TO THE REPUBLICANS OF FOREST COUNTY.

On next Tuesday our citizens will decide by ballot who shall be Governor; who shall be State officers of a great Commonwealth. They will then decide whether our state government is to be administered in accordance with what we know to be the true policy, or shall continue to be administered by a political party which has shown itself wholly incompetent to administer the affairs of this state to the interest and welfare of her people.

Shall we vindicate the wrong done four years ago, and place our standard bearer, the veteran General James A. Beaver, at the helm? Answer this question by such a majority in Forest County for the man with the crutch as will rattle the "dry" bones of even Chas. S. Wolfe. Answer it by showing that, although we are a small county, we still have a large majority in favor of honest government, protection to the laboring classes, and rebuke to the party that would disgrace our institutions by *Free Trade*, bogus reform, and pure, unadulterated bourbon deception.

For Congress we have James T. Maffett Esq., of Clarion; a man of intelligence, an eminent lawyer, a man whose personal character cannot be impeached, a man whose political record is clean. Our candidate for Congress is a square shouldered, manly man; his shoulders have never been rounded by carrying water on both. Vote for Maffett; bend your energies on election day for the man who will faithfully guard our interests in the Legislative Halls of the Nation. Work for a man who is all a Congressman should be; against the Dr. what-is-it, whom even the democratic delegates from his own county refused to recognize in convention, and from whom the democratic delegates of Forest County withdrew in contempt. Work to the end that when the evening of Nov. 2d shall come the office-hunter, the great what-is-it, who was nominated by three counties and disdained by his own and Forest County, will be snowed under a majority that his political standing so well deserves.

For Senator vote for H. L. Young, a man whom we can trust, an honorable man, a man whose nomination was not secured by *solid cash*.

We present for the consideration of the voters of Forest County a ticket to which we as Republicans can point with pride. We present to them men who will fill the offices they seek with honor to themselves and credit to our county.

Vote for Charles A. Randall, a man in whom you all have greatest confidence, a man who has been prominent in our County, a man of sound sense, of ability, a man who will in his official duties have the interest of our citizens at heart. Vote for Randall, work for him at the polls. Remember, we don't want a *Free Trade*, dyed-in-the-wool, horizontal tariff reduction U. S. Senator sent from Pennsylvania next winter, to help the Johnny Bull

schemes through our Halls of Congress.

Solomon Fitzgerald, a veteran, who carries remembrances of his devotion to his country in her day of peril, is the man for County Treasurer. He will perform the duties of the office in a manner that will make us feel proud that we elected him. He is a gentleman, obliging, worthy, and he must be elected.

Vote for Whittekin. He is true blue, can run a line with any man in the States, and will fill the office of County Surveyor with dignity, cheerfulness, and business skill combined on the most approved methods.

For Coroner, Dr. Morrow. Don't forget the Doctor; though last on the ticket he is not least. Work for him; see that he gets a large majority. Put him in the chair with such force of numbers that young Doc. Siggins will be shaken clear off the platform.

The best our opponents have on hand will be urged against us until the polls close next Tuesday evening. Their oiliest talkers, closest traders, and best manipulators will be on hand with their finest stock of wares. Keep your eye on the chap who has a "trade" to offer. Don't let the rooster who has a "confidential" to show you concerning any of our candidates get away till you have nailed his scheme. Do your whole duty as citizens; do your duty as Republicans, and Forest County will have a good round majority to her credit, and our ticket will be elected without the loss of a man.

CURTIS M. SHAWKEY,
Chairman.

VOTE for General Beaver, the gallant one-legged soldier, the brilliant orator and statesman, the true Christian gentleman. His companions on the State ticket are made of the same metal. Vote it straight.

REPUBLICANS let nothing keep you from the polls next Tuesday. Get there early and put in some good solid work for the whole ticket. All over the State the Republicans are worked up to a fever heat and our county must show up with any of them. Bend every energy toward getting out every vote. There never was a ticket placed before you that was more deserving of your heartiest support, from the gallant Beaver down. James G. Blaine, the great favorite of Pennsylvania Republicans, has been in the State and stirred it up from center to circumference. He says the ticket ought to be elected by an overwhelming majority—that it cannot be too large. Again we earnestly admonish you to be on hand early and work hard.

VOTE for Charles A. Randall for Assembly, the careful guardian of the interests of his constituents. A ready debater, sound reasoner, faithful to every interest of the county, he will make a champion in the Halls of our State Legislature, of whom we will all be proud. He is pre-eminently the man for the place, and the people will make no mistake in electing him.

