LOCAL AND MISCELLANEOUS. —Pay your taxes right now. —Oil market closed yesterday 93c.

—Mr. C. N. Heard of Bradford, is paying a visit to Mr. A. Carson's family. —Harold Sharpe departed Monday for Pottstown, Pa., where he will attend school.

—Heary McSweeney Esq., of Oil City, was circulating among Tionesta friends last week. —Mr. and Mrs. G. S. Chadman were the guests of Mr. and Mrs. F. F. Whittekin during the past week.

—Miss Artie Robinson departed Monday for Chambersburg, Pa., where she will attend Wilson Female College the ensuing term. —Mr. John Siney of Corry, came down on purpose to take in the Republican demonstration last week, and heard the fine speeches.

—Mr. and Mrs. H. S. Brockway of Spartausburg, came over to attend the Republican meeting last Wednesday, and meet old Tionesta friends generally. —Mrs. T. J. Van Giesen, with her sons Lee and Dunn, came up from Edenburg, Saturday, bringing Mrs. Sloan home, who has been visiting there for some time.

—Mr. S. R. Cogan came up from West Virginia and remained over Sunday with his family. Sim. says we may look out for that State turning over to Harrison this fall. —Recently, on the road between Eli Berlin's and Braceville, an Opperman's map of Forest County. Finder will please leave at this office, and receive one dollar reward.

—Rev. Romberger of the M. E. Church, is attending conference in Greenville, Pa., this week. His many friends here would be elated to hear of his return to the Tionesta circuit. —Republican committeemen should urge the importance of paying taxes upon members of the party in their districts. It is just now the most important work they have. October 6th is the last day.

—Services will be held in the Presbyterian Church next Sabbath morning and evening, at the usual hours. Rev. John S. Atkinson, candidate for this field, will preach. A general invitation is extended. —Harmony Oil Co., has a rig nearly completed on Jamieson Run, a mile above Tionesta, and about 50 rods from the railroad track. Drilling will commence just as soon as the machinery can be got in motion.

—Congressman Scott, of the Erie-Crawford district, finally concluded that this wasn't a good year for breaking into the Republican party, and so refused to run again. Hon. James R. Burns was nominated in his stead. —There will be quarterly meeting held over Sabbath, September 23, in the Mount Tabor Evangelical Church. Preaching Saturday evening, Sabbath morning and evening. Rev. J. D. Domer, P. E., will be present and officiate. —Court is not as largely attended as usual this week, owing to the fact that the trial list is short, and perhaps but one or two civil suits will be tried, thus dispensing with the customary array of witnesses generally called hither.

—Clarion is bound to be an oil town "bejabbers or bust." The latest strike occurred near the Normal school grounds yesterday, and is reported as a 1000 barrel gusher. This is the third one of the kind that has been opened up within a few days past, all about the same size, and owned by Cadwallader & Co. Good luck to the sleepy old burg.

—The audience which greeted Mr. Wheeler at his concert in the Presbyterian Church last evening, while fair sized, was not as large as it should have been, considering the excellence of the entertainment, but Mr. W. was certainly convinced of one thing, it was an appreciative one. Mr. Wheeler's voice is not only very musical, but rich and strong, sufficiently so, indeed, to fill the largest hall in the country, and never shows the least sign of weakening. Mrs. Pomeroy's rehearsals were exceedingly taking, and in fact the entertainment throughout was one of the pleasiest our town has yet enjoyed.

—Last Wednesday Major John Lockhart, the popular executive clerk, was hurt at Tionesta. He accompanied the party that went with Chairman Cooper to present the banner to the Forest county Republicans. On the day in question he was severely injured by a log rolling on him while he was examining one of the mills in that lumber district.—Harrisburg Telegraph. When Maj. Lockhart left Tionesta he was as healthy, smiling and chipper as a young robin, and as he did no "log rolling" while here, his numerous friends are inclined to look upon the Telegraph's item as a jokelet.

—Mr. W. W. Dimond of Downs, Kansas, is among old Forest county friends at present, and indulging in a general handshaking. William is the same genial fellow he always was, and never fails to receive an old fashioned welcome here.

—Messrs. B. F. Winans, Whig Hill; Chas. Southworth, Newtown; C. C. Smith, Brookston; W. H. Stright and Mr. Martin, Hickory, and Constable White of Barnett, were among the pleasant callers at the REPUBLICAN office this week.

—Chas. Russell's barber shop is now in charge of his brother, Mr. F. Russell, who will conduct it for an indefinite period. He is one of the best artists in his line in the State, and challenges competition in hair cutting, shaving, shampooing and dyeing. It

—One of the very important matters for Republicans to look after now is the payment of their State or County tax. Don't neglect it or you will lose your vote, and no Republican wants to lose his vote in this important year. Saturday, Oct. 6th, is the last day, but you should not put it off that long.

—Senator J. H. Wilson and Major W. W. Greenleaf of Clarion, were among Tionesta's guests yesterday. The latter gentleman has some congressional fences in this neck o' woods that were likely attracting his attention. We understand the Democratic conference for this district is set for the 21st inst., at DuBois, Clearfield county.

—Among our marriage notices this week will be found the announcement of the wedding of Miss Ella Cromer, formerly of this county, but now of Washington territory. Miss Cromer left a host of young friends in this section who will wish her many years of joy in her new relation, and congratulate the gentleman of her choice on his lucky catch.

—Rev. S. Sager preached his farewell sermon in the F. M. Church here last Sabbath evening, and is now attending conference at Sharpville, Mercer county. During Mr. Sager's pastorate on this circuit he has made a large circle of friends who will wish him well in any field to which he may be assigned. We will all lose a good citizen when he moves.

