

Republican Ticket.

JUDICIAL. Judge of the Supreme Court, HENRY W. WILLIAMS, Tioga County. STATE. State Treasurer, WILLIAM B. HART, Dauphin County. COUNTY. Prothonotary, &c., CALVIN M. ARNER. Sheriff, GEORGE W. SAWYER. Commissioners, J. J. PARSONS, C. F. LEDEBUR. Auditors, R. Z. GILLESPIE, E. L. JONES. Jury Commissioner, C. H. CHURCH.

EVERY Republican should register at once.

By the burning of the Theatre Royal at Exeter, England, on Monday night, one hundred and forty people lost their lives.

We nominate Colonel Dan Lamont for a member of the International Commission to settle the fisheries affair. What Lamont doesn't know about the bait question isn't worth knowing.

The author of "Baby Mine" is dead, the author of "Grandfather's Clock" is dead, but the author of "Sweet Violets" is still alive and kicking. So are many, many of his ear-piercing victims.

FRED DOUGLASS, upon his return from Europe, declared that he had been better treated by the best society abroad than he had been in this country, and his statement is ably supported by the fact that he hadn't been back more than a week until some malicious person started a report that he had joined the Democratic party.

WE HAVE no disposition to dispute the remark of Senator Beck, of Kentucky, "that Mr. Cleveland is the only advanced Democrat the country has seen in two centuries." Still, if it is true, it is mighty severe on the Democratic party. Mr. Beck would not have dared to utter such heresy if the lamented Andrew Jackson were alive.

WE URGE every Republican to see that his name is on the registry list in his respective districts. The lists are now posted at the places for holding the elections in each precinct. Members of the Republican County Committee in each district should see to it that every Republican is registered. Sept. 8 is the last day for registering.

THE Democrats of Iowa have nominated a ticket and adopted a free trade platform. This manly course is in striking contrast with the cowardly straddle accomplished by the Allentown convention. The Democrats of Iowa are blind to the interests of the people; but, having views on the subject, they have courage enough to express them clearly.

THE Democratic State Convention in session at Allentown, last Wednesday, nominated J. Ross Thompson of Erie, for Judge, and R. J. McGrann of Lancaster, for Treasurer. The platform endorses the Cleveland anti-Union Soldier Administration, is in favor of the old '84 platform which meant all things to all men, touches the tariff with soft gloves, and shows all through that the party has no hope whatever of winning this fall.

CHAIRMAN COOPER has opened the State Committee rooms in the Continental Hotel, Philadelphia, and for the present will be assisted by Secretaries Frank Willing Leach and Charles F. Eula. The first matter to be attended to will be local organization. Chairman Cooper says he will send a corps of Pennsylvania speakers to Ohio to stump the State foraker. The campaign in Pennsylvania will not begin as early as heretofore, but it will be very lively.

STATE Treasurer Quay on the 30th. tendered his resignation, to take effect on the qualification of his successor, and Governor Beaver very properly appointed ex-State Treasurer Livesey as Col. Quay's successor. During the administration of State Treasurer Quay the finances of the State were most admirably managed, and added to the Commonwealth's already high standing in the financial world. His successor, Mr. Livesey, is a financier whose superior cannot be found in Pennsylvania, and the State is to be congratulated on the Governor's wise choice. State Treasurer Quay retires from the office to which he was triumphantly elected with the commendations of the public irrespective of party.

Young Republicans, who voted on ago last fall, must be assessed in order to vote this fall.

The difference between the Democratic and Republican State platforms is widely marked. On the living issue of the day the Republican party takes a bold, honest and fearless stand. The Democracy halt, hesitate and shift with the wind. The Republican platform demands protection for the workmen of America in a high tariff that will not permit the pauper made goods of Europe to compete with those made by the American artisan. The Democratic platform takes a big straddle on this question and toward like dodges a square allusion to it. The Republican platform squarely says it is in favor of submitting the question of total prohibition to a vote of the people. The Democratic platform carefully avoids the subject. In short, the Republican platform stands out in the light and challenges criticism. The Democratic platform hides in the dark and is neither fish, flesh, fowl nor good red herring.

The State Pharmaceutical Board authorized by the late Legislature, and appointed by Governor Beaver, has issued notice that all retail druggists and apothecaries who were actually engaged in business at the date of the approval of the act must register, within 90 days from August 20th. All persons applying for examination certificates must produce satisfactory evidence of having had not less than four years' practical experience in the business, and those applying for examination for certificates as qualified assistants therein must produce evidence of having not less than two years' experience in the business. While it is well to have a law such as this there is yet danger to the people in its existence, and in this way: A druggist has an "accident," the subject of the "accident" dies, an inquiry is made by that very ridiculous and nonsensical adjunct of our criminal jurisprudence, a coroner's jury; the fact of the "regularity" of the druggist, his due certification, and his continued service is put in evidence and his "accident" is excused. Whereas there was no certification the inquiry into his qualifications and ability to pursue his calling would take a much wider range, and in the knowledge of this fact the people might have more protection than they will have under this law. A medical diploma covers a great many accidents. -Harrisburg Telegraph.

CLIPPINGS from report of work done at the International S. S. Convention recently held in Chicago. The committee on resolutions recommended the following on

THE TEMPERANCE QUESTION.