Was Dr. St. Clair posing as an "Anti-mopoli?" and the "Friend of Labor" when he voted against the Free Pipe Line bill in the State Senate, the passage of which measure then would doubtless have saved Pennsylvania and the nation from the immeasurable disgrace of the Standard Oil Company? The Standard was then in the lobby of the Senate at Harrisburg, (as it has been since, when its interests were threatened.) The newspaper organs which are heralding him as the special champion of labor and anti-monopoly cannot deny these facts. The Kittanning Globe should give the fact special consideration, since the defeat of the measure was one of very grave importance to the laborers and producers of Armstrong as well as to Clarion and the other counties of the District where Dr. St. Clair is hunting votes.—Clarion Rep. Gazette.

VOTE for Solomon Fitzgerald for County Treasurer, the crippled and maimed soldier, who gave the best days of his life to the cause of his country. He deserves the support of every man who believes in giving a helping hand to an industrious, honest, capable man, who, through his disabilities, has up-hill work in making a living.

VOTE for James T. Maffett for Congress, the clean handed, upright man from Clarion. A man who has never been mixed up in the least in any political or other trickery; a man who is loved and most highly respected by all his neighbors, irrespective of politics.

VOTE for H. L. Young of Strattanville, Clarion county, for State Senator, a man of honor and ability, in whom the people of his neighborhood have the utmost confidence.

GIVE General Beaver the same hearty support in peace that he gave you in war.

VOTE for H. C. Whitekin for County Surveyor. He has filled the office one term with satisfaction and will do so again, being very attentive to business.

LET us see that every Republican vote in the county is polled next Tuesday. All help get out the vote.

VOTE for Dr. Morrow for Coroner, a skillful physician and upright gentleman, and possesses the requisite legal knowledge to administer the office correctly.

The act of Assembly entitled "an act relating to the elections of this Commonwealth," passed July 2, 1886, provides as follows, viz:

"In case the person who shall have received the second highest number of votes for inspector shall not attend on the day of an election, then the person who shall have received the second highest number of votes for judge at the next preceding election shall act as inspector in his place. And in case the person who shall have received the highest number of votes for inspector shall not attend, the person elected Judge shall appoint an inspector in his place, and in case the person elected Judge shall not attend, then the inspector who received the highest number of votes shall appoint a Judge in his place; and if any vacancy shall continue in the board for the space of one hour after the time fixed by law for the opening of the election, the qualified voters of the township, ward or district for which such officer shall have been elected, present at the place of election shall elect one of their number to fill such vacancy.

and overseers of every election held under this act, shall, before entering upon their duties, be duly sworn or affirmed in the presence of each other. The judges shall be sworn by the minority inspector, if there shall be such minority inspector, if not, then by a justice of the peace or alderman, and the inspectors and clerks shall be sworn by the judge. Certificates of such swearing or affirming shall be duly made out and signed by the officers so sworn, and attested by the officer who administered the oath. If any judge or minority inspector refuses or fails to swear the officers of election in the manner required by this act, or if any officer of election shall act without being duly sworn, or if any officer of election shall certify that any officer was sworn when he was not, it shall be deemed a misdemeanor, and upon conviction, the officer or officers so offending shall be fined not exceeding one thousand dollars, or both, in the discretion of the court.

Sec. 11. It shall be lawful for any qualified citizen of the district, notwithstanding the name of the proposed voter is contained on the list of resident taxables, to challenge the vote of such person, whereupon the proof of the right of suffrage shall be made and acted upon by the election board and the vote admitted or rejected, according to the evidence. Every person claiming to be a naturalized citizen shall be required to produce his naturalization certificate at the election before voting, except where he has been for five years consecutively a voter in the district in which he offers to vote; and on the vote of such person being received, it shall be the duty of the election officers to write or stamp on such certificate the word "voted," with the day, month and year; and if any election officer or officers shall receive a second vote of the same voter on any one certificate, except where sons are entitled to vote because of the naturalization of their fathers, they and the person who shall offer such second vote, shall be guilty of a misdemeanor, and on conviction thereof, shall be fined or imprisoned, or both, at the discretion of the court; but the fine shall not exceed five hundred dollars in each case, nor the imprisonment one year. The like punishment shall be inflicted on conviction on the officers of election who shall neglect or refuse to make or cause to be made the endorsement required aforesaid on said naturalization certificate.

Sec. 12. If any election officer shall refuse or neglect to require such proof of the right of suffrage as is prescribed by this law, or laws to which this is a supplement, from any person offering to vote whose name is not on this list of assessed voters, or whose right to vote without requiring such proof, every person so offending shall, upon conviction, be guilty of a misdemeanor, and shall be sentenced for every such offense, to pay a fine not exceeding five hundred dollars, or to undergo an imprisonment of not more than one year, or both, at the discretion of the court.

I also make known the following provisions of the new Constitution of Pennsylvania:

ARTICLE VIII.

