TEN YEARS IN PENITENTIARY.

That is What Wilson and Haggerty Get—Other Court News.

The following business was transacted at court after our paper went to press last week:

Com. vs. J. M. Church et. al., for cutting timber trees; verdict, not guilty, and prosecutor J. M. Kepler pay costs.

W. W. Barr, Adm'r &c., vs. James Rafferty; settlement of Estate of Michael Rafferty, deceased. Verdict in favor of plaintiff.

Com. vs. Charles Buck, on charge of Larceny; not guilty.

In the matter of license applications, the court refused all petitions.

The trial of Sheldon Wilson and Thomas Haggerty for the commission of the desperate attempt to rob and murder the Wagner family, with the particulars of which our readers are by this time quite familiar, attracted perhaps the largest crowd of spectators that ever assembled in our Court House last week. The case was called on in the evening of last Thursday, and interest was unabated until final sentence was passed upon the prisoners. The prosecution was conducted by District Attorney P. M. Clark, assisted by his partner, Hon. J. B. Agnew, T. F. Ritchey and Miles W. Tate, Esqrs. The defense was in charge of Hon. E. L. Davis, assisted by F. B. Guthrie, Esq., of Titusville. Both sides were hotly and ably contested. A jury was impaneled by six o'clock in the evening as follows: Frank Witherell, lumberman, Hickory; George W. Kerr, county superintendent-elect, Tionesta; Daniel Andrews, farmer, Hickory township; A. A. Copeland, farmer, Harmony township; W. R. Hasselback, lumberman, Jenks township; Peter Knight, blacksmith, Barnett township; Henry Desher, laborer, Kingsley township; James Johnson, farmer, Kingsley township; Walter Crouch, merchant, Hickory; Stephen Taft, lumberman, Hickory township; Asa Lovejoy, teamster, Tionesta township.

The first witness was Jacob Wagner, who testified that he lived five miles from Tionesta. His evidence varied only slightly from that given at the hearing before the justice, and which was published in these columns two weeks ago. We therefore omit it to save space.

AUGUST WAGNER. August Wagner testified—I am a son of Jacob Wagner. I was eating supper and heard a noise on the porch. I looked up and saw two tall men with clubs and revolvers held out; they struck me down; I got up and ran up stairs for my Winchester

ter rifle. Adam came up and we got the rifle, climbed out on the porch roof and shot. I saw two men running towards the woods after the light. We found two revolvers and two clubs in the house, one revolver and club by the dead man and one club in the woods where the club was cut; they were cut in the field below our woods. Witness identified a handkerchief taken from the dead man's face. I counted 15 bullet marks in the house and one in my brother's arm. When I ran up for the gun I was shot at twice. Wilson was the first man who came in.

Cross examination—Each man's face was tightly covered; each man had two clubs and two revolvers, one club and a revolver in each hand. They struck and shot right along; as they struck they shot. I went from the kitchen to the sitting-room to go up stairs; one man followed me, shooting. When my brother came up stairs he spoke and I let him in the room; I had not found the gun; Adam found it and went on the porch roof and fired two shots. These are the men as near as I can tell.

MRS. WAGNER ON THE STAND. Mrs. Wagner testified—I came out of an out house on Tuesday evening; one fellow caught me by the hand, and pointing a revolver in my head told me to keep still or he would kill me; I saw one fall down as he passed me; I saw three men run towards the house; I saw one fall down as he passed me; the man let me go; I ran into the wood-house and hid. I thought my folks were all killed.

ANOTHER SON TESTIFIES. Henry Wagner testified—I was eating supper; heard a racket on the porch; saw a man inside the door and one in the door shooting. I grabbed a chair, ran and hit the man in the door, knocking him down. A man outside ready to come in, hit me and knocked me over against the stove; he struck me twice. I ran to the bed room, got the gun from my brother; it was not loaded as he had shot. I went toward Wilson and put them out; went back to the bed room thinking they might come through the window. These are the men, I struck Haggerty.

THE WOUNDED BOY TESTIFIES. Jacob Wagner, jr., testified—I was at home on the evening of May 3d and was lying in the room on a lounge; heard shooting and went into the sitting room; saw a man and went into the kitchen and knocked a man down; came back into the sitting room and saw the man in there; caught hold of his club and knocked him down; he fell and shot me in the side under the arm, the bullet is there yet. The first one I knocked down was Wilson; the second one was the one killed.

