—The Calanthe Indian Medicine Co. has held the boards at Launders Hall during the past week, with good attendance in attendance nightly. They give a very clever show for 10 cents.

—The sleighing might be said to have ended on Monday of this week, which day marked the fifth consecutive week of really first class going. That wasn't so bad for an open winter.

—Judge Arner and family of Kellewille, are moving to Tionesta this week, and will occupy the pleasant old homestead of Mrs. Dr. Hunter, on the banks of the Allegheny at the foot of Mt. St.

—A dance will be given at the Rink next Friday evening, 8th inst., to which a general invitation is extended. Prof. Clark's orchestra will furnish music, and a jolly time may be anticipated by all who attend. It

—The many friends of Hon. Andrew Cook will learn with regret that his illness, mention of which was made by a Barnett township correspondent last week, has assumed a serious aspect, and that the Judge was in a precarious condition at last accounts. We hope for better news soon.

—Misses Lizzie and Vinnie Randall, who had been spending a couple of weeks with their father at Harrisburg, returned on Saturday last. They paid Washington a visit during their absence, but concluded that the city would be too much crowded for comfort, so did not remain for the inauguration.

—Are you insured against loss of time by sickness or accident? If not, you can be. Sick benefits paid after first week's sickness, and for every day you may be disabled by accidental injuries. Buffalo Mutual Accident Association will insure you against both or either. P. M. Clark, Agent, Tionesta, Pa.

—The band boys took a sleighride to Tyersburg last Saturday evening, where they were hospitably received by their "brothers of the blow-horn" at that place. They report a good time, and only await the time when they can reciprocate the generosity of the Tyersburg boys.

—A number of our exchanges have noted that constables elected at the recent elections would hold over for three years under a new act just passed. So far as assessors are concerned this is correct—such an act was passed, but as to constables we have seen nothing definite, and have some doubts about the accuracy of the surmises.

—Messrs. Dingman & Dale having purchased a good-sized tract of pine and oak timber near Lickingville, from Mr. J. S. Everhart, are moving the Cobb mill, recently located at the White Church, Harmony township, to their new purchase and will manufacture lumber there the coming season. Alex. Fitch will do the sawing.

A number of bids were submitted, upon opening which that of George Zuendel was found to be the lower, and the contract was awarded to him. **Shut Up Your Cattle.—The Fence Law Repeated.**  
 Advice from Harrisburg convey the intelligence that the fence law of 1700, which provided that fences, in order to be legal, should be "horse high, bull strong and hog tight," was repealed by a vote of 112 to 72, in the House on Wednesday of last week. This means that people must now shut up their cattle or abide by the consequences. This is pretty tough medicine for our country, but there seems to be nothing better than to grin and bear it. There seems to be only one way out of the dilemma for our citizens: If every farmer and his neighbor, and his neighbor's neighbor will agree to continue the practice of fencing against cattle as heretofore, there will be little trouble, and the people can keep stock just the same as formerly, but if there is one kicker in the lot it will spoil the whole, and all will be obliged to keep their bovines and "sich" penned up.

But we will all know more about "how the old thing works" a year or two hence.

**To Teachers.**  
 The Committee on Permanent Certificates will convene at East Hickory, Saturday, April 6, 1889, for the purpose of examining candidates for certificates.  
 A. M. BROOKS, Pres't.  
 J. E. COPELAND, Sec'y.

—Bodily pains and accidents will occur not only "in the best regulated families" but everywhere and at all times. Therefore keep Salvation Oil convenient. Price twenty-five cents a bottle.

Oil Notes.

The Derriek's oil report for the month of February shows the number of wells completed to be 283, or a decrease of 6 from the previous month. New production 2987 barrels; increase 187 barrels. Wells drilling and rigs up for February, 589, an increase of 26 over January. The same report also gives the following list of operations in this latitude: President—Riekenbrode & Kerr, drilling; Dawson field—Grove & Co., No. 4, drilling; Kelly & Co., Baird tract, No. 4, rig up; East side of river, in Hickory tw.—Church farm, Grove & Co., No. 1, drilling; Furnace tract, Pittsburgh parties, rig up; Poseyfield, Peter Berry, rig up.

