Republican Primary Rules.

RULES GOVERNING THE REPUBLICAN PRIMARY ELECTIONS OF FOREST COUNTY.

1. The candidates for the several offices shall have their names announced in one or more of the county papers at least three weeks previous to the Primary Meetings stating the office, and subject to the action of the party at the said primary meetings.

2. The voters belonging to the Republican party in each township and borough, shall meet on a day to be designated by the County Committee, at the usual place of holding spring elections, at 2 o'clock p. m., and proceed to elect one person for Judge, and two persons for Clerks who shall form a Board of Elections to receive votes and determine who are the proper persons to vote, and who shall hold the polls open until 7 o'clock p. m. After the polls are opened, the candidates announced shall be balloted for; the name of each person voting shall be written on a list at the time of voting, no person being allowed to vote more than once for the same office.

3. After the polls are closed the board shall proceed to count the votes that each candidate has received, and make out the returns accordingly, to be certified by the Judge and attested by the Clerks.

4. The Judge (or one of the Clerks appointed by the Judge) of the respective election district, shall meet at the Court House, in Tionesta, on the Tuesday following the Primary Meetings at 2 o'clock p. m., having the returns and a list of voters, and the person having the highest number of votes for any office, shall be declared

the nominee for the Republican party.

6. Any two or more persons having an equal number of votes for the same office, the Judges shall proceed to ballot for a choice, the person having the highest number to be the nominee.

7. The Return Judges shall appoint Conferees—Representative, Senatorial and Congressional—whose acceptance of said appointment shall be a pledge to support the person who may receive the largest number of votes cast for that office.

8. The Return Judges may at any time change the mode and manner of selecting candidates as they may be instructed by the people at their primary meetings, due notice being given by the County Committee.

9. The Chairman of the County Committee shall be required to issue a call in pursuance of the action of the County Committee.

Pension Examiners Board for Forest County.

WASHINGTON, D. C., July 16, '89. ED. REPUBLICAN:—

For the information of our soldier comrades and others interested in Forest county, you can state authoritatively that Hon. J. B. Agnew of your county called on Commissioner of Pensions Tanner, and secured the appointment of a Board of Medical Examiners for Forest county to-day, composed of the following persons: Drs. J. W. Morrow and J. B. Siggins of Tionesta, and Dr. S. S. Towler of Marienville. Senator Quay endorsed the applications and wrote a personal letter to the Department joining in the request for a medical board for your county. Commissioner Tanner desires that his comrades in Forest county shall be accorded advantages for examination in the future, at a point nearer home than heretofore, as the appointment of a new board of examiners incurs no additional expense to the Government, and your county is, and has been for a long time, entitled to it.

Yours etc., R.

The bill levying a general tax on dogs in this State having been duly signed by Gov. Beaver, all dogs will now have to be returned by the Assessor along with personal property of the owners to be taxed. The rate of tax is 50 cts. and \$1, according to the sex of the dog. The fund arising from the taxation is to go in the first instance to paying for all sheep that have been destroyed by dogs in the district; and where no casualties of the kind have occurred then the tax is to go to the school fund. We venture to say that the School Directors of this district will look with added interest and with more discriminating inspection on the dog population now circulating in Franklin. The new law makes the cur, whether full bred or mongrel, a power in education. The bill would have been complete if it had included cats, which have been playing havoc with young chickens in many parts of town this season. As the law fails to protect in this respect, we advise the breeder of fowls to resort to the shot gun policy.—Franklin News.

The slugging match between Sullivan and Kilrain, at Richburg, Miss., on the 8th inst., ended as everybody thought it would, in favor of the big Boston bruiser, John L., after 75 rounds had been fought. Governor Lowry of Mississippi, is hunting the bruisers down, and offers \$1000 reward for their delivery in that State, but the people are about convinced that his excellency is just a trifle slow in the motion, and that one half the bluster he is making now, would have resulted in stopping the fight if exerted at the right time.