Cross examination—I am 21 years old. The second man was between me and the kitchen. I first went into sitting room and saw a man there. There was one light in the house on the kitchen table. I think the man in the sitting room was Wilson. I knocked him down; he crawled out on his hands and feet. I knocked another man down in the sitting room and he crawled out on his hands and feet to the kitchen, then got up and ran out of the door.

THE BOY WHO DID THE SHOOTING. Adam Wagner testified—I was eating supper about 9 o'clock; saw a big man the size of Wilson come in; he had a revolver and a club in his hand and had a cloth or handkerchief over his face. I ran in the room for the gun; pulled the wrong trigger or I should have shot him dead. The ball struck the side of the door. I ran through the sitting room up stairs; they shot after me; I found two bullets in the stairs next day. I got the gun and got out on the porch roof intending to climb down and attack them from the outside; saw one man running from the house; shot at him; saw another one run and shot at him; he kept on running. I could not tell the size of the men. I found one of the bullets in the ground 46 feet from where I shot, the other was in the dead man.

Cross examined—I intended to kill the first time I shot. I saw two men; I went up stairs for my Winchester rifle; the man fired at me running away from the house. I took deliberate aim and fired to kill him. I found the last ball in the ground. I was perfectly cool. I went in through the window and down stairs. I found none of the men there. I think Wilson was the last man shot; think the attack lasted about five minutes.

THE CORONER. Dr. Morrow, coroner of the county and physician, testified: I went out to Wagner's house at 11 o'clock the night of May 3; examined Jacob Wagner's wounds; he was hurt on the head and neck and bleeding; found the house all tossed up; found the dead man 100 feet from the house by the bars; took the handkerchief off his face; he was lying on his back; turned him over and took him into the house. The dead boy wore a cutaway suit; witness identified a photograph of the dead boy. I examined Wilson and Haggerty's eyes were bruised. A gun-shot wound in the calf of his right leg; probed for the bullet but did not find it.

Dr. J. B. Siggins examined the Wagner's and also the prisoners. His testimony corroborated the coroner's.

The session of the court Friday evening was devoted to testimony of tracing Haggerty from Edenburg to the woods near Lineville, where the buggy stopped and remained stationary from one-half to three quarters of an hour, when Haggerty returned, Wilson being in the buggy with him.

John McPherson testified—He was at Lineville May 5, met Haggerty in the buggy on the Tionesta side of Lineville being towards President. Haggerty came back with Wilson with him. They drove toward Fryburg; I followed after them, stopped near the Pittsburgh and Western railroad; Haggerty got out, raised up in the seat and handed a package to Wilson, who got out and walked to the depot; he walked lame; Haggerty drove to the depot.

Cross examined—I drove from my father's toward Lineville; saw a man that turns out to be Haggerty driving toward Lineville; he inquired the way; a stranger is apt to get confused in the five cross roads at Lineville; the men drove to the railroad station; the lame man got out; the other man handed him a package and drove toward Edenburg.

The succeeding witnesses testified to the arrest and search of the prisoners and articles found upon the prisoners.

J. D. Kaufman testified—I live in Edenburg; saw Wilson at Elk City; got on the train with him when we got to Edenburg. I arrested Wilson, searched him and found a package containing a gun coat with blood stains on it; upon his person found a bunch of keys and a bent button hook, a pocket knife and lance, a small bottle labeled poison, gold watch and chain and a bloody towel.

Harry Coulter testified—I was present when Haggerty was searched; he was arrested in a water closet in the rear of the Edenburg house; searched the water closet and found an oil cloth bag; took it and saw a rake; found it contained tools of various kinds, broken drills, gauges, augurs and chisels for drilling iron.

T. F. Ritchey, counsel for prosecution, testified—The cartridges found on Haggerty fit the revolvers found on the floor of Wagner's house after the conflict; I came over with the prisoners from Edenburg; Wilson said his leg was sprained; I took

off his shoe; his sock was saturated with blood; I cut it from his foot; I was present in the jail when the doctors examined Wilson's leg; Wilson said: "Now that the doctors are going to examine my leg I will tell what made that sore; 'It is a gun shot wound, but not a Winchester." I searched the prisoner at Edenburg and got \$30 in money; found two holes in Wilson's coat and corresponding ones in the vest; putting a pencil in the same it went clear through the vest and coat. The prosecution rested their case.