The Proper Bros. well, on the Mattison tract, Harmony twp., was reported dry, but it don't look that way, since they have just taken in a new boiler and other machinery, besides putting in a 250 tank, &c.

The Dawson heirs, near the station, have not given up their well as a duster yet, but have been driving it down deeper during the past week, and are now down over 390 feet. A sample of the sand from the last bit run is pronounced by judges to be "all right," and it wouldn't be surprising if it were.

—Following is the balance of business transacted by the Court after our report closed last week:  
 S. Kaster vs. J. C. Welsh, verdict for plaintiff for \$1701.64.  
 Peter Lindel vs. Hickory township, verdict for plaintiff for \$108.21.  
 J. C. Welsh et al vs. C. W. Hawks, continued.

A. G. Egbert et al vs. C. G. Huff and H. Karns, ejectment suit. Karns disclaims; Huff confesses judgment in ejectment for land described in writ, 80 acres.

Commonwealth vs. Aquilla Mong, selling liquor without license, to minors and on Sunday; also breach of prison. Defendant plead guilty, and was sentenced on the charge of breach of prison to pay a fine of \$1, costs and undergo imprisonment in the county jail for three months. Sentence on remaining charges was suspended until next term.

Com. vs. Sic Mong, selling liquor without license, to minors and on Sunday. Tried and found guilty on all charges, and sentenced on the first to pay a fine of \$600, costs, and eight months in county jail. Sentence on other charges held over.

**GRAND JURY'S REPORT.**  
 We, the Grand Jurors of Forest county, present this our report: We have acted on ten bills, eight true bills, two not true bills. We have visited the County buildings and would recommend a protection to jail windows. We find them much exposed, and parties in communication with prisoners at all hours. We would also recommend walks to out houses and jail from rear end of Court House, and that spouting be repaired on back end of Court House, which ought to be repaired and water conducted from building. We find that road leading from Balltown to Porkey is obstructed by ice gorges whenever ice breaks on Tionesta creek, and renders road impassable from seven to ten days, and prevents all communication between places mentioned, even to excluding of mail. Now, we recommend your Honor to order the Road Commissioners to vacate so much of road as is so obstructed, and move on higher ground to overcome said obstruction, being from or about Balltown oil well No. 3, to Elias Conway's, a distance of about one hundred rods. We also recommend that the Commissioners of Forest county erect a true meridian line and a standard measure for surveyors chains on the public grounds, according to the act of April 26, 1850, according to Purdon's Digest, page 1706, sec. 12.

C. W. AMSLER, Foreman.  
 Tionesta, Pa., Feb. 27, 1889.

Miss Thessie Myers of this proximity is at present rusticiating near Oil City.

Temperance Mass Meeting.

Two weeks ago, at the request of friends of Prohibition, we announced a meeting of those interested in the Amendment for the purpose of organization and preparing a plan for united work. At the fixed time the Court House was pretty well filled with a class of ladies and gentlemen who appeared pleased with the numbers as well as the cause they were there to advance.

Mr. George Watson of the Borough, called the meeting to order by nominating Rev. C. C. Rumberger as Chairman; following his election Mr. J. H. Dingman and Dr. S. S. Towler were chosen Secretaries. The Chairman, as a delegate to the State Convention of the 19th inst., gave a detailed account of its work and the harmony and confidence with which its members separated, to enter upon the campaign for "God and Home and Native Land."

A motion by Dr. Towler was carried that the chair appoint a person or persons from each township on permanent organization, which shall have power to elect a chairman of the County Committee. The chair appointed Dr. S. S. Towler of Jenks, E. S. Collins of Green, E. Neill of Harmony, C. F. Gillespie of Kingsley, E. C. Maze of Barnett, Lewis Kieser and T. J. Bowman of Hickory, Jos. Grove and Geo. Watson of the Borough, Wm. Hood of Tionesta twp., C. W. Hawks of Howe. These gentlemen, after a short private deliberation—which grew somewhat tiresome to those outside—announced their choice to be Hon. E. L. Davis, Chairman; Geo. Watson, Jos. Grove and A. B. Kelly of the Borough, Rev. H. Rhodes of Tionesta twp., C. W. Hawks of Howe, W. J. Foreman and Guy Hilliard of Hickory, Orion Siggins of Harmony, C. F. Gillespie and D. B. Toby of Kingsley, E. C. Maze and Jas. Gray of Barnett, C. W. Amsler and J. W. Kahl Jr., of Jenks, James Giffillan, F. E. Allison and T. D. Collins of Green, with power to add to their numbers to equalize representation.

