STATE. For Governor, Gen. JAMES A. BEAVER, of Centre County. For Lieut. Governor, Hon. WILLIAM T. DAVIES, of Bradford County. For Auditor General, Col. A. WILSON NORRIS, of Philadelphia. For Secretary of Internal Affairs, Col. THOMAS J. STEWART, of Montgomery County. COUNTY. For Congress-at-Large, Gen. EDWIN S. OSBORNE, of Luzerne County. Congress, JAMES T. MAFFETT, of Clarion County. Assembly, CHARLES A. RANDALL. Treasurer, SOLOMON FITZGERALD. Surveyor, HENRY C. WHITTEKIN. Coroner, Dr. J. W. MORROW.

PRESIDENT CLEVELAND has pardoned another defaulting cashier, James A. Hedden, who wrecked the First National Bank of Newark, N. J. The president's sympathies seem to run to defaulting cashiers rather than to disabled Union soldiers.—Derrick.

NEAL DOW, speaking of the visit of Mr. St. John to Maine, said: "I happen to know how much St. John gets paid, because I contributed to it myself more than I wanted to. He gets \$50 a night. He refused to speak in Augusta and Bangor, because they couldn't raise the money to pay him."

MR. MANLEY Chairman of the Republican State Committee in Maine, has issued a stirring bulletin of victory, which gives the Republican candidate for Governor a clear majority of 14,000 over the Democratic candidate; puts the plurality for Congressmen at 17,000; states that 148 Republican members of the legislature are elected to only 35 Democrats; predicts the re-election of Senator Hale by "the largest vote ever thrown in Maine for a United States Senator," and concludes that "our victory, taking it all in all, is the largest Republican triumph ever achieved in Maine."

EVERY Democratic federal employee in this city and throughout the State, so far as known, has received a circular from the Democratic Committee indicating that a contribution to the Democratic campaign fund will be necessary, and the amount expected is stated. This is one of the horrible practices of Republican committees in former years against which virtuous and indignant Democrats have always made the most boisterous complaints. It was inexpressibly shocking to the fine Democratic sense of propriety, and whole barrels of tears were shed by Democratic orators in sympathy for poor Republican clerks whose salaries were thus raided for campaign purposes. It seems, however, that it was wrong only when done by Republican committees and that the law made under a Republican administration to put a stop to it was only intended to be observed by Republicans.—Phila. Press.

SATURDAY last was the last day on which taxes could be paid entitling a citizen to a vote at the coming election. We hope that all good Republicans were careful that this important duty was not neglected. Nothing now remains for the voters of the party to do but pull off their coats and go to work from this on until the polls close on the 2d of November. The party never was healthier or in better fighting trim and we must make a good fight as we always do when each man takes a hold. We want to hear that all young Republicans, who will cast their first vote this fall, are in the harness and doing good work for the solid old party to which they have tied their political faith. The ticket is one of which any one can well be proud, and with it we need not know such a thing as defeat. Let us each and every one stand firmly by it and elect it by an old-fashioned majority.

THE warmth of the reception accorded to Generals Beaver and Osborne in the counties of this section of the State is a cheering sign of the times. Wherever they go they are met by great crowds, who receive what they have to say with every manifestation of cordial endorsement. Both General Beaver and General Osborne are men of the people, in close sympathy with the masses, the source of authority and the fountain from which the true statesman draws his inspiration. This explains the cordiality of their greeting everywhere. The capitalist, the business man and the son of toil all see in the success of the Republican party their only hope of the proper protection of the material interests of the country. The interests of the various classes are identical. The benefit of one means the good of all. The injury of one involves harm to the others. Hence the diversified and representative character of the audiences which greet Generals Beaver and Osborne. This is a hopeful sign, and the magnitude and enthusiasm of these gatherings foreshadow the grandeur of the victory to be won by the party on the 2d of November.

Whereas, in and by an act of the General Assembly of the Commonwealth of Pennsylvania, entitled 'An Act to regulate the Elections of the Commonwealth,' passed the 2d day of July, A. D., 1836, it is made the duty of the Sheriff of every county within this Commonwealth to give public notice of the General Elections, and in such notice to enunciate: 1st. The officers to be elected. 2d. Designate the place at which the election is to be held.

