letville yesterday, and shook hands

to be used as a tool house. Good  
scheme.

—On Monday of this week Capt.  
Knox formally took charge of the  
Post Office of this place. He will re-  
tain Deputy P. M. Haslet for a time  
until he gets the run of things, which  
he finds is no small item, the work be-  
ing sufficient to keep a fellow thor-  
oughly busy about all the time. In  
retiring from the office, Mr. R. L.  
Haslet, who has had charge of the  
same during his father's incumbency,  
carries with him the very best wishes  
of all the patrons of the office. Rob.  
has certainly acquitted himself in a  
most creditable manner in the four  
years that he has occupied the very  
trying position of Deputy. His un-  
failing kindness and courteous treat-  
ment of all has won him the high  
esteem of the community in general.  
When we need another Democratic  
postmaster we'll vote for Rob.

ant by Mr. Wolcott's removal.

—The W. N. Y. & P. railroad will  
run one of its popular and delightful  
excursions to the Thousand Islands,  
on Thursday, July 11. The fare for  
the round trip will be \$5.50, which is  
remarkably low. Those who would  
enjoy a most glorious holiday should  
take advantage of this excursion.  
Tickets good for ten days. Mr. S. B.  
Newton, the popular excursion agent,  
will accompany the party, which in-  
sures a good time for all.

—Mrs. G. W. Sawyer and daughter,  
Mrs. Chas. Hunter, who were visiting  
relatives and friends in Massachusetts,  
returned last Wednesday, bringing  
with them Mrs. Sawyer's niece, Mrs.  
Fannie Fenton, of Worcester, Mass.,  
who will remain their guest for a few  
weeks.

—It will be pleasant news to the  
many friends in this section of Col.  
A. Loudon Snowden, who delivered  
such a stirring campaign address here  
last September, to learn that Presi-  
dent Harrison has appointed him  
Minister Resident and Consul General  
to Greece, Servia and Roumania.

—Wednesday evening of last week  
Newton, 14-year-old son of U. S. Zah-  
niser of Stewart's Run, had his left  
foot caught in the crank of an engine,  
lacerating the great toe so badly that  
Dr. Morrow, who was called, found it  
necessary to amputate it, although an  
effort was first made to save the same.

—The "kid" nine of this place  
went up to Hickory last Saturday and  
gave the kids of that place a taste of  
their skill in handling the ball and  
bat. They brought home a score of  
18 to 12 in favor of Tionesta, which  
puts to shame the older heads, who  
have already dropped two games to  
Hickory.

—Ladies and Gents Watch Chains,  
at A. C. Guth's, Tionesta.

—The monthly oil report for June  
shows the number of wells completed to

of wells completed, over May, 100;

rels; increase in number of wells  
drilling and rigs up, 25.

—Titusville was badly washed out  
by a cloud-burst last evening about  
six o'clock. We understand the Tid-  
oute chair factory, which is located  
on Tidoute creek, was badly torn up  
also by a cloud-burst, but are without  
particulars, further than that some  
chair-backs, legs, &c., were seen float-  
ing by here this morning.

—The Pennsylvania State Teachers'  
Association will hold its thirty-fifth  
annual meeting at Altoona, July 9th,  
10th and 11th. Addresses will be de-  
livered by distinguished educators of  
this and other States. Arrangements  
have been made with the railroad  
companies for tickets at reduced rates  
on presentation of an order signed by  
J. Fletcher Sichel, Germantown.

—About the meanest piece of thiev-  
ery we have heard of for some time  
was perpetrated at West Hickory last  
Saturday night, when the merchant  
tailoring establishment of Barney  
Dessal was entered and seven whole  
suits and several pairs of pants were  
stolen, entailing a loss upon Mr. D.  
of nearly \$200. He is a hardworking,  
industrious man, with a large family,  
and the loss falls heavily upon him.  
There is no clue to the thieves.

—Ladies Gold Watches, A. C.  
Guth's, Tionesta.

—The school board of the borough  
met last evening for the purpose of  
electing teachers for the ensuing term.  
There were a large number of appli-  
cants for the principalship and the  
intermediate room; the primary room  
being conceded to Miss Kerr, who  
can have the place as long as she  
wishes, there was no contest for it.  
The result of the election is as follows:  
Principal, Mr. F. W. Ware of Venan-  
go county; intermediate room, Miss  
Jennie Scott, who has the past term  
taught the school at Oldtown.

—Prof. D. C. Tubbs' writing school  
came to a close last week, when prizes  
for greatest improvement in penman-  
ship were awarded as follows: First  
prize, a three-months' scholarship in  
Smith's Business College at Meadville,  
to John Hunter; second prize, a two-  
months' scholarship at same institu-  
tion, to Miss Rosa D. Hunter; third  
prize, for best penmanship, was award-  
ed to Miss Blanche Pease, and consist-  
ed of a one-months' scholarship. We  
understand John will avail himself of  
the prize he has won and will attend  
the next session of the school at  
Meadville, as will also Miss Pease.  
Prof. Tubbs has organized two day  
classes in Hickory, but will continue  
his night class here.

