

Announcements.

Announcements will be charged for as follows, strictly cash in advance. Primary tickets must also be paid for when ordered: Congress, \$30; Assembly, \$10; Treasurer, \$5.00; Surveyor, \$3.00; Coroner, \$2.00; Delegates to State Convention, \$2.00.

ASSEMBLY.

We are authorized to announce PETER HERBY, of Balltown, as a candidate for Assembly, subject to Republican usages.

COUNTY SURVEYOR.

We are authorized to announce Henry C. Whitkin as a candidate for County Surveyor, subject to Republican usages.

The Louisville Courier-Journal is again shouting "down with the robber tariff," thus showing that Colonel Watterson has fully recovered his tuneful voice.

The William A. Wallace boom for governor is said to be wholly unauthorized, but it is perfectly harmless. If it were tramping on the grass it might be a different matter.

If President Cleveland's attitude on the tariff has been misrepresented there is one man from whom a dozen words could easily set him right. The man is at present living in the White House.

President Cleveland waves the Free-trade flag with all the reckless zeal of a man who, having gained one election under false pretenses, knows he can not win another, and who, therefore, cares nothing for the consequences of his duplicity.—*Phila. Press.*

It is just the least bit odd to find Jefferson Davis discussing and defining the true relations between labor and capital. This venerable traitor went to war, it will be remembered, in support of the principle that the laborer belongs to the capitalist.

The Democracy is still braying at Henry Ward Beecher for having called it "a double-earred ass" but Mr. Beecher refuses to take it back. The eloquent harmony which erstwhile prevailed between the Mugwumps and the Bourbons seems to have been chopped up into feed for the double-earred animal.

CONGRESSMAN SCOTT, of the Erie district, has got himself into a scrape by supporting the bill appropriating \$50,000 for a public building at Oil City. His advocacy of the measure has brought a demand for \$100,000 for a building at Franklin and one of similar character at Titusville, with several other towns to bear from. The oil region is up in arms against the surplus.—*Phila. Press.*

The Lancaster New Era suggests that Governor Pattison has a treacherous memory, and reminds its readers that in 1883 he visited the Soldiers' Orphan's School at Mount Joy and expressed his entire approval at the arrangements at this institution. The *New Era* insists that the playroom and other parts of the establishment which the Governor now condemns are in better condition at present than when he visited the place three years ago. The Governor, however, may be able to explain this apparent inconsistency by pleading that he was color blind on the occasion of his former inspection.—*Press.*

The Free-traders are weakening fast. The latest report emanating from Morrison and Hewitt, see New York Herald, April 22, says fish may go, salt may go, sugar may go, cotton may go, but they will still cling to free wool and free lumber. This is beautiful. Picture Morrison and the Old Man of the Sea (as he delights to call Hewitt) clinging frantically to wool and lumber and all else sinking around them. We are afraid you will have to give up wool and lumber also. It may seem cruel, but Protectionists are fighting for a principle, and will fight as determinedly for peanuts and samac as for iron and steel. What is good for one is good for all.

It is evident that the Democrats in the Ohio Senate propose to stand by the four fraudulently elected senators from Hamilton County to the last. They spurn the advice of Ex-senator Thurman and other sagacious Democratic leaders that it would be better to relieve the party from the stigma of fraud than to retain their illegal control of the State Senate, and will make

a bitter fight to this end. In the whole history of Democratic fraud on the ballot-box no more brutal and infamous attempt to swamp the honest vote of the people was ever made than was witnessed in Cincinnati last October and none was ever more clearly demonstrated by investigation. The large Republican majority given in that city a few weeks ago proves also that the people are convinced of the guilt of the Democratic "gang." And yet the Democratic members of the Ohio senate propose to father and defend the whole monstrous crime. Their ability to furnish campaign material to the Republicans appears to be boundless.

Temperance Lectures.

Maj. Hilton, of Washington, D. C., is expected to arrive here on Saturday, May 1st. Maj. H. is a noted temperance apostle who has a national reputation as a lecturer and moral reformer. He comes under the auspices of the W. C. T. U. of Tionesta, and it is to be hoped the people of our county will give a cordial welcome to this eminent speaker. After his arrival the following program has been arranged: Sabbath, May 2, services at Presbyterian Church at 11 a. m. Evening, at M. E. Church at 8. There will be a joint Sabbath School meeting at 3 p. m., at the Methodist Church. There will be lectures during the week following to be announced in the future. The choirs will furnish appropriate music on each occasion.

By an error in announcing the above lecture at the M. E. Church it was made to appear that it would take place there. The above is the correct program.

Attention, Stow Post.

The next meeting of the Post will be on Wednesday, May 5, 1886, at 7:30 o'clock. Let there be a good attendance as we wish to make arrangements for Memorial Day at that meeting, and business of importance. All who wish Memorial badges, silver stripe border with Post and emblems on it, patent antique "G. A. R." printed at the top, very beautiful, will send postal to Adj't. S. D. Irwin, or call and see him before May 1st, and see sample; price 25 cents. Old members who are behind in dues can be reinstated by paying \$2.25 under present regulations, and whether in regular standing or not in Post, all soldiers are expected and requested to take part Memorial Day.

S. D. IRWIN, Adj't.

MANHOOD

HOW LOST, HOW RESTORED? Just published, a new edition of Dr. Culverwell's celebrated Essay on the radical cure of Spermatorrhea or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc.; also, Consumption, Epilepsy and Fits, induced by self-indulgence, or sexual extravagance, &c.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every youth and every man in the land. Sent under seal, in a plain envelope, to any address, post-paid, on receipt of four cents or two postage stamps. Address THE CULVERWELL MEDICAL CO., 41 Ann St., N. Y., N. Y., P. O. Box 430.
