GRAND REPUBLICAN Mass-Meeting AT THE COURT HOUSE, TIONESTA, PA., WEDNESDAY EVENING, SEPTEMBER 22, 1886.

Speeches will be made by Col. D. H. HASTINGS, of Bellefonte, Pa. Hon. CHARLES W. STONE, of Warren. MILES W. TATE, Esq., of Tionesta. Hon. JAMES T. MAFFETT, of Clarion, our candidate for Congress, and others.

THE TIONESTA BRASS BAND Will be present and assist in enlivening the occasion with good music. Turn out Everybody.

Republican Committee Meeting. There will be a meeting of the Republican County Committee at the Prothonotary's office on Tuesday evening next, Sept. 21, at 7:30 o'clock. This will be a meeting of more than ordinary importance, and every member of the Committee is earnestly requested to be present. C. M. SHAWKEY, Chairman.

The nomination of Hon. James T. Maffett by the Republicans of this Congressional district gives perfect satisfaction everywhere, and the papers in the several counties of the district assure us that he will carry more than the solid Republican vote. In Forest county Mr. Maffett has many warm personal friends, and since his nomination we do not know of a solitary Republican in the county who will not give him the heartiest support. From every source he gets the name of being one of the purest of men, with not the suspicion of a stain upon his character. We could quote columns of eulogiums from papers of his political faith, but the two following paragraphs from the leading Democratic papers of Mr. Maffett's own home will show what the people think of him irrespective of politics: We congratulate Mr. Maffett on his success and his party on getting so worthy a candidate. If it should so happen that a republican must represent this district in Congress, we prefer one of his kind.—Clarion Democrat. Mr. Maffett is an honest, capable and intelligent man, an able lawyer and a first-class citizen. Our only objection to him is his politics, and, while, personally, we wish him every success, we hope and expect to defeat him with an equally as good Democrat.—Clarion Jacksonian.

Mr. BLAINE puts it in a nut shell. Says he: "The palpable issue is whether we will vote to sustain the protective tariff now in force, or vote to reduce it, and put it in the direction of ultimate free trade." The Free Trade Boogie organs are to be heard from.

MAINE IN LINE!

SPLENDID REPORT FROM BLAINE! 14,000 MAJORITY!

THE FIRST GUN SOUNDS WELL.

Maine held her state election on Monday last, and the result is a sweeping victory for the Republicans all over the state.

The result is best summed up in Chairman Manly's dispatch to the New York Tribune: The result of today's election is a far larger republican majority than was anticipated, the largest indeed, given in the state for the past 15 years, except in the presidential years. We expect seven or eight thousand plurality. The figure at this hour, 11 o'clock, indicate a plurality for Bodwell of not less than 12,000, and not improbable 14,000. We have carried every congressional district, elected two-thirds to three-fourths of the legislature, thus securing us the senate and county offices, probably in 14 of the 16 counties of the state.

Let the good work go on! AWAY out in Colorado William A. Wallace climbs to the mountain top and surveys the situation in Pennsylvania. Then he softly chuckles.

SENATOR WALLACE is in Colorado. He no doubt realizes the fact that an attempt to elect the Democratic ticket this year is more than folly.

THE Mental Scientists are in session at Chicago. If one of the most expert of the party will tell us the exact mental condition of William Uhler Hensel when he views the Democratic outlook in this State, he will greatly oblige many Wallace men, and at the same time afford amusement to the Republicans.

"WILLIAM," said Mr. Black to his chief fogleman, "have you had your ear to the ground all along, listening?" "I have, sir," answered Mr. Hensel. "And there are no signs of Mr. Wallace cheering for the ticket?" "None, sir." "Then, William, I guess you can put up the shutters. I will not be needed in Harrisburg after January next," and Mr. Black sat him down on the bank of the Codorus and gazed sadly at the placid stream.

QUIET reigns again in the districts affected by the recent earthquakes. The people of Charleston are recuperating as best they can from their awful experience. Reports now state that the destruction and ruin wrought has been greater than at first reported, and it is somewhat doubtful whether or not the city will ever be rebuilt, the people being in mortal dread lest a similar calamity may overtake them at any moment. Aid from every quarter is being poured in upon them, and yet too much cannot be done.

D. LANCELL'S ASTHMA AND CATARRH REMEDY.

SOLD BY ALL DRUGGISTS. Having struggled 20 years between life and death with ASTHMA or BRONCHITIS, treated by eminent physicians, and receiving no benefit, I was compelled during the last five years of my illness to sit on my chair day and night gasping for breath; my sufferings were beyond description. In despair I experimented on myself by compounding roots and herbs and inhaling the medicine thus obtained. I fortunately discovered this Wonderful Cure for Asthma and Catarrh, warranted to relieve the most stubborn case of Asthma in five minutes, and that the patient can lie down to rest and sleep comfortably. Please read the following condensed extracts from unsolicited testimonials, all of recent date: Oliver V. K. Holmes, San Jose, Cal., writes: "I find the Remedy all and every more than represented. I receive instantaneous relief." E. M. Carson, A. M., Warren, Kan., writes: "Was treated by eminent physicians of this country and Germany; tried the 'liniment of different states—nothing afforded relief like your preparation.'" T. E. Gates, County Treasurer, Philadelphia, Miss., writes: "Have used the Remedy. Would not live without it. Every one that uses it recommends it." We have many other hearty testimonials of cure or relief, and in order that all sufferers from Asthma, Catarrh, Hay Fever, and kindred diseases may have an opportunity of testing the value of the Remedy we will send to any address trial package free of charge.