SUFFRAGE AND ELECTION.

Sec. 1. Every male citizen twenty-one years of age, possessing the following qualifications, shall be entitled to vote at all elections:

First.—He shall have been a citizen of the United States at least one month.

Second.—He shall have resided in the State one year, (or, if having previously been a qualified elector or native born citizen of the State he shall have renewed his citizenship and returned, then six months,) immediately preceding the election.

Third.—He shall have resided in the election district where he offers to vote at least two months immediately preceding the election.

Fourth.—If twenty-two years of age or upwards, he shall have paid within the year a State or county tax which shall have been assessed at least two months and paid at least one month before election.

Sec. 2. The General election shall be held annually on the Tuesday next following the first Monday of November, but the General Assembly may, by law, fix a different day, two-thirds of all the members of each House consenting thereto.

I also give official notice of the following provisions of an act approved the 30th of March, 1886, entitled "An act regulating the mode of voting at all the elections of this Commonwealth."

Sec. 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That the qualified voters of the several counties of this Commonwealth, at all general, township, borough and special elections are hereby authorized and required to vote by tickets printed or written, or partly printed and partly written, severally classified as follows: One ticket shall embrace the names of all judges of courts voted for, and shall be labeled "Judiciary;" one ticket shall embrace the names of all the State officers voted for, and be labeled "State;" one ticket shall embrace the names of all the county officers voted for, including office of Senator and member of Assembly, if voted for, and member of Congress, if voted for, and be labeled "County;" one ticket shall embrace the names of all the township officers voted for, and be labeled "Township;" one ticket shall embrace the names of all the borough officers voted for and be labeled "Borough," and each class shall be deposited in separate ballot boxes.

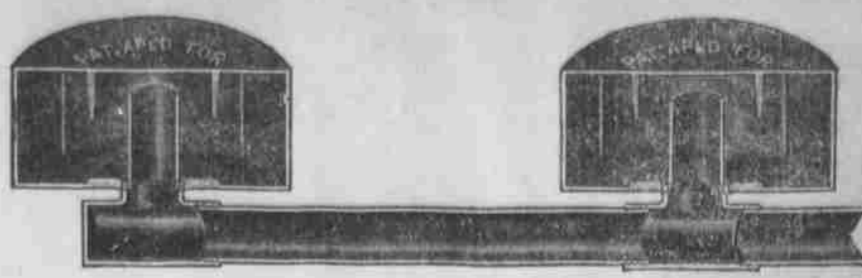

Notice is hereby given, That any person excepting justices of the Peace who shall hold any office or appointment of profit or trust under the United States, or this State, or any city or incorporated district, whether commissioned officer or otherwise, a subordinate officer or agent who is or shall be employed under the legislative, executive or judiciary department of this State, or in any city, or of any incorporated district, and also that every member of Congress and of the State Legislature, or of the select or common council of any city, or commissioners of any incorporated district, is by law incapable of holding or exercising at the time, the office or appointment of judge, inspector or clerk at an election in this Commonwealth; and that no inspector, judge or other officer of such election shall be eligible to be then voted for.

The Judges of the aforesaid districts shall representatively take charge of the certificates of return of the election of their respective districts, and produce them at the Prothonotary's office in the Borough of Tionesta, as follows: All judges living within twelve miles of the Prothonotary's office, or within twenty-four miles if their residence be in a town, village or city upon the line of a railroad leading to the county seat, shall before two o'clock p. m., on WEDNESDAY, NOVEMBER THIRD, 1886, and all other judges shall before twelve o'clock, on THURSDAY, NOVEMBER FOURTH, 1886, deliver said returns, together with the return sheets, to the Prothonotary of the Court of Common Pleas of Forest County, which said return shall be filed, and the day and hour of filing marked therein, and shall be preserved by the Prothonotary for public inspection.

Given under my hand at my office in Tionesta, Pa., this 27th day of September, in the year of our Lord one thousand eight hundred and eighty-six, and in the one hundred and eightieth year of the Independence of the United States.

THE KLINE PATENT GAS BURNER,

IS DRIVING ALL OTHERS FROM THE FIELD.

BECAUSE—Its construction is such that it secures PERFECT COMBUSTION, and avoids all soot and lampblack. It will pay for itself in a short time as it will SAVE HALF THE LIFE OF THE STOVE by applying the heat low down and directly against the fire-box.

The Electrician of the Penn. R. R. Co., says of it:—
"I have been using the Kline's Gas Burner in my cooking-stove for the last six months, and during that time there has not been a particle of soot or lamp-black formed in the stove or on the bottom of the cooking utensils, brought directly in contact with the flame. I can conscientiously recommend it as being the best in the market. I would use no other as long as I could procure the Kline Gas Burner."