Resolved, That we heartily approve of judicious efforts to secure the passage of laws regarding scientific instruction in our secular schools on the evil effects of alcoholic drinks.

Resolved, That we are in sympathy with those who are striving to protect the home from the encroachments of every form of vice, and who would make them the abodes of temperance and piety and personal purity.

Resolved, That with emphasis we give expression to a conviction which deepens with passing years, that every Sabbath School should be, in fact and effect, a temperance training school, fitting the rising generation for active and aggressive effort in this and every other department of Christian work. We trust the time may speedily come when every teacher and scholar in our Sunday-schools, by example and precept, practice and promote temperance; when none shall follow the bad precedent of him who asked: "Am I my brother's keeper?"

The Rev. A. F. Schaeffler of New York, for the committee to which had been referred the report of the Executive Committee, presented the following:

To the President and Members of the Fifth International Sunday-school Convention:—

BRETHREN—Your committee appointed to consider the report of the Executive Committee and return recommendations thereon, beg leave to report as follows:

1. To co-operate with State, Territorial, and Provincial associations along the line of more effective organization, or where no such associations exist, to endeavor to help in their formation.

We highly approve of the utterance of the committee's report, as it relates to temperance, and desire to record it

as our conviction that that Sunday School which does not stand as a rock against the abominations of the liquor traffic, and train up a generation pledged to total abstinence, is missing one of its greatest opportunities for usefulness.

Your committee would further recommend, with regard to the question of systematic giving, that while endorsing the utterances of the Executive committee's report, we would also emphasize the religious aspect of the weekly offerings, suggesting that giving be exalted as an act of worship and divine service; that the offerings thus gathered be used, not for self, but for the spread of the word among the unlighted, and that, so far as possible, the offerings come from the individual's own pocket.

What can missionaries in Africa expect to accomplish when Christian nations continue to supply whisky and rum in unlimited quantities? The statistics show that during a single year there were shipped to the west coast of Africa from Germany 7,136,236 gallons of rum, and from Great Britain, 602,328 gallons; from the United States whisky and rum to the amount of 921,412 gallons. All the churches in the three nations could not overcome the devils inclosed in these shipments.

A saloon keeper remarked that he never allowed his son to enter the bar-room. On hearing this a young man who had been a hard drinker, said, "If the rum-seller will not permit his son to enter the bar-room, I never will enter it again." Boys, keep out of the saloon, the pool room, and the ten pin alley; for you are safe only on the outside.

Probably the largest temperance gathering ever held convened in Crystal Palace, London, in July, the occasion being the National Temperance Fete, arranged by the order of Good Templars. There were 32,352 persons in attendance, and the great meeting was in every particular a marked success.

The testimonies of a number of distinguished physicians of England are, that in cases of fever they lost twenty-three per cent when alcohol was used, and only five per cent where it is not used.

In Brief, And To The Point.

Dyspepsia is dreadful. Disordered liver is misery. Indigestion is a foe to good nature.

The human digestive apparatus is one of the most complicated and wonderful things in existence. It is easily put out of order.

Green's August Flower has done a wonderful work in reforming this sad business and making the American people so healthy that they can enjoy their health and be happy.

Remember: Happiness without health. But Green's August Flower brings health and happiness to the dyspeptic. Ask your druggist for a bottle. Seventy-five cents.

MOST EXCELLENT.

J. J. Atkins, Chief of Police, Knoxville, Tenn., writes: "My family and I are beneficiaries of your most excellent medicine, Dr. King's New Discovery for consumption."

As well as the handsomest, and others are invited to call on G. W. Bovard, and receive a trial bottle of Kemp's Balsam for the throat and lungs, a remedy that is selling entirely upon its merits and is guaranteed to cure and relieve all Chronic and Acute Coughs, Asthma, Bronchitis and Consumption. Price 50 cents and \$1.

RENEWES HER YOUTH. Mrs. Phoebe Chesley, Peterson, Clay Co., Iowa, tells the following remarkable story, the truth of which is vouched for by the residents of the town: "I am 73 years old, have been troubled with kidney complaint and lameness for many years; could not dress myself without help. Now I am free from all pain and soreness, and am able to do all my own housework. I owe my thanks to Electric Bitters for having renewed my youth, and removed completely all disease and pain." Try a bottle, only 50c, at Bovard's Drug Store.

A Great Surprise. Is in store for all who use Kemp's Balsam for the Throat and Lungs, the great guaranteed remedy. Would you believe that it is sold on its merits and that each druggist is authorized to refund your money by the Proprietor of this wonderful remedy if it fails to cure you. G. W. Bovard has secured the Agency for it. Price 50c. and \$1. Trial size free.

PROCLAMATION.

WHEREAS, The Hon. W. D. Brown, President Judge of the Court of Common Pleas and Quarter Sessions in and for the county of Forest, has issued his precept for holding a Court of Common Pleas Quarter Sessions, &c., at Tionesta, for the County of Forest, to commence on the Third Monday of Sept., being the 19th day of Sept., 1887. M., of said day with their records, inquiries, examination, and other remembrances, to do those things which to their office appertain to be done, and to those who are bound in recognizance to prosecute against the prisoners that are or shall be in the jail of Forest County, that they may be then and there to prosecute against them as shall be just. Given under my hand and seal this 22d day of August, A. D. 1887.
