—The band tendered Mr. and Mrs. P. M. Clark a delightful serenade Monday evening. —Mr. J. C. Cornwall, of Stoneboro, was shaking hands with Tionesta friends yesterday. —This is a good week to growl about the hot weather, and wish for a little of last week's article. —Mr. O. C. Christy and Dr. Towler of Marienville, paid the REPUBLICAN office a pleasant call yesterday. —P. M. Clark Esq., is to-day announced as a candidate for District Attorney subject to Republican usage.

—Messrs. E. A. Yetter and Francis Adams of Marienville, were pleasant callers at the REPUBLICAN office Monday. —John M. Stewart Esq., of Greensburg, Pa., one of the extensive land owners of this county, was here this week on business connected therewith. —Dr. Siggins is a spectator at the Democratic State Convention at Harrisburg this week. Mr. Orion Siggins of West Hickory, is the delegate from this county. —M. A. K. Weidner Esq., one of Clarion's prominent legal lights, was over on Monday attending to court matters, and made the REPUBLICAN a friendly call. —The bark peeling season is at hand, and the bark woods of this county present a decidedly business like aspect, and will for the next two or three months. —If you should have a lame horse, and have used every remedy without success, invest twenty five cents in a bottle of Salvation Oil, and if that fails you may rest assured he is a gone case. —Mr. Ralle, the watchmaker, has moved to the up stairs front rooms of the Accomb building, where he will be pleased to meet all his old, and as many new, customers as have work in his line. —One of the brightest of our exchanges, the FOREST REPUBLICAN, completed its twentieth year last week. Mr. Wenk, its editor, is to be congratulated upon this event.—Kittanning Free Press.

—While driving down the creek hill last Thursday afternoon with one of Jake Smearbaugh's horses hitched to a buckboard, the breaching gave way allowing the vehicle to strike the horse's heels, from which he was frightened and started on the dead run. Finding it impossible to stop him, and approaching a sharp bend in the road the occupants, Wm. Lawrence and Wm. Smearbaugh, jumped out, and in less than ten seconds the horse had the vehicle scattered in little small bits over in the woods. Neither of the occupants nor the horse were hurt to speak of.

—A Forest County Man Drowned. Robert Klabbatz was engaged, during the late spring freshets, in rafting and running lumber on Tionesta creek for several days. When the rafts started out for the lower markets he went as a hand with a companion of about his own age to Pittsburgh. From there they engaged to go to Louisville on a raft, and from thence they expected to take a trip west to look at the country. When near Madison, Indiana, the young man went out in a skiff, and in some manner (we are not informed just how) was drowned. His companion telegraphed to his father, who immediately went on, and is now at that place. Mr. K. was aged about 22 years, was a single man, and very much thought of by all who knew him. His father is Mr. Edward Klabbatz, of Pigeon, Howe township, this county, and one of our highly respected citizens, on whom the blow falls with crushing weight. At last accounts the body had not been found, although the father has offered a large reward for its recovery. The heart-broken parents have the sincere sympathy of all their neighbors in this most distressing occurrence. —For a nice, well-made suit of boys' clothes, go to G. W. Robinson's. A new stock just opened up.

Proceedings of Republican County Committee Meeting.

Republican County Committee convened pursuant to call, with S. D. Irwin Esq., of Tionesta Boro., in the chair. Harry Lynch of Hickory, L. A. Clary of upper Harmony, J. B. Pear-sall of Barnett, W. W. Thomas of Tionesta, Frank Nash of Howe, E. A. Yetter of Jenks, and C. F. Gillespie of Kingsley Township, were appointed by the chair to represent their respective townships, the regular members from said townships being absent. L. A. Clary of Harmony, was appointed Secretary pro tem. The business of the meeting as stated from the chair was to arrange date for holding the primaries, the election of chairman to fill the unexpired term of C. M. Shawkey, and any other business that may come before the meeting. —The next F. M. Quarterly meeting for the Newmansville and Tionesta circuit will be held at German Hill church, beginning on Thursday evening May 31, and continue over the Sabbath. Rev. Hawkins, Chairman, will preside, and a general and cordial invitation is extended. —A severe frost occurred on Wednesday night of last week, and again on Sunday night, throughout this section. In some portions and spots the fruit crop was somewhat damaged, but vegetation of all kinds being so backward at this time, the destruction generally was not so great. —A correspondent of the St. George, W. Va., Democrat has this personal mention: "We examined the Hanging Co's works today and we came to the conclusion that that old wheel horse, J. D. Hulings', head is level and ought to be rewarded for the construction of those mighty butt works which he has built." —A law and order society has recently been organized in this place, which has for its aim the suppression of all forms of vice and immorality, with special reference, as we learn, to the whiskey business and gambling. The officers are as follows: President, A. B. Kelly; Secretary, Rev. Bum-berger; Treasurer, Eli Holeman. —Chas. Russell, the barber, who is an adept in the handling and training of birds dogs, has sold his handsome setter puppy, already quite well broke, to Mack Agnew, who will doubtless have some fine shooting over him this fall. Mr. Russell expects soon to be able to supply a few thorough-bred setters to those who wish them, and his thorough knowledge of dogs is a good guarantee that those who deal with him will get the best of stock. —"Peterson" for June is the magazine that every lady should get who wants the fullest description of everything new in the way of summer fashions; it is also the magazine for everybody who wishes the best in the matter of engravings, stories, and literary matter in general. Terms, two dollars a year, with great reductions to clubs and elegant premiums to those getting up clubs. Send for a sample copy. Mr. Russell expects soon to be able to supply a few thorough-bred setters to those who wish them, and his thorough knowledge of dogs is a good guarantee that those who deal with him will get the best of stock. —"Peterson" for June is the magazine that every lady should get who wants the fullest description of everything new in the way of summer fashions; it is also the magazine for everybody who wishes the best in the matter of engravings, stories, and literary matter in general. Smearbaugh, jumped out, and in less than ten seconds the horse had the vehicle scattered in little small bits over in the woods. Neither of the occupants nor the horse were hurt to speak of.
