The married men and the boys played a game of base ball last Saturday which stood 18 to 17 in favor of the latter at the end of the 5th inning. Fine game, that.

Jas. Shaw went down to West Hickory Tuesday, to become landlord of the Klein hotel, having rented that hostelry. He makes a good landlord, and we hope will succeed.—Tidoute News.

R. D. Hoskins, of the Sentinel, has been elected justice of the peace of Bathgate township, D. T. And thus are the Pennsylvania boys coming to the front in the west. Glad of it, Bob.

From remarks we have heard we infer it to be a fact that the growth of shrubbery and trees this spring is remarkable; we have reference to the amount of growth to the end of branches, etc.

The Republican primary elections for this county occur next Saturday afternoon. Let every Republican make it a point to be on hand promptly and cast his ballot for the candidate of his choice.

A good shower of rain, the first in nearly three weeks, on Sunday night, was more welcome than the flowers of May, and instilled new life and vigor into parched and almost withered vegetation. But we need more of the same kind.

The new Catholic Church in this place will be dedicated on Sunday next, 20th inst., with appropriate ceremonies, and a general invitation is cordially extended. The church has been completed inside and out, and presents a very cheerful and tasty appearance.

The grass crop is very light. Its failure is due more to frost than to drought, it is thought. We are informed that at Beaver Valley there was frost on Wednesday and Thursday mornings of last week. In many places there is promise of a good apple crop this year.

Mr. W. W. Jamieson paid Tionesta friends a visit on Monday of this week. Wilbur was looking hearty as usual, and we are glad to know that fortune is smiling on him in his present location, Enterprise, where he has struck a good pay streak in the oil business, which he is conducting on his own hook.

Our young friend and former townsman, Luther Vought, has assumed proprietorship of the Wadena, Minn., Tribune, a new paper of Democratic proclivities. It is a good-sized and substantial appearing sheet, and it would seem that Luther had caught onto a "fat take," which we hope is the case.

Mr. Hamilton Stow, of Cincinnati, is once more a guest of Tionesta friends, and we are pleased to note that our venerable friend seems much improved in health and activity since his last visit among us. Mr. Stow never fails to meet with a warm welcome among our people, who have ever cherished a high esteem for him.

Mr. D. G. Hunter, of Hunter's Station, has left with us quite a curiosity in the egg line. It consists of two distinct eggs, joined together a la Siamese twins, one containing the white and the other the yolk. One of Geo. Capt. Jas. Zahniser departed yesterday to be present at the reunion of the Zahniser family, which event takes place to-day at D. R. P. Zahniser's, on the road between Stoneboro and Mercer. When considered that there are upward of 1000 of them when all together, it is no small matter to entertain the company, and undoubtedly the enjoyment is only equaled by the number present. The jovial Captain expects to meet about 600 of his kin to-day.

The borough school board met on Monday evening and levied a ten mill school tax, five mill building and five mill bond tax, or twenty mills in all, which is three mills less than last year. The board has set Friday, July 9th as the time for electing teachers for the ensuing year, of which fact applicants should make a note. Lightning rod sharpeners have been working the farmers in Butler county. By hocus-pocus proceedings of one kind or another they manage to work in a paper of some kind for signing. The paper to be signed is thin and the lower side of it is laid over a judgment note, and so folded that the signature is made on the note instead of the release. The note is blank, and the swindlers fill it in with any amount they want, generally sizing up the man's property to see how much it will stand.—Blizzard.

Mr. Ed. Heibel departed with his family for Warren, Pa., on Saturday last, where he will remain for some weeks until he sees a favorable opening for his business. As we have before stated, in Mr. Heibel's departure our town loses one of its best and most useful citizens, while the ladies will greatly miss Mrs. Heibel and her sister Miss Lucy Krech, who has made her home with the family for some time. We join with the many friends of the family in wishing them deserved prosperity wherever they may locate.

Susan Cornish died at her home near Tylersburg, Pa., on the 2d inst., having attained the ripe old age of 72 years and 10 months. Mrs. Cornish will be remembered by the oldest inhabitants of Tionesta as a former resident in the community, having been the owner of considerable real estate, of which the old John Noble farm and the Daniel Stow place were parts, and her name frequently occurs in titles to lands forty and fifty years old. She was an exemplary Christian, much esteemed by her neighbors.

Peterson's Magazine for July is brimful of beautiful things. The first embellishment, "The Rival Belles," representing three lovely women, is a steel-engraving in the highest style of art, and alone worth the price of the number. It is followed by a double-sized colored steel fashion-plate; by an exquisite colored pattern, a-la-Japanese, for a portfolio-cover; and by some fifty wood-engravings of fashions, embroidery, etc. The high character of "Peterson" for giving the best original stories is more than maintained in this number. The terms are but two dollars a year. Address Chas. J. Peterson, 306 Chestnut St., Phila., Pa.

For Cultivators, Shovel Plows, Hoes, &c., go to Robinson's. 2t.

Kellottville Items.

The oil men are closing in on us. J. C. Welch has put up a derrick in sight of this place, near Jacob Wolfe's, on the Green property, and drilling will begin in a short time. It is expected that this well will be the test for Kellottville's prospects of being an oil town.

Mr. C. A. Randall was around among the boys last Saturday morning, and the Hon. Peter Berry spent an hour or so in the afternoon, shaking hands with his friends.

