The result in Forest County is most gratifying. It could not be more so. The vote on the National ticket is a full hundred greater, if not more, than that given to Blaine in '84, while our majority is almost, if not quite, a hundred larger than last year. This ought to secure to Forest County one of the four banners offered by Chairman Cooper to the county showing up The great National contest is over the best in the old Keystone State. Mr. Randall is re-elected by a good majority, although not so large by 10 when it is taken into account that not half the fight was made for him this time, for the simple reason that the

Republicans did not deem it necessary, considering his election secure at all events. This over-confident feeling might have proved disastrous under the circumstances, and it won't do to nia also, but returns are yet meagre. ways escape so easily. One of the most gratifying and pleasant features in this campaign is At all events, Free Trade has been the splendid showing in Jenks and dealt a deadly blow in America, and Green townships, until this election Protection has come to stay. This is always strongly Democratic. Jenks glory enough for one day, and the wheels into line with 50 Republican Democrats ought to be happy with the majority, while Green turns a fine Republicans, for they are saved along somer-sault and lands squarely in the Republican column. The young Republican blood came to the front in gallant style. On the whole it was a grand triumph for the Banner County, and when the returns are all in we think she will still be "thar." All honor to the boys who helped in this grand work.

SCATTERING VOTES.

ty unanimously Republican. We understand "The Chairman" got his "leg pulled" for a hundred or two on bets he made with the boys next morning after the election, but

closed his "barl" when Jenks came in. Kepler the Jonah of Forest county's Democracy, was puked out into the Sickles swamp, back of "Democratic Headquarters" last night after the news came in from Green. The same news also broke up the dance which was in high glee at that time.

The very pines, hemlocks and hardwoods of Jenks Township cried out in thundering tones against Free Trade. Such a groundswell as that and the one in Green is enough to strike terror to the most unterrified.

The money was all right, but where were the "brains" in this campaign? Up at Democratic hindquarters, no

W. D. Hoyt & Co., Wholesale and Retail W. D. Hoyt & Co., Wholesale and Retail Druggists of Rome, Ga., say: We have been selling Dr. King's New Discovery, Electric Bitters and Bucklen's Arnica Salve for two years. Have never handled remedics that sell as well, or give such universal satisfaction. There have been some wonderful cures effected by these medicines in this city. Several cases of pronounced Consumption have been entirely cured by use of a few bottles of Dr. King's New Discovery, taken in connection with Electric Bitters. We guarantee them always. Sold by G. W. Bovard.

PERSONAL.

Mr. N. H. Frolichstein, of Mobile, Ala. writes: I take great pleasure in recommending Dr. King's New Discovery for Consumption, having used it for a severe attack of Bronchilis and Catarrh. It gave me instant relief and entirely cured me and I have not been afflicted since. I also beg to state that I had tried other remedies with no good result. Have also used Electric Bitters and Dr. King's New Life Pills, both of which I can recommend.