—Mr. J. W. Sires has his photograph gallery, opposite the Lawrence House, in sleek running order, and is prepared to take all kinds and sizes of photographs, tin-types, &c., and guarantees his work to give perfect satisfaction. Our citizens have long wished for a first class photo. artist, and now that they have such, we trust they will encourage him to stay by patronizing him.

—Squire Hoover of the Township, wishes to warn the boys who are in the habit of following Wm. Cole over to the depot and keeping the citizens of that neighborhood in a turmoil with their noise and commotion, that the practice must cease, else stringent measures will be resorted to to abate the nuisance. And it might be well to administer a little of the same sort of medicine in this borough, as the senseless sport is becoming entirely too numerous.

—A newspaper and a newspaper editor that people don't talk about, and sometimes abuse, are rather poor concerns, says a very sensible exchange. The men and business that an editor sometimes feels it a duty to defend, at a risk of making enemies of another class, are often the very first to show their ingratitude. The editor who expects to receive much charity or gratitude will soon find out his mistake; but he should go on and say and do what he conscientiously thinks right, without regard to frowns and smiles.

—Peterson's Magazine for October comes along, looking fresh and bright. From an artistic point of view, the number is of exceptional merit. The steel-engraving, "A Reverie," is one of the loveliest girl faces we have seen in a long while. There are fashion-plates and descriptions without stint, and valuable information on household and medical subjects. In short, it is an admirable number of a most excellent magazine, and we advise all our readers who are not subscribers to examine it. Terms, two dollars. Address, Peterson's Magazine, 306 Chestnut Street, Philadelphia, Pa.

Forest County's Insane.

Commissioners of Forest County:—The condition of the patients under your charge in this Hospital, is as follows: John Clary's mind is very much deranged, but he is not so much excited as he was.

Sarah Shoupe is very much deranged, but is quiet. Wm. Barnhart is very much deranged and at times scolds and swears lustily. Isaac Reed has been quiet for some time and is still much confused in mind.

Samuel Hawthorne is very quiet but his mind is much confused. Olive Noble has had the fits more frequently of late which makes her more nervous. Peter Guenther is now more quiet but his mind is very much deranged.

Very Respectfully Yours, JOHN CURWEN. Warren, Pa., Aug. 31, 1888.

Notice. To whom it may concern:—My son, George, has left his home without just cause or provocation, and is wandering aimlessly about the country, and I hereby warn all persons not to harbor him, for I will not be responsible for his keeping or any contracts he should make, and ask as a favor that all whom he visits in his wanderings would persuade him to return to his home, where he will be welcome and well taken care of.

HERE AND THERE. An exchange tells of a school-teacher who has introduced a novel system of spelling in her school. When one of the girls misses a word the boy who spells it correctly is permitted to kiss the girl.

How Weak Sight is Caused. The dull heavy sight, improving as you continue to read, and suddenly beared again when looking at a different distance, again improving as you continue to gaze, is muscular asthenopia, and is caused by debility of the nervous system—that portion that gives tone and action to the muscles that adjust the focus of the eye.

The Grand Jury returned true bills in the cases of the Commonwealth vs. Wallace Thomas, larceny, and G. W. Zeits, misdemeanor, and the usual improvements, alterations and repairs were recommended to be made upon the county buildings, bridges, roads and grounds.

James Spiers, a Scot by birth, was naturalized Tuesday afternoon. Uncle John Thomson of Stewart's Run, engineered him through. Tally Harrison, Morton and Protection one.

The case of Chadman vs. Kepler was continued by consent until next term. The foreign attorneys in attendance are, Judge Corbett, and W. H. Ross, Clarion; Frank Guthrie, Titusville; Hon. J. H. Osmer and C. Heydrick, Franklin; W. M. Lindsey, Warren.

Starr. The question now is, have you got your buckwheat cut, and we suppose the next thing will be flajacks. No preaching here last Sunday on account of wet weather.

Mr. Briggs of Porkey, was here last week on business. Mr. S. Burben, who has been on the sick list for some time, is no better at this writing. We think "Wandering Jew" of the Vindicator, must see things in a different light from other folks, as there never was a communication from here signed J. P. Morton. And again we know of five Republicans to one Democrat, and still he will talk Cleveland.

We heard a G. A. R. man say the other day that he had been a Democrat, but when he thought of Grover it made him sick; so count one vote more for Harrison.

"Another wonderful discovery has been made and that too by a lady in this county. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and it was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hamrick & Co., of Shelby, N. C.—Send a free trial bottle at G. W. Bovard's Drug Store.

The Verdict Unanimous. W. D. Sult, Druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles, and was cured of Rheumatism of 10 years' standing." Abraham Hare, druggist, Bellville, Ohio, writes: "The best selling medicine I have ever handled in my 20 years' experience, is Electric Bitters." Thousands of others have added their testimony, so that the verdict unites that Electric Bitters will cure all diseases of the Liver, Kidneys or Blood. Only half a dollar a bottle at G. W. Bovard's Drug Store.

RENEW YOUR YOUTH. Mrs. Phoebe Chesley, Peterson, Clay Co., Iowa, tells the following remarkable story, the truth of which is vouched for by the residents of the town: "I am 73 years old, have been troubled with kidney complaint and lameness for many years; could not dress myself without help. Now I am free from all pain and soreness, and am able to do all my own housework. I owe my thanks to Electric Bitters for having renewed my youth, and removed completely all disease and pain." Try a bottle, only 50c, at Bovard's Drug Store.