On Saturday morning the defense called but one or two witnesses, and counsel called the attention of the jury to some slight inaccuracies of the witnesses for the prosecution and rested their case. Mr. Guthrie for the defense and Mr. Ritchey for the prosecution, made the pleas for their respective sides. Judge Brown's charge to the jury was clear and impartial, and the case was so plain that the jury was only out ten minutes when a verdict of guilty in manner and form as indicted was returned. The prisoners were then arraigned before the bar and stood up to receive their sentences, which were as follows in each case: For felonious assault seven years and six months, and a year, sentence to be computed from that date. As both sentences run parallel it means really ten years for each. Wilson took his dose very calmly, but Haggerty was completely overcome. His wife, who remained with him during all the trial with her babe, plead for mercy for her husband, but that time had passed; the crime of which he had been convicted was too heinous to admit of clemency from the law.

OTHER SENTENCES. The court also pronounced sentence, at the same time, on Pete Barber, for larceny, for two years and four months in the penitentiary. Charles Harger, breaking jail, \$25 fine, costs and 20 days in jail.

MEMORIAL DAY, 1887.

Headquarters Stow Post, No. 274, G. A. R., General Order No. 2: Memorial Day will soon be here. As in the past let us prepare to attend to the duties of the day, that posterity may remember at what cost American liberty was preserved. Memorial Day must become less a day for sorrowing than a day for sacred and profound rejoicing that Liberty is a priceless possession, and that in every time of need those who enjoy it will sacrifice all, suffer all and dare all to maintain and preserve it. Let us therefore on the coming 30th day of May observe it as a day of joyous festival of patriotism. Let us strew with flowers the graves of our dead comrades, in thanksgiving to God for the example of their heroic lives, and as inspiration to coming generations to emulate their sublime devotion to their country's cause, to the flag, and to the interests of humanity.

I trust that the department of Comrades on this occasion will prove that we have not forgotten the cost nor the example left us by those who suffered that the Union should be preserved. It is expected and earnestly hoped that all soldiers, whether they are members of the Post or not, will be present and encourage and assist in the exercises of the day. All Sabbath Schools with their Superintendents are invited to be present at the cemeteries and assist in the decoration of the graves of those whose memories we delight to honor. It is recommended that all business be suspended and that all turn out to do honor to their departed ones, by strewing flowers over their graves. A Memorial Sermon will be preached in the Presbyterian church May 29, at 11 a. m., and all soldiers are earnestly solicited to be present.

IT IS WONDERFUL

how easily rheumatism begins, and how insidiously it grows in the system, until one is started to find himself its victim in either the acute or chronic form. He then learns the fearful tenacity of its grip and the utter powerlessness of the ordinary remedies to give relief.

Probably no disease have physicians given more study, and none has more completely baffled their efforts to provide a specific; and until Athliphoros was discovered there was no medicine which would surely cure rheumatism, neuralgia and nervous or sick headache. Thousands of testimonials like the following prove beyond question that Athliphoros is the only reliable remedy, and that it will do all that is claimed for it.

Catskill, Green Co., N. Y. August 19, 1886.

I can recommend the Athliphoros to anybody that is in want of it. It has cured my mother who has had neuralgia all her life and also rheumatism. She says she is all free from pain now, and will not be without a bottle for twice the price. I gave a bottle to my brother who had neuralgia in the bowels and it fixed him in a few days.

FRANK EDWARDS, Rouses Pt., Clifton Co., N. Y. August 18th, 1886.

Two years ago this summer I was sorely afflicted with rheumatism in my right knee and left shoulder, and was induced by a friend to try Athliphoros. I used five bottles, got well, and have been comparatively free from rheumatism since. I have great faith in it, and have recommended it to my friends. So far as I know all who have tried it speak its praise.

Every druggist should keep Athliphoros and Athliphoros Pills, but where they cannot be bought of the druggist the Athliphoros Co., 112 Wall St., New York, will send either (charge paid) on receipt of regular price, which is \$1.00 per bottle for Athliphoros and 50c. for Pills.

For Fever and Ebdy disease, dyspepsia, indigestion, weakness, nervous debility, disease of women, constipation, headache, impure blood, &c., Athliphoros Pills are unequalled.

WONDERFUL CURES.