The decision of the Supreme Court that the veterans who fought at Gettysburg shall have the right to place their monuments at points on that field where they made a gallant stand, on where they fought, and not where the Gettysburg Battlefield Monument Association think they ought to go to make the field beautiful, is one that will give universal satisfaction. The monuments ought to be erected to mark historic fact, not to ornament a patch of land.

The Democratic papers are still kicking because President Harrison has helped some of his relatives into office. And what would be if he didn't? He would be what an honest, plain-spoken American citizen would call a chump. To say that a man, otherwise competent, should be disqualified to fill an office because he happens to be related to the President is partisan logic of a very poor kind.—Blizzard.

The discord in the Republican party in Pennsylvania is only found in the columns of Democratic newspapers. The Republican majority is still ascending and the fate of the Democracy is becoming more hopeless.

CHAIRMAN ANDREWS, of the Republican State Committee, after communicating with all the members of the organization as to the time suitable for the meeting of the State Convention, has fixed upon Wednesday, August 7, as the date, and Harrisburg as the place of the meeting of that body to nominate a State Treasurer.

Free Transportation to Gettysburg.

The act providing for transportation of Pennsylvania soldiers, resident in Pennsylvania, who participated in the battle of Gettysburg is as follows:—

Whereas, The act of the legislature of one thousand eight hundred and eighty seven provided for the erection of suitable monuments on the battlefield of Gettysburg to mark the positions held by Pennsylvania organizations in said battle, which monuments are to be dedicated at such time during the present year as may be designated by the Governor of this Commonwealth, at which dedication the presence of all Pennsylvania soldiers who participated in the battle of Gettysburg is greatly desired; and whereas, The people of this Commonwealth have always venerated heroes of the Republic but also to honor the surviving veteran and make their remaining days comfortable and happy; therefore,

SEC. 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That at the time of the dedication of the monuments of the Pennsylvania organizations on the battlefield of Gettysburg there shall be provided and furnished, at the expense of the Commonwealth, to all the surviving honorably discharged soldiers now resident in Pennsylvania, whose names were borne upon the rolls of such organization previously to and at the date of the Battle of Gettysburg on July first, second, or third, one thousand eight hundred and sixty-three, such transportation to cover distance from the stations at which such soldiers live, or from the railroad stations nearest to their place of residence, by the shortest or most convenient route to Gettysburg and return, and shall be so arranged as to passage that the said veterans shall have the privilege of remaining at Gettysburg not less than one week, and shall have the privilege of stopping-off at any station enroute.

SEC. 2. That the Adjutant-General be and is hereby authorized and empowered to provide transportation over the lines of the several railroads of this State over whose route any of the soldiers referred to in the first section of this act shall require passage to and from Gettysburg, and for such transportation he is authorized to pay such sums of money as may be agreed upon * * * And the Adjutant-General [Brig Gen. D. H. Hastings] is further authorized to provide such blanks and establish such rules for the reception of applications and the issuance of orders for transportation as may be deemed proper, and he shall take the necessary means to give publicity to the provisions of this act in order that all the soldiers entitled to transportation under the same may avail themselves of its benefits.

SEC. 3. That any person who shall perstate any soldier entitled to the provisions of this act in order to secure transportation under this act, or shall use or attempt to use the transportation provided for any such soldier, shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not more than one hundred dollars, or be imprisoned not exceeding one month, or be both fined and imprisoned at the discretion of the court before which conviction is had.

SEC. 4. That the sum of fifty thousand dollars, or so much thereof as may be necessary, is hereby appropriated out of any money that may be in the treasury not otherwise appropriated, to defray the expenses of transportation provided for in this act * * * the money to be paid on requisition of the Adjutant-General, and Warrant of Auditor-General drawn in the usual manner, providing that duly verified vouchers showing the detailed disbursements under this act shall be made and filed in the Auditor General's office.