LEONARD AGNEW, High Sheriff of the county of Forest, do hereby make known and give this public notice to the electors of the county of Forest, that a General Election will be held in said county, on Tuesday, November 2, 1886.

between the hours of 7 a. m. and 7 p. m. at the several Election Districts. The Electors of Barnett township at Jacob Mager's Carpenter shop. The Electors of Green township at the house of L. Arner. The Electors of Harmony township at Allender School House. The Electors of Hickory township at the hotel of J. W. Ball. The Electors of Howe township as follows: Those residing in the Election District of West Howe, to-wit: Those west of the following line, viz: Beginning at the northeast corner of warrant number 3498, and northwest corner of warrant number 2755, and running thence directly south to the Jenks township line, at the Balltown School House. The Electors of Howe township residing in the Election District of East Howe, to-wit: Those residing east of the above mentioned line, at Brookston, in Brookston Library Hall.

The Electors of Jenks township at the School House in Marion. The Electors of Kingsley township at Newtown School House. The Electors of Tionesta township at the Court House in Tionesta borough. The Electors of Tionesta borough at the Court House in said borough. At which time and places the qualified electors will elect by ballot: One person for Governor of Pennsylvania. One person for Lieutenant Governor of Pennsylvania. One person for Auditor General of Pennsylvania. One person for Secretary of Internal Affairs of Pennsylvania. One person for Congressman-at-Large for the 1st District of Pennsylvania. One person for Member of Congress for the 25th District of Pennsylvania. One person for State Senate for the 38th District of Pennsylvania. One person for Assembly of Forest County. One person for Treasurer of Forest County. One person for Surveyor of Forest County. One person for Coroner of Forest County.

The act of Assembly entitled "An act relating to the elections of this Commonwealth," passed July 2, 1819, provides as follows, viz: "In case the person who shall have received the second highest number of votes for inspector shall not attend on the day of any election, then the person who shall have received the second highest number of votes for Judge at the next preceding election shall act as inspector in his place. And in case the person who shall have received the highest number of votes for inspector shall not attend, the person elected Judge shall appoint an inspector in his place, and in case the person elected Judge shall not attend, then the inspector who received the highest number of votes shall appoint a Judge in his place; and if any vacancy shall continue in the board for the space of one hour after the time fixed by law for the opening of the election, the qualified voters of the township, ward or district for which such officer shall have been elected, present at the place of election shall elect one of their number to fill such vacancy."

I also give official notice to the electors of Forest county, that by an act entitled "An Act further supplemental to the act relative to the election of this Commonwealth, approved Jan. 30, 1874" Sec. 3. All the electors by the citizens shall be by ballot; every ballot voted shall be numbered in the order in which it shall be received, and the number recorded by the clerks on the list of voters opposite the name of the elector from whom received. And any voter voting two or more tickets the several tickets so voted shall each be numbered with the number corresponding with the number to the name of the voter. Any elector may write his name upon his ticket, or cause the same to be written thereon, and attested by a citizen of the district. In addition to the oath now prescribed by law to be taken and subscribed by election officers, they shall severally be sworn or affirmed not to disclose how any elector shall have voted, unless required to do so as witnesses in a judicial proceeding. All judges, inspectors, clerks

