

WASHINGTON LETTER.

From our regular Correspondent.

WASHINGTON, D. C., Nov. 21, '85.

There will be a caucus of the republican senators held soon to decide upon the course to be followed with regard to President Cleveland's appointments. The exact date of the meeting has not been fixed, but it will probably be about a week before the beginning of the session.

Some of the most radical are in favor of opposing the confirmation of all new officials whose appointment are considered to be opposed to the tenure of office law. Others believe the President should be accorded the right to name his own officials at pleasure, where his doing so is not a violation of the civil service reform law.

—J. T. Brennan has now for sale 136 acres of warrant 5213 and 5214, Kingsley Twp., probably on the new oil belt. Also 108 acres of warrant 5186, and 79 acres of warrant 5187, in same twp. 1000 acres, warrant No. 2836, Tionesta township. 390 acres, warrant No. 5186, Kingsley township. 143 acres, known as "Lillie Farm," Allegheny township, Venango Co. 70 acres near Enterprise, Warren county. 6m.

arms, and Mr. Dalton for postmaster. With regard to doorkeeper, the generally prevailing impression now is that Col. Sam Donelson, of Tennessee, has practically a walk-over. Several other candidates are mentioned, but neither of them has any solid or organized following.

In connection with the election of a doorkeeper it is said that the Pennsylvania democrats have an idea of bringing out a dark horse. The report was that Pennsylvania expected to nominate Mr. Carlisle for Speaker, and propose his unanimous re-election; that in return for this compliment Kentucky would be asked to support a Pennsylvania democrat for doorkeeper. But some of the Kentucky members are already pledged to Donelson, and unless the entire delegation could be induced to join in such a movement it is not thought it could succeed.
