Republican Primary Rules.

RULES GOVERNING THE REPUBLICAN PRIMARY ELECTIONS OF FOREST COUNTY.

1. The candidates for the several offices shall have their names announced in one or more of the county papers at least three weeks previous to the Primary Meetings stating the office, and subject to the action of the party at the said primary meetings.

2. The voters belonging to the Republican party in each township and borough, shall meet on a day to be designated by the County Committee, at the usual place of holding spring elections, at 2 o'clock P. M., and proceed to elect one person for Judge, and two persons for Clerks who shall form a Board of Elections to receive votes and determine who are the proper persons to vote, and who shall hold the polls open until 7 o'clock P. M. After the polls are opened, the candidates announced shall be balloted for; the name of each person voting shall be written on a list at the time of voting, no person being allowed to vote more than once for the same office.

3. After the polls are closed the board shall proceed to count the votes that each candidate has received, and make out the returns accordingly, to be certified by the Judge and attested by the clerks.

4. The Judge (or one of the Clerks appointed by the Judge) of the respective election district, shall meet at the Court House, in Tionesta, on the Tuesday following the Primary Meetings at 2 o'clock P. M., having the returns and a list of voters, and the person having the highest number of votes for any office, shall be declared the nominee for the Republican party.

5. Any two or more persons having an equal number of votes for the same office, the Judges shall proceed to ballot for a choice, the person having the highest number to be the nominee.

6. The Return Judges shall be competent to reject by a majority, the returns from any district where there is evidence of fraud, either in the returns or otherwise, and shall reject them where there is evidence of three or more persons voting at the Primary Meeting who are not Republicans.

7. The Return Judges shall appoint Conferences—Representative, Senatorial and Congressional—whose acceptance of said appointment shall be a pledge to support the person who may receive the largest number of votes cast for that office.

8. The Return Judges may at any time change the mode and manner of selecting candidates as they may be instructed by the people at their primary meetings, due notice being given by the County Committee.

9. The Chairman of the County Committee shall be required to issue a call in pursuance of the action of the County Committee.

CHAUNCEY BLACK had better repair his fences. Mr. Wallace is tramping around with great big strides.

The Democratic newspapers which laugh and pretend to sneer at the utterances of Jeff Davis and his insults to the North, will not even smile in 1888.

The marriage of President Cleveland to Miss Frankie Folsom will take place to-day at the White House. It is to be a quiet affair, unattended by any particular demonstration.

The appointment of Miss Folsom as First Lady of the Land will be promptly confirmed by the Senate. The papers in the case—which will consist solely of a marriage certificate—will not be called for.

HERE MOST is on trial in New York for calling on his bloody-minded fellow-Anarchists to kill capitalists and throw dynamite at the police. Most thinks it is hard that he should be tried for a little thing like that.

THE Oil City Blizzard, which, by-the-way, was four years old a few days ago, is a prophet not without honor even in its own country. It says "a Democratic minority in the next national house of representatives seems a foregone conclusion." The Blizzard certainly knows which way the wind blows, as it ought.

CANADA seems to have an idea that she owns the earth. We have always conceded her right to the fisheries in her bays and waters within three miles of the coast, but she fancies that unless we let her dictate the terms of our treaties with her, she has a right to order us off the broad seas. Well, we won't agree to it. She should not forget that for nearly one hundred years England tried to maintain the same control of the seas, but that the United States sat down on her pretensions. If Canada fancies that a temporary Democratic ascendancy gives her an opportunity to dictate she is mistaken. Democracy will be hustled out of power so suddenly that its head will swim, if it attempts to enforce the edict.

It has been so frequently intimated that Senator Sherman, of Ohio, is opposed to any investigation of the charges against his colleague, Mr. Payne, that he will hardly allow the matter to go unnoticed much longer. Senator Sherman's interest in the affair is merely the interest of his state and of the body to which he belongs, and he has nothing either to gain or lose by the investigation which is recommended by the Legislature of Ohio and demanded by the best political sentiment of the country.

MR. HOLMAN is getting worked up to the fighting point. He has done all he could do to keep his party from running their craft on to the rock, and hoped to persuade them to steer for deep water, but they would not. The result is Mr. Holman is mad all over, and through and through. He says he is at a loss to know "what the condition of the party will be when Congress adjourns. It is an outrage upon the people, and a violation of every pledge made by the party." They have increased the expenditures beyond those of last year altogether, over \$23,000,000. Poor Mr. Holman, he is too innocent to live and hold his own in this wicked world, he is sure to go under the waves and not be heard of again if he really expects his party to keep its promises. Where in the world could he have got his elementary education if he does not know that the party is bound to get the boodle no matter what pledges it gives the people?

D. LANCELL'S ASTHMA AND CATARRH REMEDY.

SOLD BY ALL DRUGGISTS. Having struggled 20 years between life and death with ASTHMA or BRONCHITIS, treated by eminent physicians, and receiving no benefit, I was compelled during the last five years of my illness to sit on my chair day and night gasping for breath; my sufferings were beyond description. In despair I experimented on myself by compounding roots and herbs and taking the medicine thus obtained. I fortunately discovered this Wonderful Cure for Asthma and Catarrh, warranted to relieve the most stubborn case of Asthma in five minutes, so that the patient can lie down to rest and sleep comfortably. Please read the following condensed extracts from unsolicited testimonials, all of recent date: Oliver V. R. Holmes, San Jose, Cal., writes: "I find the Remedy all and even more than represented. I receive instantaneous relief."

E. M. Garrison, A. M., Warren, Kan., writes: "Was treated by eminent physicians of this country and Germany; tried the climate of different states—nothing afforded relief like your preparation." T. E. Gates, County Treasurer, Philadelphia, Miss., writes: "I have used the Remedy. Would not live without it. Every one that uses it recommends it." We have many other hearty testimonials of cure or relief, and in order that all sufferers from Asthma, Catarrh, Hay Fever, and kindred diseases may have an opportunity of testing the value of the Remedy we will send to any address trial package free of charge.