Lyman Cook and Ed. Godwin left last Friday fitted out for a camp in the woods. They are putting in cherry logs on Kingsley Run, near Balltown.

Mr. Frank Blood and Mr. Hall of Conneaut, Ohio, spent a few days last week in this vicinity.

Mrs. E. H. Chase has gone on a visit to relatives in Nebraska. Mrs. Shaw, who has been ill for some time is still poorly.

The election next Saturday is the topic of interest here, as no doubt it is elsewhere, but a few days will settle that, and one will have to find something else to talk about.

Ministers' Convention Continued.

Tuesday evening Rev. Dr. Armstrong of Franklin gave a very interesting talk on the Sunday School, and Dr. Hall of Titusville preached an able sermon, after which the exercises were adjourned until Wednesday morning.

WEDNESDAY MORNING.

The association met at 8 a. m., and was opened with devotional services conducted by Z. W. Shaddock. Hymn 415 was sung and Bro. Shaddock lead in prayer. Hymn 726 was sung and Bro. Warren lead in prayer. "Beulah Land" was sung and Bros. Thomas and Ryan lead in prayer. "Precious Promise" was sung and Bros. Holeman and Canfield lead in prayer. The minutes of Tuesday afternoon's and evening's sessions were read, corrected and approved. On motion the Presiding Elder of the District, and the pastors of Trinity and Grace churches, Oil City, were appointed a committee on programme for our next meeting. By invitation of the Presiding officer suggestions were received with reference to the preparation of said programme. The place of our next meeting was then considered. Rouseville and Galloway were nominated. Rouseville was unanimously chosen. The Committee on Resolutions reported as follows, and their report was unanimously adopted:

Resolved, First, that we tender our hearty thanks to the good people of Tionesta, for the christian hospitality they have shown in receiving us into their homes, and that as we separate we will pray for the choicest blessings of our Heavenly Father to abide with them.

Second, that we extend our sincere thanks to Brother F. M. Small, for the pains he has taken and the labor he has performed, in arranging for the entertainment of this Association.

Third, that we recognize the executive ability of our Presiding Elder, and the Christian courtesy which he has shown in all his intercourse with the preachers in this District.

Fourth, that we extend our thanks to the Tionesta Choir, for the excellent music which they have rendered during the exercises of the Association.

Fifth, that we congratulate the people of Tionesta and Forest County, upon the fact that no liquor is permitted to be sold in the town and county.

Sixth, that we, the preachers of Franklin District, pledge ourselves to make an earnest effort to raise our several apportionments for the "Million for Missions."

S. H. PRATHER, C. E. HALL, W. H. BUNCE, Committee.

On motion of F. M. Small, a committee was appointed to draft a constitution for our association. S. H. Prather, C. E. Hall and W. P. Graham were constituted said committee. S. Fielder presented in a gratifying manner, the topic, "No man careth for my soul." At the conclusion of his address he made a statement relative to the needs of the Petrolia society, whose church building was lately burned. On motion of F. M. Small, the pastor of the Petrolia church was extended a hearty welcome to the charges of our district in soliciting financial relief. Z. W. Shaddock presented a very good paper on the study of the Bible Languages. The citizens of Tionesta, by a large vote, adopted the following resolution:

WHEREAS, The preachers of Franklin District, Erie Conference, having by their presence at their Annual Convention in this place, contributed largely to the spiritual, intellectual and social enjoyment of ourselves and families, therefore,

Resolved, That we, as citizens of Tionesta, publicly acknowledge the pleasant experience of the days gone by, and that we will become them under like circumstances, or otherwise again to our homes in the early future.

On motion of R. M. Warren, Bro. Shaddock was requested at his discretion, to prepare an abstract of his essay for publication in the Christian Advocate, Pittsburgh. By request of the Chairman, Dr. A. S. Dobbs presented the subject, which had been assigned to I. N. Clover, "Merrill's Digest of Methodist Law." His remarks had reference more particularly to Methodist law in general, than to the treatment of it by the author named. He was followed by remarks

from R. M. Warren. W. H. Bunce offered the following resolution, which was adopted:

Resolved, That we, the members of the Franklin District Association, request the Programme Committee to so arrange the programme for the next session that proper time be given to the delegates from the Woman's Foreign and Woman's Home Missionary Society.

T. P. Warner read an elaborate paper in the interest of Political Prohibition. The minutes of the morning session were read and approved. Bro. Bray made some remarks appropriate to the closing hour. The ministers gathered around the altar and knelt in prayer. Bros. Armstrong and Branfield led in the devotions, the ministers as a body following with the Lord's Prayer. The Doxology was sung, and the Benediction pronounced by J. M. Bray.

W. P. GRAHAM, Secretary.

BURDOCK BLOOD BITTERS Weary, Aching Bones.

BURDOCK BLOOD BITTERS Dyspepsia.

Caution—I feel it my duty to say respecting Burdock Blood Bitters, that it is the best medicine I ever took. I suffered two or three years from stomach troubles and dyspepsia, as well as from liver and kidney complaint. I was not able to attend to my business. My wife was afflicted in much the same way. We read of your Bitters in the papers and made up our minds that we would try them. The result is, my wife and I began to improve at once, and I am now able to do more hard work than before in ten years. It relieved my kidney troubles as well. We both wish you, the makers of it, Godspeed.