and overseers of every election held under this act, shall, before entering upon their duties, be duly sworn or affirmed in the presence of each other. The judge shall be sworn by the minority inspector, if there shall be such minority inspector, if not, then by a Justice of the peace or alderman, and the inspectors and clerks shall be sworn by the judge. Certificates of such swearing or affirming shall be duly made out and signed by the officers so sworn, and attested by the officer who administered the oath. If any judge or minority inspector refuses or fails to swear the officers of election in the manner required by this act, or if any officer of election shall act without being duly sworn, or if any officer of election shall certify that any officer was sworn when he was not, it shall be deemed a misdemeanor, and upon conviction the officer or officers so offending shall be fined not exceeding one thousand dollars, or imprisoned not exceeding one year, or both, in the discretion of the court. Sec. 11. It shall be lawful for any qualified citizen of the district, notwithstanding the name of the proposed voter is contained on the list of resident taxpayers, to challenge the vote of such person, whereupon the proof of the right of suffrage as is now required by law shall be publicly made and acted upon by the election board and the vote admitted or rejected, according to the evidence. Every person claiming to be a naturalized citizen shall be required to produce his naturalization certificate at the election before voting, except where he has been for five years consecutively a voter in the district in which he offers to vote; and on the vote of such person being received, it shall be the duty of the election officers to write or stamp on such certificate the word "voted," with the day, month and year; and if any election officer or officers shall receive a second vote on the same day, by virtue of some certificate, except where sons are entitled to vote because of the naturalization of their fathers, they and the person who shall offer such second vote, shall be guilty of a misdemeanor, and on conviction thereof, shall be fined or imprisoned, or both, at the discretion of the court; but the fine shall not exceed five hundred dollars in each case, nor the imprisonment one year. The like punishment shall be inflicted on conviction on the officers of election who shall neglect or refuse to make or cause to be made the endorsement required aforesaid on said naturalization certificate. Sec. 12. If any election officer shall refuse or neglect to require such proof of the right of suffrage as is prescribed by this law, or laws to which this is a supplement, from any person offering to vote whose name is not on the list of assessed voters, or whose right to vote without requiring such proof, every person so offending shall, upon conviction, be guilty of a misdemeanor, and shall be sentenced for every such offense, to pay a fine not exceeding five hundred dollars, or to undergo an imprisonment of not more than one year, or both, at the discretion of the court. I also make known the following provisions of the new Constitution of Pennsylvania: ARTICLE VIII. SUFFRAGE AND ELECTIONS. Sec. 1. Every male citizen twenty-one years of age, possessing the following qualifications, shall be entitled to vote at all elections: First.—He shall have been a citizen of the United States at least one month. Second.—He shall have resided in the State one year, (or, if having previously been a qualified elector or native born citizen of the State he shall have resided therein and returned, then six months,) immediately preceding the election. Third.—He shall have resided in the election district where he offers to vote at least two months immediately preceding the election. Fourth.—If twenty-two years of age or upwards, he shall have paid within two years a State or county tax which shall have been assessed at least two months and paid at least one month before election. Sec. 2. The General election shall be held annually on the Tuesday next following the first Monday of November, but the General Assembly may, by law, fix a different day, two-thirds of all the members of each House consenting thereto. I also give official notice of the following provisions of an act approved the 30th of March, 1891, entitled "An act regulating the mode of voting at all the elections of this Commonwealth." Sec. 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That the qualified voters of the several counties of this Commonwealth, at all general, township, borough and special elections are hereby heretofore authorized and required to vote by tickets printed or written, or partly printed and partly written, severally classified as follows: One ticket shall embrace the names of all judges of courts voted for and shall be labeled "Judiciary;" one ticket shall embrace the names of all the State officers voted for and be labeled "State;" one ticket shall embrace the names of all the county officers voted for and be labeled "Borough," and each class shall be deposited in separate ballot boxes. Notice is hereby given, That any person excepting Justices of the Peace who shall hold any office or appointment of profit or honor under the United States, or this State, or any city or corporation, or district, whether commissioned officer or otherwise, a subordinate officer or agent who is or shall be employed under the legislature, executive or judiciary department of this State, or in any city, or of any incorporated district, and also that every member of Congress, or of the State Legislature, or of the select or common council of any city, or commissioners of any incorporated district, is by law incapable of holding or exercising at the time, the office or appointment of judge, inspector or clerk of any election in this Commonwealth, and that no inspector, judge or other officer of such election shall be eligible to be then voted for. The Judges of the aforesaid districts shall representatively take charge of the certificates of return of the election of their respective districts, and produce them at the Prothonotary's office in the Borough of Tionesta, as follows: "All judges living within twelve miles of the Prothonotary's office, or within twenty-four miles if his residence be in a town, village or city upon the line of a railroad leading to the county seat, shall before two o'clock p. m., on WEDNESDAY, NOVEMBER THIRD, 1886, and all other judges shall before twelve o'clock, m., on THURSDAY, NOVEMBER FOURTH, 1886, deliver said returns, together with the return sheets, to the Prothonotary of the Court of Common Pleas of Forest county, which said return shall be filed, and the day and hour of filing marked thereon, and shall be preserved by the Prothonotary for public inspection. Given under my hand at my office in Tionesta, Pa., this 27th day of September, 1886, at one hundred and eighty-six, and in the one hundred and eleventh year of the Independence of the United States. L. AGNEW, Sheriff.

THE KLINE PATENT GAS BURNER,

IS DRIVING ALL OTHERS FROM THE FIELD.

BECAUSE—Its construction is such that it secures PERFECT COMBUSTION, and avoids all Soot and Lampblack. It will pay for itself in a short time as it will SAVE HALF THE LIFE OF THE STOVE by applying the heat low down and directly against the fire-box. The Electrician of the Penn. R. Co., says of it— "I have been using the Kline Gas Burner in my cooking-stove for the last six months, and during that time there has not been a particle of soot or lamp-black formed in the stove or on the bottom of the cooking utensils, brought directly in contact with the flame. I can conscientiously recommend it as being the best in the market. I would use no other as long as I could procure the Kline Gas Burner." "J. S. RICHARDS."
