

DURING the campaign our friends the enemy condemned Mr. Blaine for talking and now they are scolding him for remaining silent.

THE Democrats in Congress doubtless have a purpose to accomplish in taking the position that Utah should be admitted into the Union.

WHEN Judge Holman gets his investigating machine into operation inquiring into the use of money in the recent election Mr. Cleveland may expect a subpoena in short order.

HON. CHARLES E. BOYLE, recently appointed from this State chief justice of Washington Territory, died at Seattle, W. T., last Saturday, after an illness of four days, from a combination of quinsy and pneumonia.

THE statement that George H. Pendleton, at present minister to Berlin, will shortly return to Ohio and enter the contest for United States Senator lacks confirmation.

GENERAL JOHN M. PALMER, of Illinois, who withdrew from the Grand Army of the Republic because the members of that body refused to support him as the Democratic candidate for Governor, appears to have gone off and formed a veteran's organization all by himself.

THE Democrats of Brooklyn assure Mr. Cleveland that if he will move to that city they will give him a unanimous election to the mayoralty.

In southern Indiana eleven of the notorious "White Caps" have been indicted and the prosecuting attorneys are hopeful of convicting seven or eight of them.

In an article discussing the question as to the best way to provide for our ex-Presidents, Col. McClure, in the Philadelphia Times, says: "The man who has served a term or more in the Presidency, ought to be the most valuable adviser of the Government, and the most appropriate way to provide for ex-Presidents without making them absolute pensioners upon the bounty of the republic whose highest honors they have worn, would be to make them call them to a fitting position and at the same time make a reasonable provision for them, and it would assure to the Government valuable public services.

AMONG the applicants for the very important and responsible position of Public Printer at Washington, under the incoming administration will be Mr. August Donath, at present the talented editor of the Chester, Pa., Times, one of the influential journals of the eastern part of the State.

A Negro Slaughter.

A terrible riot took place at Wabaska, Miss., on Sunday night last, and 12 white men and 150 negroes lie dead as a result. For a long time there has been much ill feeling between the whites and blacks there, which has been aggravated by the impertinence of the latter, and Sunday the two elements became involved in a quarrel which ended in great loss of life.

From an article entitled "Hard Times in the Confederacy" in the Century we quote the following: "In August, 1864, a private citizen's coat and vest, made of five yards of coarse homespun cloth, cost two hundred and thirty dollars exclusive of the price paid for the making.

ROMA was burning. The destroying element was gradually eating up the business portion of the Eternal City, and the Emperor consoled himself by playing his violin. On the evening of the third day of the fire, the imperial music was interrupted by the feed-back of the Emperor's voice.

WOODEN TOOTHPICKERS. The American is a great consumer of toothpicks. He not only picks his teeth in private, but he does it in public, and perhaps finishes by chewing up the wooden implement.

THE worst weeds with which the farmer of California has to deal is the wild morning glory. John Young, of Alameda County, is experimenting with it. He tried plowing and cultivation, and that was exactly what the weed thrived on.

AT Kearney, N. J., a factory chimney is being erected which will, when finished, be the tallest in the country, and fourth highest in the world. It will be 385 feet high. There are two taller ones in Scotland and one in Zealand.
