the last Legislature is a "terror to snakes." The Prothonotary gets the first roast and fairly makes the "welkin ring." Then there is the deuce to pay in the Commissioners' office, where the work of filling out duplicates, blanks, &c., is more than multiplied. Then the Assessor is loaded down with a bundle of blanks that would be a burden to a pack mule, and started on the rounds of his township, leaving one of the huge blanks with each taxable inhabitant. Then the taxable inhabitant is obliged to sit down and fill out a list of all taxable property owned by him or her, or any of him or her, not forgetting the little money at interest, watches, cows, horses, carriages, and a multiplicity of other things too numerous to mention, putting down the value of each, and then swear to its correctness. After this is all done the matter goes back into the Commissioners' office, where another endless amount of labor is put on the same. Then the taxes are collected and all turned over to the State, not one dollar remaining in the county, which gets nothing for its trouble and expense for collecting. When once set under motion it will be fun to hear what the people think of it. It will undoubtedly prove the most unpopular law enacted for many years.

OBITUARY.

Died, at her home in Tionesta twp., on Monday, Nov. 9, 1885, Margaret Huddleson, widow, aged 78 years. Deceased was born Oct. 22, 1807, and was married to Daniel Huddleson on Dec. 2, 1828. Her maiden name was McGee. They came from Irwin twp., in Venango Co., in March, 1854, to a then unsettled portion of Tionesta township, starting a farm which has since been settled around and known as the "Huddleson Settlement." She has always lived on the same place since they settled there. She has been an invalid many years, yet she was always of a cheerful and happy disposition, and never complained about her afflictions.

She leaves behind her six children, four sons, William, John G., Robert and George, and two daughters, Maggie and Mary, the latter of which is married to Mr. George H. Williams of Allegheny City, Pa. The youngest son, George, and her two daughters, were with her to comfort her in her last hours. She was a woman of exemplary character and for many years, up to the time of her death, a member of the Evangelical Church.

"Friend after friend departs, Who hath not lost a friend? There is no union here of hearts That hath not here an end."

November Meeting of Stow Post.

There was a good attendance of the Comrades at this meeting. The officers were mostly present. The evening reports of the Adjutant and Quartermaster were encouraging and showed an improved interest in the Post. The Adjutant made report that he had furnished the County Commissioners with the names of the Comrades selected by the Post to attend to the burial, &c., of deceased soldiers under the Act of 1885, which list was ratified by the Commissioners; names as follows:

Barnett, J. J. Greenawalt, J. H. White.

Tionesta township, Daniel Black, C. W. Clark.

Tionesta Borough, D. S. Knox, L. Agnew.

These comrades will doubtless receive instructions from, and notices of their appointment by the County Commissioners.

beneficial. Remarks were made also by Chaplain Rhodes, Irwin, Black, and Agnew, and others. Nominations for officers for the ensuing year were made. Officers will be elected at the regular meeting on the 1st Wednesday in December, when it is to be hoped there will be a good turnout of the comrades to elect officers for 1886. Some of our comrades we regret to say, do not attend, yet we all hope that during the winter they will return and that there may be pleasant and interesting meetings and a renewed interest in the cause. Each year we number less from the very nature of our society, and we should be more fraternal as time speeds on.

The Governor's Proclamation.

Governor Pattison issued the following Thanksgiving Proclamation on the 6th inst.:

During the past year we have been unusually blessed and exempted from those calamities and distresses that so often befall and afflict nations and communities. Not only have we experienced exceptional immunity from general and widespread disaster, but the steady advance of our country in civilization, material prosperity and national grandeur has been most marked.

The adaptation of our form of government to the varying wants and conditions of our people and the renewed evidence of their attachment to its institutions are the most priceless blessing that a nation can enjoy. It is fitting, therefore, and a duty, that the people should pause from their accustomed toil and pleasures to make acknowledgement of their dependence upon the Supreme Ruler of the Universe, and by thanking and praise to show that they are not unmindful of whose hand it is that blesses and whose arm it is that protects. By so doing we shall not only evince our gratitude to the merciful God who has blessed us, but will also contribute to the cultivation and spread of that religious and reverent sentiment which is the safeguard of public, as it is the basis of private virtue.

In conformity, therefore, with the recommendation of the President of the United States and the uniform custom of our Christian communities, I, Robert E. Pattison, governor of the Commonwealth of Pennsylvania, do appoint Thursday, the 26th day of November, A. D. 1885, as a day of thanksgiving and prayer, and do recommend that it be so observed by the citizens of this Commonwealth.

A BOOK OF GREAT INTEREST. WAYSIDE GLEANINGS IN EUROPE.

By Rev. B. BAUSMAN, D. D.

The subject of this work is Europe. It contains graphic descriptions of many of the most interesting places and countries. The author has freely mingled with the people, and describes their condition, habits and national peculiarities in a striking manner. His good judgment and rare descriptive powers enable him to present to the reader just those things that are worth knowing and remembering. Of many works that have been written on Europe, we venture to say that "Way-side Gleanings" is excelled by none in point of interest and instructiveness. 464 pages, printed on fine paper. Price, \$1.50.

SPECIAL OFFER.—We will send the book between now and January 1, 1886, upon receipt of \$1.25. Send one dollar bill and 25 cents in stamps.