—The Canon City, Col., Record says:  
"The body of Frank Zeigler, who died  
in this city of consumption, last Sat-  
urday, the 15th inst., was embalmed  
by Drs. Dawson and Palmer, and  
shipped to the former home of the de-  
ceased, at Oil City, Pa. Mr. Zeigler  
came to this city about six weeks ago  
in search of health, and occupied a  
tent in Harding's addition. He was  
very low when he came here, but ap-  
peared to be getting better, and the  
day before his death seemed to be in  
unusually good spirits; the next  
morning he was found dead in his bed,  
the sable robed messenger having  
summoned him hence while asleep, as  
there was no sign of a struggle, and  
his features wore a peaceful look."

some time in oil operations. Mr. R.  
Cobb's family are moving into that  
part of the Wisnau house made vac-  
ant by Mr. Wolcott's removal.

—The W. N. Y. & P. railroad will  
run one of its popular and delightful  
excursions to the Thousand Islands,  
on Thursday, July 11. The fare for  
the round trip will be \$5.50, which is  
remarkably low. Those who would  
enjoy a most glorious holiday should  
take advantage of this excursion.  
Tickets good for ten days. Mr. S. B.  
Newton, the popular excursion agent,  
will accompany the party, which in-  
sures a good time for all.

Red Brush Items.  
The patrons of the Blocher school  
deserve much praise for the manner in  
which they have beautified the school  
grounds in their neighborhood. This  
is a sure indication of civilization and  
morality. But where the school  
grounds and church yards are neg-  
lected and permitted to grow up it is  
a sure mark of a barbarous state of  
society.  
Jacob Mealy, jr., has his house about  
completed and when finished it will  
be one of the finest and most conven-  
ient farm houses in this section.  
Red Brush is slowly but gradually  
improving. No less than four barns  
have been erected this summer and all  
are modernized first class buildings.  
They have all been built under the  
management and supervision of  
William Hepler, the boss carpenter of  
the neighborhood.  
The roads in this part of the coun-  
try are in a horrible condition in con-  
sequence of being worked when too  
wet.  
Rev. F. M. Brickley will occupy  
the pulpit in the Evangelical church  
at Mt. Zion, next Sunday at 3 P. M.  
H. B. F.

Resolutions.  
The M. E. Sunday School adopted  
the following resolutions last Sunday:  
WHEREAS, In the decease of Mrs.  
Emma Clark, wife of our brother, P.  
M. Clark, our Sunday School has lost  
a beloved sister, an earnest fellow-  
worker, a faithful teacher—one whom  
we all loved and respected—and one  
whose life and examples was patterned  
after and harmonized with the truths  
she taught, and  
WHEREAS, We realize that in the  
death of so valued a member of our  
Sunday School we sustain a great loss  
which we feel deeply and mourn sin-  
cerely,  
Resolved, That we express our  
sorrow with, and extend our sympa-  
thy to, our brother Clark in the sad  
affliction so suddenly and so unex-  
pectedly laid upon him. That these  
resolutions be placed on the Sunday  
School Minute book and also be pub-  
lished in the local papers.

NEWSY NOTES.  
The public debt decreased during June  
\$14,255,929.74.  
Philadelphia claims to have a popula-  
tion of 1,223,000.  
Floods are doing much damage in  
Schuykill county.  
At Williamsport 3,402 houses were sub-  
merged during the flood.  
Treasurer W. R. Thompson reports the  
total Johnstown relief fund to be \$702,  
283.63 up to Saturday.  
Allegany Health Officer Bradley op-  
poses the Herr's Island dam because of  
the consequent pollution of the water.  
An attempt by incendiaries to burn  
Edinboro was happily frustrated by Nor-  
mal school students discovering the fires  
and extinguishing them.  
There are some men apparently so mean  
in their dealing years as to feel a po-  
sitive disappointment in seeing boys they  
predicted would land in the penitentiary,  
develop into substantial men.—Blizard.  
A monument is to be erected over the  
remains of Dr. F. B. Stevenson, the  
founder of the Grand Army of the Re-  
public in the United States. The monu-  
ment will be erected in Petersburg, Ill.,  
where he is buried.  
The Hungarians and Italians working  
on the extension of the W. N. Y. & P.  
railroad, from Clermont to Johnstown,  
had quite a serious fight the other day,  
in which one was killed, being shot above  
the eye, and seven badly broken up.  
Medical men now claim it is an estab-  
lished fact that gonorrhea can be contracted  
by kissing. The disease germs, the bac-  
teria, or whatever they call the micro-  
organisms that put in their spare time  
circulating around and working up human  
sinews, are transmitted from lip to lip. If  
someone keeps at it, the day may come  
when a fellow will have to hire a tough to  
kiss his best girl.—Exchange.

A most finished hat was perpetrated in  
Fryburg, Clarion county, one night re-  
cently. A 3-year-old colt belonging to A.  
T. McKissick had its tongue cut during  
the night, and the owner found the piece  
afterward which was three and a half  
inches long. In the afternoon of the same  
day he again visited the barn, when he  
found the colt's ears cut off close to its  
head. Search in every direction was  
made for the inhuman wretch who had  
perpetrated the deed but without avail.  
On Thursday morning last the colt was  
found dead in the barn with its throat cut.  
The people are in a great rage, and it  
will not be well with him if the cold-  
blooded devil is caught.

Dear Sir—Your letter of inquiry at  
hand and contents noted. In reply would  
say, we are personally acquainted with all  
the officers of the Economical Mutual  
Benefit Association, and know them to be  
upright business men, men whom you  
may rely upon. They have always paid  
over \$100,000 to beneficiaries through us  
alone. Trusting the above may be satis-  
factory, I remain  
Yours respectfully,  
M. L. ZAHNISER,  
Cashier Sandy Lake Bank.
