WHAT AM I TO DO?

The symptoms of Billiousness are un-happily but too well known. They differ in different individuals to some extent. A Billious man is seldom a breakfast eater. Too frequently, alas, he has an excellent appetite for liquids but none for solids of a morning. His tongue will hardly bear inspection at any time; if it is not white and furred, it is rough, at all events. The digestive system is wholly out of order and Diarrhea or Constipation may order and Diarrhea or Constitution may be a symptom or the two may alternate. There are often Hemorrhoids or even loss of blood. There may be giddiness and often headlache and acidity or flatulence and tenderness in the pit of the stomach. To correct all this if not effect a cure try Green's August Flower, it costs but a trifle and thousands attest its efficacy.

The Verdict Unanimous. W. D. Sult, Druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles, and was cured of Rheumatism of 10 years' standing." Rheumatism of 10 years' standing."

Abraham Hare, druggist, Beliville, Ohio, affirms: "The best selling medicine I have ever handled in my 20 years' experience, is Electric Bitters." Thousands of others have added their testimony, so that the verdict unanimous that Electric Bitters do cure all diseases of the Liver, Kidneys Blood. Only half a dollar a bottle at G. W.