The organization of the evening was unchanged. Rev. C. C. Rumberger was chosen Chairman of the Finance Committee, with power to select his associates. A motion was made by Mrs. Irwin that the chair appoint a committee on resolutions to which all resolutions shall be submitted without debate. Messrs. Irwin, Derickson and Davis, and Messrs. James Giffillan, A. M. Brooks and Eli Holeman were named as such committee.

At this point Dr. Towler was called for and in his happy style delivered a most interesting speech. The tendency of his discourse was scientific and his argument and conclusions were most convincing. At 9:20 Hon. J. H. Osmer of Franklin, began a 55 minute talk, for which he had made no preparation before his arrival here, and we are free to say the large audience was neither weary nor inattentive, but on the contrary, charmed with his logic and eloquence. At the conclusion of Mr. Osmer's speech the chairman called for contributions, and did it so well, keeping his hearers in good humor by fitting illustrations, that the summing up of the subscriptions was \$301.50. That our temperance folks enter the field very much encouraged and with a most hopeful outlook, goes without saying.

**Fertig Items.**  
 Sleighting has taken its departure. The merchants of our village are kept busy hauling goods from Oil City, and business is very good, taken all in all.

Quite an excitement in drilling is prevailing at Sandy Creek, about three miles from here, and some good wells are being struck.

Mr. McKeeber is drilling a well near Salina; we wish him success.

Mr. M. Deatrich came home from Forest county, where he has been engaged in drilling, and reports business good with an upward tendency. Mr. Deatrich speaks well of Forest county, and expects to go back in a few days.

Sickness is very prevalent in this vicinity, and our physicians are kept busy. Mr. R. McKusick, who has lately entered upon the practice, is highly spoken of as a doctor.

Prof. Decker lectured to a large audience at the M. E. Church on "Modern Education and Habits." The Prof. is not very eloquent but his talk was instructive, and was well taken by some; and others, whose vile and foul habits were illuminated, pronounced him no good. The Prof. informs us that he was in partnership with Horace Greenly and is read in 7 languages.

OBITUARY.

**DIED**—In Cleveland, Ohio, at the residence of her daughter Mrs. L. C. Monks, after an illness of six days, Nancy, wife of Jacob Rohrer.

The subject of this notice was born in Westmoreland Co., Pa., Oct. 20th, 1815, but came with her husband at an early day to this vicinity, settling at Stewart's Run, where by persistent industry they succeeded in making for themselves a good home, enduring bravely the disadvantages known to the early settlers. Some years ago they removed to Vinland, N. J., from which place about a year ago they came to Cleveland to spend their declining years with their daughters. Her husband, six children, and a large circle of relatives and friends, mourn her loss. Mrs. Rohrer was from early girlhood a consistent member of the M. E. Church; her uniform good temper, her kindness to all, and faithful discharge of every duty enjoined upon her by the Master, whom she loved, enabled her to die, as she lived, without an enemy, leaving only the fragrance of a kind and affectionate remembrance among her kindred and friends.

Entered into rest, Saturday evening, March 2, 1889, John Casper Eisert, at the age of 68 years, 11 months and 11 days, death being caused by asthmatic troubles.

The deceased was born in Robrida, Electorate of Hesia, (now Province Hesia, Prussia), on the 21st of March, 1820.

He was baptised in infancy, and early instructed in the Word of God. In the fall of the year 1853 he emigrated from his Fatherland, making his home in Buffalo, N. Y., where, however, his stay was but brief. In 1854 he settled on German Hill, in Forest county, where he has resided ever since. In 1854 Mr. Eisert was united in holy wedlock with Miss Martha Welterau. God blessed this union with three daughters, who, besides the bereaved wife and six grandchildren, remain to mourn his departure.

On Tuesday morning
