RALLY REPUBLICANS!

From all over the State comes the cheerful tidings of Republican activity where he has done surveying. He ty-of the determination of the latter to close up the ranks and move with irresistable force to a grand victory on the 2d of November. The matchless ticket presented by our party challenges the admiration of every the Republicans for the office of Cor-Republican in the land and they are rallying to its support with a will that forebodes the most complete success. The same can be truthfully said of our county ticket, and the same earnest activity is being put forth for its success. The Republicans in every district are thoroughly aroused to the importance of the work. They know that it always takes work to make success certain and they are always ready to pull off their coats and win. his party. Now a word about our home ticket: Of our candidate for Congress,

JAMES T. MAFFETT.

people will have a representative whose hands are clean from everything that bears the slightest resemblance to crookedness.

CHARLES A. RANDALL, whom the Republicans of Forest county have honored with the nomination for Assembly, is one of our best known and most highly respected citizens. For over nineteen years he has been a resident among us, and during all those years he has retained the good opinions of our people to a wonderful degree. In 1878 the people elected him to the responsible position of Sheriff, which office he filled with great credit to himself and the entire entisfaction of the people of the county. He has been repeatedly elected to fill responsible municipal positions in our borough, every one of which trusts he has guarded with fidelity and ability, never shirking a duty, no matter how unpleasant. In 1884 he received the highly distinguished honor of being one of the Blaine Electors given to any but the most tried and so man can put his finger on a place where he betrayed a trust, or did not come up fully to the expectation of to represent our county intelligently publican ticket. in the Legislature there is not the alightest question. of Barnett township, who has received the unanimous endorsement of the Republican party for the office of County Treasurer, is perhaps not so well known all over the county, but in and about his home no man is more popular and highly spoken of than he, and it would be difficult to find a man that would or could say aught against his reputation as a man of probity and strict honesty. Mr. Fitzgerald is not a wealthy man, but makes his living by the sweat of his brow, and it is not an easy matter either, for he lost THE CANDEE EXTRA BALL, AND nearly the entire use of one arm in the Union army where he fought gallantly for his country for nearly four years. He was one of the first to enlist and came back maimed and disabled for life. Certainly this should entitle him to the support of his fellow men when he asks for a little help at their hands. Veterans, you are growing fewer in number year by year, and you owe it to each other to stand by one of your number when an opportunity like this is presented. Honest, capable, worthy Solomon Fitzgerald will be elected Treasurer if the people of the county but do their duty.

HENRY C. WHITTEKIN, the nominee of the Republican party for County Surveyor, has served one term in that capacity very satisfactorily. He is well known in nearly ly every nook and corner of the counwill be re-elected without a doubt, and will unquestionably give the same satisfaction to his constituents.

As all know the Doctor is a very careful, painstaking man, who is peculiarly fitted for the place, not only because of his excellent skill as a physician, but because of his rather extensive knowledge of the law pertaining to such matters in which he has taken care to post himself. > THE Clarion Jacksonian last week devoted considerable space to show what Mr. Maffett thought of the Democrats in 1880. Now Bro. Carlisle is nothing if not consistent. We actually believe he would peach on his greatgrand-father if he were to do that which Mr. C. thought wrong. It will now be in perfect order for Bro. Carlisle to furnish his readers with a short dissertation of what Greenback-Democratic candidate St. Clair has hitherto thought and said of the Democrats. Just a few stanzas will suffice.

THE welcome given to Hon. James G. Rlaine in Philadelphia last Saturday night was by far the grandest political event that great city has ever witnessed.
