#### WASHINGTON LETTER.

From our regular Correspondent.)

WASHINGTON, May 3, 1889. The President returned from the great New York celebration greatly fatigued but much pleased with what he saw, as well as with the cordial manner in which he was received and a witness in days gone by. He felt treated during his entire stay-three gay and happy, thanked the Creator daye. His return to Washington was for his wonderful preservation, and the signal for the reappearance of the then went to work. army of place seekers that somehow mysteriously disappeared when the employed that he did not observe a the President started for the Centennial. They are far more numerous. But as it is a good natured, well-fed stranger at last. crowd, with money in its pockets, Washington is glad to see them back again in the hotel lobbies, and wishes them well generally.

Mrs. Harrison was so pleased with the New York celebration that she will remain there until next week. She is the guest of Mrs. Morton.

The employee of the Railway Mail third of this number are Republicans appointed since the 4th of March, and a small number are Republicans found in the service by the Cleveland administration and overlooked in the general slaughter which followed Cleveland's inauguration, the rest are Democrats. On May 1, the entire Noah. service passed under the control of the Civil Service Commission and in future when vacancies occur they will be filled from names certified by that body. Civil Service Commissioner eager to secure a good crop of the Lyman says that the Commission has fruit. already on file more than 2000 appli-

such information in regard to statis- and grain goes into beer and whiskey, tics etc., pertaining to the census, as yet the cry is kept up to intimidate may be requested by Superintendent the farmers, "What will you do with Porter provided it can be done with- your grain, if the Amendment passes?" out detriment to the business of their Two per cent. more bread wouldn't offices. This idea of utilizing the hurt our poor people at all. Not to thoroughly organized machinery of say, as the farmer said to Senator the post office department to gather Vest, "We'll raise more hogs and less information for the census burcau is hell." Isn't this pusillanimous, this an entirely new one and originates, I talk about having no market for corn think with Mr. Porter. Senator Hoar's select committee on surely, it is an insult to your intelli-

gations.

## FOR THE AMENDMENT.

[This column is edited by the Constitutional Amendment Association of Forest County, which has control of the same until the election in June .- ED.]

Story from the Talmud.

Spring had come. The sun shone brightly and Noah walked about in his garden enjoying the green trees and budding blossoms, while he refleted on the flood, of which he had been

He planted vines, and was so busily stranger that approached.

"You seem very busy," said the

"I am, as you see," replied Noah. "I am planting grape vines; may I ask to whom I am speaking ?"

"I am a gardener, and have quite a fancy for vineyards; I plant them

with excellent results." "Wine is a gift from heaven, is it not?" asked Noah. "Nothing finer could have been given to man. It gladdens the heart and makes one Service number 5,300. About one- happy, kills care, anxiety and sorrow." "Yes," replied the stranger, "it is certainly a blessed beverage! Because you praise it so highly and appreciate its advantages, I will tell you how to

make your vines thrive and bear fruit quickly." "Do you really know a way?" asked

"Certainly," replied the stranger. "I can give you the good results of my own experience."

"What must I do?" asked Noah,

"First of all, you must eprinkle the cants for examination, from parties ground with the blood of a lamb," desirious of receiving appointments in said the friendly stranger who was no the service and that he anticipates no other than Satan himself in the garb trouble whatever in filling any requi- of a man and who felt angry to think sition that Superintendent Bell, of the human beings should enjoy the grape Noah obeyed, involuntarily; he The indisposition of Secretary could not tell why. been the cause of some uneasiness on I have a full harvest?" he asked. the part of Mr. Blaine's friends and "Not yet," returned the stranger. of a thousand and one rumors making "The blood of a lion is necessary now. his condition much worse than it is. Come with me and we will bunt one." I am assured by those closely associated with him that the attack has sprinkled the blood over the vineyard only been an ordinary one, of lumbago, as he had done that of the lamb. and that at no time has it been serious enough to prevent the Secretary paying the usual attention to his mail, "The blood of a hog is necessary now; (some of them sent to out of town ry than his lumbago pains.

official career.

The death of ex Sepator Barnum, Chairman of the Democratic National among Democrats here, and specula- behind. tion is rife as to who will be his successor. Senator Gorman seems to be radical enough in his tariff ideas, they lamb; if he takes a second, he is imwant a Cleveland tariff reformer, bued with the ferocity of a lion; but, not want the place and will not accept Sunday Magazine, Frank Leslie's. it if it is offered him. Perhaps not. May be it is a case of sour grapes. If the Democrats are to fight among themselves over this position all good Republicans will wish that the freetrade element of the party may win, for as long as that wing of the Democratic party rules its councils the Republican party is certain to remain in power.

A circular issued by Postmaster General Wanamaker, at the request of Superintendent of the Census Porter, will have the result of placing 58,000 census collectors in the field immediately. The circular in question directs the 58,000 postmasters of the country to furpish the census bureau

They went, killed a lion, and Noah

"Is that all ?" he asked. "No, not yet," said the stranger.

both private and official. The rumors otherwise your vines cannot flourish." Nonh obeyed again, cheerfully, and papers were too absurd for any one to after sprinkling the blood of the hog believe) gave the Secretary more wor- over the vines he thanked the stranger, saying: "You are exceedingly kind,

Controller of the currency Locey and I thank you sincerely; but will was sworn in this week and began his you not tell me why you selected just the blood of these three animals and no other ?"

The stranger did not reply ; be had Committee has created much interest vanished, leaving no trace of himself

The result of wine-drinking, how ever, corresponds with the qualities of the favorite for the place, but it is those animals with whose blood Noah said that Cleveland and his crowd sprinkled the field. When a man don't want Gorman because he is not drinks one glass, he is as goutle as a You Can Make Money which is synonymous with being a if he empty a third, he sicks to the Fork City. free-trader, to fill the position.
