### Jenks Township Items.

Jenks Township is still on the upward and onward move. It boasts a registry list of over 300 voters, the big end of it for the Amendment. It boasts of seventeen rattling good saw mills, eight shingle mills, ten general stores, two drug stores, (where you

can't get a drink for love, money or wink), one millinery store, five hotels, three billiard rooms, two doctors, and one clergyman. The one lone clergyman would have an awful time of it fighting Satan and sin alone, but at sundry times others come along and help him brace up the moral back bone of the community. The Advocate of the Best Inter The Favorite Newspaper of People of Refined Tastes Everywhere

The New York MAIL AND EXPRESS, the favorite American newspaper of many people of intelligent and cultivated tastes, has recently made some noteworthy improvements, materially increasing its general excellence. 14 is in the broadest sense

## A National Newspaper,

most carefully edited, and adapted to the wants and tastes of intelligent readers through out the entire country-North South, Bast and West. It is a theroughly clean paper, free from the corrupting, sensational and demoral-izing trash, miscalied news, which deflies the pages of too many city papers.

#### OUR POLITICS.

We believe the Republican party to be the true instrument of the POLITICAL PROG-RESS of the American people; and holding that the honest enforcement of its principles is the best guarantee of the national welfare, we shall support them with all our might; but we shall always treat opposing parties with consideration and fair play.

## AGAINST THE SALOON.

The MAIL AND EXPRESS is the recomined National organ of the great Auti-Saleon Re-publican movement. It believes that the liquor traffio na it exists to day in the United States is the eveny of society, a fraithil source of corruption in politics, the ally of anareny, a school of crime, and, with its avowed purpose of secking to corruptly control elections and legislation, is a menace to the public welfare and deserves the condemnation of all good men.
