GREAT EARTHQUAKES.

The City of Charleston, S. C., Nearly Destroyed.

The greatest earthquake ever known in this country occurred shortly before ten o'clock on Tuesday night of last week. It was felt throughout the United States east of the Mississippi river, the shocks being experienced from the Gulf northward to the Upper Lakes and from points near the Mississippi eastward to the Atlantic coast.

Dispatches from Charleston, under date of Sept. 1st, give some idea of the awful severity of the shocks experienced in that city:

An earthquake, such as was never before known in the history of this city, swept over Charleston last night shortly after 10 o'clock, causing more loss and injury to property and far more loss of life than the cyclone of a year before. The city is wrecked; the streets are encumbered with masses of fallen bricks and tangled telegraph and telephone wires, and up to an early hour it was almost impossible to pass from one part of the city to another.

The principal business portion of the city was destroyed and hundreds of persons rendered homeless. Men were frantic and women were beseeching mercy from the Almighty, and the children were in tears. The main station house, City Hall, Hibernian Hall, and many other well-known public buildings, including St. Michael's church, were irreparably damaged.

It is about time for the State administration to make a statement on the Democratic State ticket. The party has its ear to the ground.

VERMONT held her State election yesterday with the usual result. A Republican governor, a solid Republican Congressional delegation and a large majority in the legislature by increased majorities. Senator Edmunds is sure of re-election.

COL. R. BRUCE RICKETTS, the nominee for Lieutenant Governor, is in the position of the fellow in camp, who was subject to a fine if he kicked about the cooking. He had been fed on salt pork for a week right straight along, until one day he broke forth with, "blank the blankety blank pork!" then, seeing that he was watched, he smiled a sickly smile and said feebly—"but I like it."

YESTERDAY Vermont went through the perfunctory performance of rolling up an old-fashioned republican majority. Half of the Vermont democracy, in the person of Ed. Phelps, is snobbing around with dukes and duchesses in London, and the other half, in the person of Brailley B. Smalley, is snooping around after customs at Burlington—in view of which fact it was all the more possible for political history to repeat itself.—Der-rick.

LET the world rejoice. The President last week went out hunting deer on the Tupper Lake in the wilderness and killed a four pronged buck! So they say. The earthquake swallows up Charleston and the people suffer. But the bounds are let loose and "Mr. Cleveland was much pleased with his good luck and laughingly received the congratulation of his friends." Wonderful! So who cares about a little earthquake and its terrible results? The President is happy. When Grant used to seek the cool breezes of Long Branch the Democratic papers made a terrible ado about the "government on wheels." But now they are mum over the government's slaughter of a poor deer in a lake run to the death by a pack of hounds! Who says that Grover isn't a great statesman and a model President of 50,000,000 of people?—Warren Mail.

ASTHMA AND CATARRH

REMEDY.

SOLD BY ALL DRUGGISTS.

Having struggled 20 years between life and death with ASTHMA or BRONCHITIS, treated by eminent physicians, and receiving no benefit, I was compelled during the last five years of my illness to sit on my chair day and night gasping for breath, my sufferings were beyond description.

In despair I experimented on myself by compounding roots and herbs and inhaling the medicine thus obtained. I fortunately discovered this Wonderful Cure for Asthma and Catarrh, warranted to relieve the most stubborn case of Asthma in five minutes, so that the patient can lie down to rest and sleep comfortably. Please read the following condensed extracts from uncollected testimonials, all of recent date:

Oliver V. R. Holmes, San Jose, Cal., writes: "I find the Remedy all and even more than represented. I receive instantaneous relief."

E. M. Carson, A. M., Warren, Kan., writes: "Was treated by eminent physicians of this country and Germany; tried the climate of different states—nothing afforded relief like your preparation."

T. F. Gates, County Treasurer, Philadelphia, Miss., writes: "Have used the Remedy. Would not live without it. Every one that uses it recommends it."

We have many other hearty testimonials of cure or relief, and in order that all sufferers from Asthma, Catarrh, Hay Fever, and kindred diseases may have an opportunity of testing the value of the Remedy we will send to any address trial package free of charge. Address:
