JAKE SHARP, the king of the boodle aldermen of New York city, will be tried in May, the 11th of that month having been fixed by Judge Van Brunt for the beginning of the triel. THE attempt to connect Mr. Blaine with the Arthur Richmond criticisms of public men, published in the North American Review, by charging the authorship to Gail Hamilton, is a little rich. If it is done with the hope of destroying any of his influence with the people, it is clearly a mistake. Up to this time Arthur Richmond has other s, inquisitions examinations and there in their proper persons at ten o'clock, A. M., of said day, with their records, inquisitions examinations and other remembrances, to do those things said very little, if anything, to distress which to their offices appertain to be done, and to those who are bound in recognizance to prosecute against the prisoners that are Mugwump or Democrat is not just or shall be in the jail of Forest County, that they be then and there present to prosecute against them as shall be just. Given undeal of sympathy.

THE Inter-State Commission has started on a two weeks' tour of the DO YOU KNOW WHAT THIS MEANS South. Its members will combine business with pleasure. The complaints against the law to which they will be compelled to listen will doubtless be plentifully seasoned with whiffs of the fragrant magnolia and jasmine, and their weary frames will be rejuvenated by the influence of the balmy air and genial sunshine. The path of the commission during this trip will not be strewn entirely with thorns. The flowers of the field, as well as those of rhetoric, will sweeten the air, and lighten the labors which the law imposes upon the fortunate commissioners. - Harrisburg Telegraph.

ACCEPTING Cleveland's letter to the South Carolina committee as a declaration of principle, it would seem that that he is neither a devotes at the shrine of Jefferson, nor even a doorkeeper in the temple of Jackson, but is rather a worshipper at the tomb of the man whose ambition it was to destroy the unity of the nation over which the Buffalo statesmen now presides. The Calhoun letter will certainly not prove a popular card for the approaching campaign. The nation sacrificed many lives and much trensure to suppress a rebellion bred by Calhoun heresy, and Mr. Cleveland will he older than was Methusaleh before it accepts the South Carolinian's beresy for true faith.

### How it Looks Now.

There have been times when the chief question with the Republican party was, whom can we elect? The way matters are shaping now, it looks as if the only question to be asked, next year, will be whom do we want to elect? The recent discussion of Cleveland's candidacy by his own party, indicates plainly that his influence has materially weakened with the regular democrats. To this must be added, that the civil service reformers are likewise disheartened, and that the mugwomp faction have virtually abandoned him. The party is put in the position of being forced to choose from one candidate, and he one of the weak-est of the party. This so well appre-ciated that intelligent democrats and We are authorized to announce J. R. LANDIS, of Barnett township, as a candidate for Sheriff, subject to Republican ent hopelessness of the contest, as againt any reputable republican nomince. On the contrary, the republicans have a score of eminent men, any one of whom could be elected. The only question to be answered by them is, whom should we honor with a nomination? It looks now, as if the auswer would be Blaine. His right to the place is hardly questioned, and it is very probable that all others will naturally stand aside and allow him to take the nomination, just as they would allow him to pick up his own hat if it had blown off, or his cane if he had dropped it, -as something PARSONS, of Jenks township, as a can-didate for County Commissioner, subject other aspirants have no claim. If other aspirants have no claim. If this disposition continues, we shall have the most harmonious convention and the most overwhelming election ever known in the country. It would be a proud thing for the United States if we could see the greatest of our citzens in the greatest of our offices. We have had too many little fellows rattling around in the presidential chair. -Meadville Gazette.

A SWINDLER does not refer possible purchasers to his victims. The Athlophoros Co. gladly refers sufferers from rheumatism, neuralgia, sciatica, nervous or sick headache, kidney and liver complaints to those who have been cured of these diseases by Athlophoros, and will furnish names and addresses of many such persons to those desiring them. Athlophoros is, the only remedy for these diseases that can stand such a test.

A. L. Thomas, Cuba, N. Y., says: "My son, J. M. Thomas, had been suffering from rheumatism for several months. Athlophoros relieved him of the pain, and reduced the swelling of the joints, and the lameness entirely disappeared. I have seen those having neuralgia cured by taking one dose."

A. Beard, Mt. Kisco, N. Y., says; "I have been troubled for some time with sciation and rheumatism, brought on by working in a damp place. I could find no remedy in medicine I was using, until I tried a bottle of Athlophoros, which gave me immediate relief."

Mrs. Alfred Thurston, 42 North Main Street, Wilkesbarre, Pa., says: "I am not troubled with rheumatism now, since using Athlophoros. I believe, should it in any case fail to relieve and permanently cure, the cause would be that the directions were not faithfully followed."

J. J. Savitz, Nazareth, Pa., says: "I gave two bottles of Athlophoros to my sister, and she has entirely recovered. She was afflicted with inflammatory rheumatism and St. Vitus' dance, and although we had two of the best doctors, she gradually grew worse. She would scream from pain night and day. I heartily recommend it.

Every druggist should keep Athlophoros and Athlophoros Pills, but where they can-not be bought of the druggist the Athlo-phoros Co., 112 Wall St., New York, will send either (carriage paid) on receipt of regular price, which is \$1.00 per bottle for Athlophoros and 50c. for Pills. For liver and kidney diseases, dyspepsia, in-ligistion, weakness, nervous detility diseases of women, constitution, beadache, impure lood, &c., A thiophoros Pills are unequaled.
